J. S. Bach composed some of the best-loved and most moving music in Western culture. Surviving mostly in manuscript collections, his music also exists in special and unique publications that reveal much about his life and thoughts as a composer. In this book, Peter Williams, author of the acclaimed *J. S. Bach: A Life in Music*, revisits Bach's biography through the lens of his music. Reviewing all of Bach's music chronologically, Williams discusses the music collection by collection to reveal the development of Bach's interests and priorities. While a great deal

has been written about the composer's vocal works, Williams gives the keyboard music its proper emphasis, revealing it as crucial to Bach's biography, as a young organist and a mature composer, as a performer in public and teacher in private, and as a profound thinker in the language of music.

Anna Eikenhout (1902-1986) was an honors graduate of Ohio State University, a fine-arts librarian, a skilled pianist, and an avid reader in three languages. Harlan Hubbard (1900-1988), a little-known painter and would-be shantyboater, seemed an unlikely husband, but together they lived a life out of the pages of Thoreau's *Walden*. Much of what is known about the Hubbards comes from Harlan's books and journals. Concerning the seasons and the landscape, his writing was rapturous, yet he was emotionally reticent when discussing human affairs in general or Anna in particular. Yet it was through her efforts that their life on the river was truly civilized. Visitors to Payne Hollow recall Anna as a generous, gracious hostess, whose intelligence and artistry made the small house seem grander than a mansion.

"An extraordinary saga." --David Grann, *New York Times* bestselling author of *Killers of the Flower Moon* The mesmerizing account of a granddaughter's search for a World War II family history hidden for sixty years Growing up in Paris as the daughter of a German mother and an Irish father, Svenja O'Donnell knew little of her family's German past. All she knew was that her great-grandparents, grandmother, and mother had fled their home city of Königsberg near the end of World War II, never to return. But everything changed when O'Donnell traveled to the city--now known as Kaliningrad, and a part of Russia--and called her grandmother, who uncharacteristically burst into tears. "I have so much to tell you," Inge said. In this transporting and illuminating book, the award-winning journalist vividly reconstructs the story of Inge's life from the rise of the Nazis through the brutal postwar

years, from falling in love with a man who was sent to the Eastern Front just after she became pregnant with his child, to spearheading her family's flight as the Red Army closed in, her young daughter in tow. Ultimately, O'Donnell uncovers the act of violence that separated Inge from the man she loved; a terrible secret hidden for more than six decades. A captivating World War II saga, Inge's War is also a powerful reckoning with the meaning of German identity and inherited trauma. In retracing her grandmother's footsteps, O'Donnell not only discovers the remarkable story of a woman caught in the gears of history, but also comes face to face with her family's legacy of neutrality and inaction--and offers a rare glimpse into a reality too long buried by silence and shame.

At one time a star in her own right as a singer, Anna Magdalena (1701-60) would go on to become, through her marriage to the older Johann Sebastian Bach, history's most famous musical wife and mother. The two musical notebooks belonging to her continue to live on, beloved by millions of pianists young and old. Yet the pedagogical utility of this music--long associated with the sound of children practicing and mothers listening--has encouraged a rosy and one-sided view of Anna Magdalena as a model of German feminine domesticity. Sex, Death, and Minuets offers the

first in-depth study of these notebooks and their owner, reanimating Anna Magdalena as a multifaceted historical subject--at once pious and bawdy, spirited and tragic. In these pages, we follow Magdalena from young and flamboyant performer to bereft and impoverished widow--and visit along the way the coffee house, the raucous wedding feast, and the family home. David Yearsley explores the notebooks' more idiosyncratic entries--like its charming ditties on illicit love and searching ruminations on mortality--against the backdrop of the social practices and concerns that women shared in eighteenth-century Lutheran Germany, from status in marriage and widowhood, to fulfilling professional and domestic roles, money, fashion, intimacy and sex, and the ever-present sickness and death of children and spouses. What emerges is a humane portrait of a musician who embraced the sensuality of song and the uplift of the keyboard, a sometimes ribald wife and oft-bereaved mother who used her cherished musical notebooks for piety and play, humor and devotion--for living and for dying.
