The Amazing Book of Lego Star Wars DK Children

This book invites kids to expand their imaginations more than ever before, with eight unique themes ranging from popular vehicles and practical projects, to imaginative fairytale fun and a thrilling spy mission. This time around, Sarah includes chapters for mini projects and LEGO art, both of which have been popular categories on her blog but never explored in her previous books. Younger kids can follow along with the simple step-by-step instructions that have made Dees's books the success they are today—they'll delight in making tiny zoos with unique animals, a classic diner complete with a soda fountain and a school classroom they can customize to look like their own. Older children will love building such action-packed pieces as a rescue mission helicopter, an air hockey table, and a surveillance car with rear-hinged getaway doors. For LEGO lovers of any age, there are instructions for making your own around-the-house gadgets, such as desk organizers, picture frames, and even lock-and-key safes. The Big Book of Amazing Lego Creations will be a top gift pick for every kid who craves variety in their LEGO crafting. If your kids would be excited to build epic kingdoms one day and sprawling super-spy headquarters the next, this is the book for you.
