Bella's Story Singapore New Reading Technology Pte Ltd THE INSTANT NEW YORK TIMES BESTSELLER A raw, honest, and revealing co-memoir by Brie and Nikki Bella: twin sisters, WWE Hall of Fame inductees, and stars of the hit E! shows *Total Bellas* and *Total Divas*. As twins, the Bellas have always competed. Legend has it that Nikki drop-kicked Brie in the womb so that she could make her grand entrance first. But the rest of the world often treated them as identical and even interchangeable, so they decided to do something about it. After they made it into WWE, the Bellas accomplished so much together: bringing in young girls and women while building the Bella Army, helping the transition of female performers from Divas to Superstars, starring in *Total Divas* and *Total Bellas*, and founding companies like Birdiebee, Nicole + Brizee Beauty, and Bonita Bonita Wine. Though their early journey began with loss, abuse, and plenty of rough times,

these challenges "shined the diamond." They resolved to be survivors and the heroes of their own stories, and to take control and responsibility for their lives. Eventually, they would come to show girls everywhere that they can do anything. The Bellas may be identical twins—but as individuals, they have proven themselves Incomparable.

Edge of Despair Steiner Books

Also known as "The Hardest Thing to Do Is to Say I Love You" I have a secret hidden deep down in my heart: I have loved Dixon Gregg for nine whole years. When I was young, I followed behind him. When I grew up, I finally became his wife. But he never once loved me. He did not even show me an ounce of pity. I tempted him into dating me using a divorce and Shaw Corporations as my bargaining chips, but he remained unmoved. He would never remember that nervous little girl who followed behind him cautiously. It was not until after we divorced that I realized that this so-called love had been one-sided...

My New Baby Artisan Books

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a

vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the *Twilight* Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- *Time* "A literary phenomenon." -- *The New York Times*

because of the look in a dog's eyes, its innate beauty, or even the clothes its owner has dressed it in, every portrait in this book tells a story and explores the dog's distinct character and spirit.

Jax loves the food his family cooks. But when his grandmother packs his favorite Chinese dishes for his first day of school, Jax discovers his lunch looks very different from what the rest of his classmates are eating. Embarrassed to eat his food, Jax finds himself sitting alone. When Meena sits next to him, the two strike an unexpected friendship over their lunches, sharing a mutual joy of time spent in the kitchen and the delicious meals they eat with their families. *What's That?* is a heartwarming story about the foods that make up who we are and how the meals we eat can bring us together. *What's That?* is an uplifting story but is an important tool for teaching kids to celebrate new foods and embrace cultural differences. And If You Can't MIRA

Pateros In My Spirit relives cherished fond memories and blissful narratives in the small river town of Pateros in the Pearl of the Orient Seas, that is the Philippines. This passion book captivates nostalgic aura and flavor of the decades 1950 to 1970 replete with baby boomer heritage, traditions, poetry, arts, and experiences expressed through the author's memoir and heartily enriched by town mates' contributed family stories and vintage photographs that eventually made it a love offering book for the appreciation of present and future generations. The storytelling's folksy shift from light wordsmith anecdotes to historic accounts makes the book an enlightening reading experience harboring on the quality of life during the period also best portrayed by a montage of images already lost to invasive urbanization. The collective project sprang from the author's shooting of his *Soul of Fandango* documentary film which revealed old town folks respondents' endearing vivid stories better published in a book rather than presented in flickering celluloid screen. Old and young, friends of friends, and strangers in the true Filipino bayanihan (unity) spirit even raised funds for the publication of the coffee table hybrid *Pateros In My Spirit* and its twin book, *Tale of Two Pateros*, just to get their momentous chronicles pronounced and recollections preserved, if not appreciated, outside of their world. Enjoy the sojourn to memory lane of the people who dearly call themselves Paterosinos.
