Five books in one! With nonstop action, huge plot twists, and tons of humor, this series will quickly have your 7- to 12-year-old video game fan begging for just one more chapter. Getting sucked into a video game is not as much fun as you'd think. Sure, there are jetpacks, hover tanks, and infinite lives, but what happens when the game starts to turn on you? In this best-selling series, 12-year-old Jesse Rigsby finds out just how dangerous video games—and the people making those games—can be. Book One: Trapped in a Video Game Jesse hates video games—and for good reason. You see, a video game character is trying to kill him. After getting sucked into the new game Full Blast with his best friend, Eric, Jesse quickly discovers that he's being followed by a mysterious figure. If he doesn't figure out what's going on fast, he'll be trapped for good! Book Two: The Invisible Invasion Jesse's rescue mission has led him into the world of Go Wild, a Pokemon Go-style mobile game full of hidden danger and invisible monsters. Can Jesse stay alive long enough to sneak into the shady video game company and uncover what they're hiding? Book Three: Robots Revolt The robot villains from Super Bot World 3 have been released into the real world, and it's up to Jesse to get them back. This is Jesse's most dangerous mission yet, because this time, the video game is real. And in the real world, there are no extra lives. Book Four: Return to Doom Island In this retro adventure, Jesse will need to outsmart a superintelligent android,

outlast a tireless drone, and outswim an eight-bit shark. If he can somehow pull all that off, Jesse will discover that he hasn't even gotten to the scary part yet. Book Five: The Final Boss Jesse and Eric have 10 minutes to save the world. In those 10 minutes, they're supposed to dive into a massive video game universe, track down an all-powerful madman, and stop his evil plan before it's too late. Sound impossible? It's super impossible. The clock is ticking.

Monstrous Stories #4: The Day the Mice Stood Still Feiwei & Friends

Two dinosaurs whose species are sworn enemies want to become friends in New York Times bestselling author Mo O'Hara's prehistoric spin on Shakespeare. In this hilarious take on Shakespeare for children 4 to 8—with dinosaurs instead of people—Romeosaurus and Juliet Rex get along perfectly well until they realize that their families should be mortal enemies! "Your family would eat mine," says Romeosaurus, who comes from a family of herbivores. Yes, it's true—Juliet Rex's family are carnivores, and Romeosaurus's family are plant-loving herbivores. With two families up in arms (very short ones for Juliet Rex) the two friends run away, determined not to let family baggage determine who their friends should be. With this funny

take on the world's most cherished love story, Mo O'Hara transforms Shakespeare into a relatable and truly funny dinosaur romp for young readers. Coupled to perfection with Andrew Joyner's expressive and classic illustrations, this tale will get giggles while introducing the most beloved writer known to the world today.
