Living Stream Ministry

May the peace of God be with you all. In this book, Hell reality or fiction, I want to present the biblical truth that many do not know, and to publicize this fact we introduce in the word of God. She, the word of God, is offering the world such knowledge, God's word is a lamp unto your feet and a light to our path, without it we live in the dark, it is necessary that our lives be illuminated

with the light of word that is Christ, the word made flesh is, as he says; John 1: 1-5 in the King James Version 1960 1 In the beginning was the Word, and the Word was with God, and the Word was God. 2 The same was in the beginning with God. 3 All things were made by him; without him nothing that is done, was done. 4 In him was life, and the life was the light of men. 5 The light shines in the darkness; and the darkness did not comprehend it. Darkness never understood in the

light, Christ is the light and Satan dwells in darkness, where there is no light there is no word and where there is no word there is lack of knowledge, this book will give you the knowledge that there is a place that was prepared for Satan and demons and all who swayed by recalls the father of lies and his mission is to deceive, he wants everyone to think that there is a hell, that hell is not real, with the order not to be judged alone and having someone at his side to

punish his frustration of being defeated. There is a solution if there is, the Bible says; in (Acts; 16: 31 And they said, Believe on the Lord Jesus Christ and thou shalt be saved, and thy house must escape hell clinging to Christ shares this book with your friends and spread the word I want to leave you the meaning.... of (spreads) comes from the verb (spread) and sig Separating two are fighting. There are two that fight against your soul day to day so they will not come near to

Christ, and these two are the flesh and the devil, but when the word comes, comes the knowledge of the truth and the truth that is Christ and through his blood cleanses sin and kills the devil's work your soul is free and opens a path through the veil destined to heaven, hell was not cast for you. This book scrutinizes fasting and prayer, asking God revelation and comprehension and reveals this truth that many ignore living deceived by demons and the Devil, there is a heaven to gain

and a hell to lose. Topics covered in the book;

 The question of the  
 afterlife is, for many  
 today, one of preference.  
 Christians trained to  
 evangelize unsaved  
 people with the query, “If  
 you were to die today, do  
 you know where you  
 would go – heaven or  
 hell?” have grown  
 befuddled when met with  
 the response, “I don’t  
 believe in heaven or hell.”  
 Something in our culture  
 has changed. The ground  
 has shifted beneath our

feet. We did not feel it.  
 But change has come, just  
 the same. We must  
 reacquaint modern  
 Christians with the  
 eschatologically driven  
 preaching and teaching of  
 Edwards. This word  
 “eschatological” may trip  
 some readers up at first  
 encounter, but it refers  
 simply to “last things”,  
 things of eternity and  
 ultimate significance. We  
 exhume Edwards'  
 scripturally fired material  
 on the reality of the  
 afterlife, the terror of hell,  
 the glories of heaven, and  
 the shape life must take

in light of these realities.  
 If we accept the Word as  
 our authority, and if we  
 will allow Edwards to  
 serve as our faithful and  
 imaginative guide, we will  
 find that God is alive. He  
 is Lord of heaven and  
 earth, the sovereign ruler  
 of all Creation. He is not  
 small. He can be found.  
 He is not silent on the  
 afterlife, and His  
 testimony calls for our  
 attention, our concern,  
 and our whole-hearted  
 worship and trust. Easily  
 accessible and readable,  
 you do not need to be a  
 scholar to enjoy these

insights about Jonathan Edwards and his writings.

How many heavens are there—and how many hells? The original biblical languages use several words for heaven and hell that mean different things. And to make matters still more interesting, other religions and philosophies have contributed their own ideas to the mix until it's hard to separate reality from speculation, falsehood, and folklore. *Sense and Nonsense about Heaven and Hell* helps you cut through the clutter to see what the Bible really reveals about

heaven and hell, salvation and judgment. Learn about • Jesus: the only means of understanding heaven or hell • different biblical words for heaven and hell • the fires of hell: literal or figurative? • why hell has no exit doors • what we can and can't know about heaven • God's judgment: who will go where, and why Get ready for some surprises. This book will help you set aside your preconceptions and pierce through the myths and misinformation to gain an accurate, truly biblical perspective on

heaven and hell.

A riveting portrait of a rural Pennsylvania town at the center of the fracking controversy Shale gas extraction—commonly

known as fracking—is often portrayed as an energy revolution that will transform the American economy and geopolitics. But in greater Williamsport, Pennsylvania, fracking is personal. Up to Heaven and Down to Hell is a vivid and sometimes heartbreaking account of what happens when one of the most momentous decisions about the well-being of our communities and our planet—whether or not to extract shale gas and oil from the very land beneath our feet—is

largely a private choice that millions of ordinary people make without the public's consent. The United States is the only country in the world where property rights commonly extend "up to heaven and down to hell," which means that landowners have the exclusive right to lease their subsurface mineral estates to petroleum companies. Colin Jerolmack spent eight months living with rural communities outside of Williamsport as they confronted the tension

between property rights and the commonwealth. In this deeply intimate book, he reveals how the decision to lease brings financial rewards but can also cause irreparable harm to neighbors, to communal resources like air and water, and even to oneself. Up to Heaven and Down to Hell casts America's ideas about freedom and property rights in a troubling new light, revealing how your personal choices can undermine your neighbors' liberty, and how the exercise of

individual rights can bring unintended environmental consequences for us all.

HEAVEN OR HELL is a

Christian book that will help you make the right choice of where to spend your eternity, either in Heaven or Hellfire, the choice is all yours. This book is also written to convince those who do not believe that HEAVEN and HELL are real, so that they will come to the knowledge of the truth about their reality and then help them make the right choice while they are still alive because tomorrow may be too late. Hear what the Bible says in Hebrews 9:27-28, "And as it is appointed for

men to die once, but after this the judgment, so Christ was offered once to bear the sins of many. To those who eagerly wait for Him He will appear a second time, apart from sin, for salvation".

Beloved, are you really expecting the second coming of our Lord Jesus Christ? The choice is yours but I pray you make the right choice for your dear soul TODAY in Jesus name. Amen!

Will heaven be boring?  
How can a good and loving God send people to hell? Is there such a place as purgatory? If so, why is it necessary, if we're saved by grace? Questions about the afterlife abound. Given what is at stake, they are the most important questions we will ever consider. Recent years have seen a surge of Christian books written by people claiming to have received a glimpse of the afterlife, and numerous books, films, and TV shows have apocalyptic or

postapocalyptic themes. Jerry Walls, a dynamic writer and expert on the afterlife, distills his academic writing on heaven, hell, and purgatory to offer clear biblical, theological, and philosophical grounding for thinking about these issues. He provides an ecumenical account of purgatory that is compatible with Protestant theology and defends the doctrine of eternal hell. Walls shows that the Christian vision of the afterlife illumines the deepest and most

important issues of our lives, changing the way we think about happiness, personal identity, morality, and the very meaning of life.

There are some things in life we can afford not to be certain about, but the knowledge of whether "Heaven" and "Hell" exist is certainly not one of them! With so much deception, manipulation, and misconception about heaven and hell, many have elected to believe that neither exists. This is a dangerous position to take. Why? Because at the end of this life's journey (death), your spirit/soul will be assigned to go somewhere

(whether we believe and accept this truth or not). So for those who have taken this skeptic stance, before putting yourself in a permanent negative position, spiritually speaking, it would be prudent to at least explore what you have heard about Heaven and Hell and find out if what you have heard is true, or not! By the end of this book, you will know (with complete certainty) whether Heaven or Hell exist)!

We give thanks to our Heavenly Father for the gift of life. We know that our Heavenly Father will bless and keep us secure from the evil threats portrayed by Satan. We thank our Heavenly Father for granting a pleasurable time in this lifetime. We honor our Heavenly Father because it is important to know that if things do not work

out for us as we first thought it would, it could only mean that our Heavenly Father has something better in store for mankind. We must let our Heavenly Father's will be done. We must give thanks to our Heavenly Father for allowing mankind to be successful and prosperous in his lifetime on earth. We give thanks to our Heavenly Father for supplying all our needs according to his riches and glory by the

Father of our Heavenly Father. We give thanks to him and his source of supplies that will cover our every need. We give thanks to our Heavenly Father for the universe that is balanced with divine law and order. We thank our Heavenly Father for giving mankind the understanding on how the seeds of principles work. Let me explain: if we give unto others with good measures, it shall be

returned back to us in abundance. As you can see, every seed will be given back to the giver through the Heavenly Father. That is why it will be a blessing handed down by the Heavenly Father to give, then to receive. We give thanks to our Heavenly Father for our success and prosperity in allowing mankind the knowledge to discover his plans and how mankind can live in the center of that plan.
