Automotive News Motorbooks International

The complete story of the innovative, iconic and enduring Porsche Carrera. Although considered a classic car, the 911 continues in production today and the 1,000,000th 911 is at the Porsche Museum, Zuffenhausen. This book takes the reader on a journey from the development of its risky water-cooled design through its racing success and continued production today, to practical maintenance and modification. A true homage to the Porsche Carrera, covering the concept, design and evolution of the 996,997 and 991, and including an interview with Harm Lagaaaji, stylist in the Porsche design studios. Other interviews include racing drivers - past and present - Mike Wilds, Timo Bernhard, Richard Attwood, Richard Westbrook, Mario Andretti, Hans-Joachim Stuck, Wolf Henzler, Brendon Hartley and Peter Dumbreck. There is a section on how to buy, maintain and modify a Porsche Carrera and the book is superbly illustrated with 420 colour photographs many of which were taken by renowned car photographer, Antony Fraser.

Perfection by Design Veloce Publishing Ltd

The definitive history of the entire Porsche 986-series Boxster, including an overview of all the models sold in each of the world's major markets. Packed full of information, with contemporary illustrations sourced from the factory, this book provides the perfect guide for enthusiasts, historians, and those seeking authenticity.

Classic Porsche 911 Buyer's Guide 1965-1998 Brooklands Books

The wedge-shaped V12 Lamborghini flagships were always spectacular - in shape, sound and performance. The Murciélago was an evolution of the Countach and the Diablo, and was as iconic in its time as its illustrious predecessors were in theirs. This

book examines the Murciélago in detail, while casting a look back through Lamborghini's troubled history, to understand how the Murciélago came into being. Ferruccio Lamborghini, Patrick Minram, Megatech, Chrysler, and finally VW-Audi, all played their part in the birth of this modern classic. The book touches on the people and organisations involved in the production of this iconic car, before examining each of the model variants, and discusses the joys and tribulations of ownership.

Collector's Originality Guide Porsche 911 Motorbooks

The original consumer price authority, Edmund's new guide offers information on trade-in and market values for cars, sports utilities, vans, station wagons, and pickups--both American and import models 1988-1997.

vehicle weight reduction. For a PDF version of the report please call Tina Enright on +44 (0) 1865 843008 for price details.

Porsche 911 Penguin

Div In Porsche 911: 50 Years, bestselling author Randy Leffingwell celebrates a half-century of one of the world's premiere sports cars, focusing on the major themes that have defined Porsche's rear-engined wonder. He tells the whole story—design and development, racing and competition, engineering and technology, style and culture. All the iconic 911 models are included: the original 901 prototype that set the standard; the legendary RS models that made the little Porsche a dominant force on the world's racetracks; the infamous Turbo, the car that kept the performance flame alight during the dark, dismal decade of the 1970s; the fabled 959, the model that redefined the term "sports car"; the 993, last of the original air-cooled models; and the 996, 997, and 991, the liquid-cooled cars that brought the 911 into a new millennium. But beyond telling the story of the cars, this book also spotlights the people behind them: Ferdinand "Butzi" Porsche, the son of legendary Porsche founder Ferdinand "Ferry" Porsche, who co-designed the instantly recognizable 911 shape; Peter W. Schutz, the Porsche CEO who saved the 911 from extinction; and Dr. Helmuth Bott, the engineering genius behind many of the groundbreaking technologies that have defined the 911, including fuel injection, turbocharging, and all-wheel-drive. Leffingwell also tells the story of the 911 community—the clubs and culture that surround the car. Together, all of these facets make Porsche 911: 50 Years the most essential book in any

Porsche fan's library.

Prices and Reviews, American and Imports 1997 The Crowood Press
