Katrina Hill "Page Flipperz - Blog" (AU) CLEAN VERSION: YA-suitable for younger readers:- You asked for a clean version and I promised to publish it. The unforgettable story of CORA and ECHO from Grimnirs continues in the International bestselling RUNES series.

Eighteen-year-old Cora Jemison knows what it's like to date a soul reaper. There are no Friday night movies, no school dances, and no stolen kisses between classes. It totally sucks! What makes it even worse, souls pop up when she least expects it. The last one is not her fault, but it all adds up to zero quality time with her super hot, scythe-carrying boyfriend, Echo. Since Cora was etched with special runes by an evil Immortal, she understands why souls are drawn to her. She makes the best of it by helping souls find closure while Echo escorts them to the realm of the dead. Perfect partners, until a dark soul visits Cora in the dead of the night and Echo decides her soul-helping days are over. Cora can either listen to Echo or follow her instincts. To make matters worse, other reapers start stalking her, demanding she hand over the soul. Even her Valkyrie friends think she's gone too far. But something sinister is coming their way, and the soul is the key to saving her town, her friends, and her relationship with Echo. Can she convince Echo to see things her way before it's too late? **READING ORDER: GRIMNIRS: A Runes story SOULS: Grimnirs book 2 MONSTERS: Coming 2015**

#1 bestselling YA Norse-mythology-based Paranormal romance: Runes (book 1): Seventeen-year-old Raine Cooper has enough on her plate dealing with her father's disappearance, her mother's erratic behavior and the possibility of her boyfriend relocating. The last thing she needs is Torin St. James—a mysterious new neighbor with a wicked smile and uncanny way of reading her. Raine is drawn to Torin's dark sexiness against her better judgment, until he saves her life with weird marks and she realizes he is

different. But by healing her, Torin changes something inside Raine. Now she can't stop thinking about him. Half the time, she's not sure whether to fall into his arms or run. Scared, she sets out to find out what Torin is. But the closer she gets to the truth the more she uncovers something sinister about him. What Torin is goes back to an ancient mythology and Raine is somehow part of it. Not only is she and her friends in danger, she must choose a side, but the wrong choice will cost Raine her life Immortals (book 2): Nothing can stop Raine Cooper when she wants something... Raine finally knows that her gorgeous neighbor, Torin St. James, is a legend straight out of Norse mythology, and that her feelings for him are strong. Torin is crazy about Raine too, breaking the one rule he lives by: Never fall for a mortal. The problem is he no longer remembers her, his memories erased by Norns—Norse destiny deities—to punish her for defying them. So Raine comes up with a plan... She will make Torin forget his one rule a second time and fall in love with her all over again. But she quickly learns that well-laid plans do not work when dealing with

deities and supernatural beings. Desperate, Raine makes choices that could not only tear her and Torin further apart, but lead to the destruction of everything and everyone she loves gods might have erased Torin's memories, but they didn't take into account his feelings for Raine and hers for him. Grimnirs (book 3): Straight out of the psych ward, Cora just wants her life to be normal. She doesn't want to see souls or the reapers collecting them. The guy she's loved from a distance for years moves away without saying goodbye. So yes, she's nursing a serious heartbreak. It's no wonder love is the last thing on her mind when Echo storms into her life. Too bad Echo is the poster boy for everything she hates in a guy—hot, beautiful, and cocky. He is also a soul reaper. A Grimnir. The very beings she wants out of her life. Maybe normal is overrated because Cora wants it all. Answers. Love. A life. Fated Firetrail Publishing
