 The Auditor An Instructional Novella
 The novella—which forms a single, on-going, fictional case study meant to supplement a text—traces the professional life of Jack

Butler, graduate of Farwestern University and current CPA. As readers progress, they share with Jack, his clients, and colleagues various aspects of a typical career in public accounting—a spect students will most likely encounter during their own careers.

The Auditor: An Instructional Novella: Amazon.co.uk ...The Auditor is an instructional story that focuses on the

professional life story of Jack Butler as he progresses through Although I wasn't quite able to understand the reasoning for requiring such a reading during the outset of the course, it became quite clear after the first few class discussions that auditor judgment, professional skepticism, and ethics play a significant role within the profession.
