THE PERFECT THRILLER Ted has it all: a beautiful wife, two daughters, a high-paying job. But after he is diagnosed with a terminal brain tumour he finds himself with a gun to his temple, ready to pull the trigger. That’s when the doorbell rings. Jack Reacher’s *Rules* is the ultimate fan’s guide to the World of Reacher! Featuring selections from all seventeen electrifying Jack Reacher novels and an introduction from Lee Child himself, this one-of-a-kind book compiles timeless advice from maverick former army cop Jack Reacher, the hero of Lee Child’s blockbuster thrillers and now the star of a major motion picture. My name is Jack Reacher. No middle name, no address. I’ve got a rule: People mess with me at their own risk. You don’t have to break the rules if you make the rules. Case in point: Jack Reacher, the two-fisted, quick-witted, “current poster-boy of American crime fiction” (*Los Angeles Times*). The brainchild of #1 New York Times bestselling author Lee Child, Reacher is a freelance troubleshooter with a

mysterious past—and a serious passion for justice. Now the hard-won knowledge and hard-hitting strategies of fiction’s toughest tough guy are within every thriller reader’s reach—in a rapid-fire rundown of the trade secrets, tried-and-true tricks, and time-honored tactics that separate the man in the street from the man to beat. Rule 1. When in doubt, drink coffee. Rule 2. Never volunteer for anything. Rule 3. Don’t break the furniture. Rule 4. Only one woman at a time. Rule 5. Show them what they’re messing with. Please note: *Jack Reacher’s Rules* is a compilation of advice, wisdom, and facts from the Jack Reacher series of novels by #1 New York Times bestselling author Lee Child. It features an introduction by Lee Child, but is not a Jack Reacher novel.

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED THE STREAMING SERIES REACHER *Never Go Back* is a novel of action-charged suspense starring “one of the best thriller characters at work today” (*Newsweek*). Former military cop Jack Reacher makes it all the way from snowbound South Dakota to his destination in northeastern Virginia, near Washington, D.C.: the headquarters of his old unit, the 110th MP. The old stone building is the closest thing to a home he ever had. Reacher is there to meet—in person—the new commanding officer, Major Susan Turner, so far just a warm, intriguing voice on the phone. But it isn’t Turner behind the CO’s desk. And Reacher is hit with two pieces of shocking news, one with serious criminal consequences, and one too personal to even think about. When threatened, you can run or fight. Reacher fights, aiming to find Turner and clear his name, barely a step ahead of the army, and the FBI, and the D.C. Metro police, and four unidentified thugs. Combining an intricate puzzle of a plot and an exciting chase for truth and justice, Lee Child puts Reacher through his paces—and makes him question who he is, what he’s done, and the very future of his untethered life on the open road.

Two in the morning. A subway car heading uptown. Jack Reacher, plus five other passengers. Four are okay. The fifth isn't. And if you think Reacher isn't going to get involved . . . then you don't know Jack. Susan Mark, the fifth passenger, had a big secret, and her plain little life was being watched in Washington, and California, and Afghanistan—by dozens of people with one thing in common: They're all lying to Reacher. A little. A lot. Or just enough to get him killed. A race has begun through the streets of Manhattan, a maze crowded with violent, skilled soldiers on all sides of a shadow war. For Jack Reacher, a man who trusts no one and likes it that way, the finish line comes when you finally get face-to-face and look your worst enemy in the eye. "Propulsive . . . [Child is] an expert at ratcheting up tension."—Los Angeles Times "Hold on tight. . . . This novel will give you whiplash as you rabidly turn pages. . . . May be [Lee Child's] best."—USA Today

Nothing to Lose Simon and Schuster

NEW YORK TIMES BESTSELLER • The gripping new Jack Reacher thriller from the #1 New York Times bestselling authors Lee Child and Andrew Child "No Plan B is not to be missed. A perfectly plotted, fast-paced thriller, with bigger twists than ever before. It's no wonder Jack Reacher is everyone's favorite rebel hero."—Karin Slaughter **ONE OF THE BEST BOOKS OF THE YEAR: Reader's Digest** In Gerrardsville, Colorado, a woman dies under the wheels of a moving bus. The death is ruled a suicide. But Jack Reacher saw what really happened: A man in a gray hoodie and jeans, moving stealthily, pushed the victim to her demise—before swiftly grabbing the dead woman's purse and strolling away. When another homicide is ruled an accident, Reacher knows this is no coincidence. With a killer on the loose, Reacher has no time to waste to track down those responsible. But Reacher is unaware that these crimes are part of something much larger and more far-reaching: an arsonist out for revenge, a foster kid on the run, a cabal of powerful people involved in a secret conspiracy with many moving parts. There is no room for error, but they make a grave one. They don't consider Reacher a threat. "There's too much at stake to start running from shadows." But Reacher isn't a shadow. He is flesh and blood. And relentless when it comes to making things right. For when the threat is Reacher, there is No Plan B.

Everything I Never Told You Macmillan

#1 NEW YORK TIMES BESTSELLER • Jack Reacher returns in another fast-moving, action-packed, suspenseful book from Lee Child. You can leave the army, but the army doesn't leave you. Not always. Not completely, notes Jack Reacher—and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA. Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance between the gunman and the target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott—an American marksman gone bad—is one of them. And after

fifteen years in prison, he's out, unaccounted for, and likely drawing a bead on a G8 summit packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it's the man who beat him before: Reacher. And though he'd rather work alone, Reacher is teamed with Casey Nice, a rookie analyst who keeps her cool with Zoloff. But they're facing a rough road, full of ruthless mobsters, Serbian thugs, close calls, double-crosses—and no backup if they're caught. All the while Reacher can't stop thinking about the woman he once failed to save. But he won't let that happen again. Not this time. Not Nice. Reacher never gets too close. But now a killer is making it personal. Praise for Personal "The best one yet."—Stephen King "Reacher is the stuff of myth, a great male fantasy. . . One of this century's most original, tantalizing pop-fiction heroes. . . Child does a masterly job of bringing his adventure to life with endless surprises and fierce suspense."—The Washington Post "Yet another satisfying page-turner."—Entertainment Weekly "Reacher is always up for a good fight, most entertainingly when he goes mano a mano with a seven-foot, 300-pound monster of a mobster named Little Joey. But it's Reacher the Teacher who wows here."—Marilyn Stasio, The New York Times

Once Upon a Broken Heart Harvard University Press

FBI Special Agents Kim Otto and Carlos Gaspar need the help of rogue ex-military man Jack Reacher, now a wanted man. But is he their friend or foe? It's been a while since we first met Lee Child's Jack Reacher in *Killing Floor*. Fifteen years and twenty-one novels later, Reacher still lives off the grid, until trouble finds him, and then he does whatever it takes, much to the delight of readers and the dismay of villains. Now someone big is looking for him. Who? And why? Hunting Jack Reacher is a dangerous business, as FBI Special Agents Kim Otto and Carlos Gaspar are about to find out. Otto and Gaspar are by-the-book hunters who know when to break the rules—but Reacher is a stone-cold killer and a wanted man. But whose side is he on? Only secrets hidden in Margrave, Georgia, will tell them.

Killer Year Farrar, Straus and Giroux

Jack Reacher plans to follow the autumn sun on an epic road trip across America, from Maine to California. He doesn't get far. On a country road deep in the New England woods, he sees a sign to a place he has never been - the town where his father was born. He thinks, what's one extra day? He takes the detour. At the very same moment, close by, a car breaks down. Two young Canadians are trying to get to New York City to sell a treasure. They're stranded at a lonely motel in the middle of nowhere. It's a strange place, but it's all there is. The next morning in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in that town. He knows his father never went back. Now he wonders, was he ever there in the first place?
