--	---	--

Denver was the inspiration for Wait Until Spring, Bandini published in 1938. It is the first of four books referred to as The Bandini Quartet (aka The Saga of Arturo Bandini). Wait Until Spring, Bandini expresses the shame Bandini internalized as an Italian growing up in Colorado, where kids at school would often call him racial slurs. John Fante: A Real American Writer - Culture TripA quarter of a century later I find the Bandini Quartet in a charity shop for £1. Of course, I buy it immediately. Fante is a superb writer, no fluff, no cliches, just great writing. Sometimes it's a bad idea going back to novels read in one's youth but this did not disappoint in the slights. Still great after all these years. The Bandini Quartet by John Fante - GoodreadsDescription : A powerful, lyrical and touching tale of a turbulent adolescent trying to break out of the suffocating, prison-like confinements of family, poverty and religion in a small town, Wait Until Spring, Bandini tells the story of a winter in the childhood of Arturo Bandini, oldest son of Italian immigrants living in Colorado during the Great Depression.
