Yale University Press

An interdisciplinary collection that seeks to explore Thai literature in the wider context of the global perspectives, themes and debates within the study of World Literature. In the wake of recent unrest in the country, it offers a rare insight into the unique cultural, political and historical context of Thailand.

Sân khấu và tôi Phạm Ngọc Anh

Since its publication in the early nineteenth century, this long narrative poem has stood unchallenged as the supreme masterpiece of Vietnamese literature. Thông's new and absorbingly readable translation (on pages facing the Vietnamese text) is illuminated by notes that give comparative passages from the Chinese novel on which the poem was

based, details on Chinese allusions, and literal translations with background information explaining Vietnamese proverbs and folk sayings.

Television in Post-Reform Vietnam

University of Hawaii Press

This book explores Vietnamese popular television in the post-Reform era, that is, from 1986, focussing on the relationship between television and national imagination. It locates Vietnamese television in the experiences of everyday life and the prevailing network of power relations resulting from marketization and globalization, and, as such, moves beyond the clichéd assumption of Vietnamese media as a mere propagandist instrument of the party state. With examples from a wide range of television genres, the book demonstrates how Vietnamese television enables novel conditions of cultural oppression as well as political engagement in the name of the nation. In sharp contrast to the previous image of Vietnam as a war-torn land, post-Reform television conjures into being a new sense of national belonging based on an implicit rejection of the socialist past, hopes for peace and prosperity, and anxieties about a globalized future. This book highlights the richness of Vietnam's current culture and identity, characterized, the book argues, by 'fraternity without uniformity'.

Ecotourism in Laos as Ecorational Instrumentality Huong Keenleyside

This book is concerned with three central issues: the universality of constraints on code-switching, the nature of the relation between language contact and bilingualism, and the social and linguistic components that facilitate code-switching. *Disturbing Conventions* University of Washington Press

In the late 1980s, Vietnam joined the global economy after decades of war and relative isolation, demonstrating how a former socialist government can adapt to global market forces with their neoliberal emphasis on freedom of choice for entrepreneurs and consumers. The Ironies of Freedom examines an aspect of this new market: commercial sex. Nguyen-vo offers an ambitious analysis of gender and

class conflicts surrounding commercial sex as a site of market freedom, governmental intervention, and depictions in popular culture to argue that these practices reveal the paradoxical nature of neoliberalism. What the case of Vietnam highlights is that governing with current neoliberal globalization may and does take paradoxical forms, sustained not by some vestige from times past but by contemporary conditions. Of mutual benefit to both the neoliberal global economy and the ruling party in Vietnam is the use of empirical knowledge and entrepreneurial and consumer's choice differentially among segments of the population to produce different kinds of laborers and consumers for the global market. But also of mutual benefit to both are the police, the prison, and notions of cultural authenticity enabled by a ruling party with well-developed means of coercion from its history. The freedom-unfreedom pair in governance creates a tension in modes of representation conducive to a new genre of sensational social realism in literature and popular films like the 2003 *Bar Girls* about two women in the sex trade, replete with nudity, booze, drugs, violence, and death. The movie opened in Vietnam with unprecedented box office receipts, blazing a trail for a commercially viable domestic film industry. Combining methods and theories from the social sciences and humanities, Nguyen-vo's analysis relies on fieldwork conducted in Ho Chi Minh City and its vicinity, in-depth interviews with informants, participant observation at selected sites of sexual commerce and governmental intervention, journalistic accounts, and literature and films. This book will appeal to historians and political scientists of Southeast Asia and to scholars of gender and sexuality, cultural studies, postcolonial studies, and political theory dealing with neoliberalism.

The Rough Guide to Southeast Asia on a Budget is the ultimate guide to exploring this fascinating region on a shoestring, with coverage of all the top sights, the clearest mapping of any guide and handy hints on how to save money. Discover all of the most popular Southeast Asian destinations, alongside lesser-known places, with information on getting off the beaten track – whether you want to hike through the rainforest, visit remote hill tribes or just find a quiet stretch of white sand. The Rough Guide to Southeast Asia on a Budget has detailed practical information that will help you make the most of your time and money, whether taking a slow boat down the Mekong or catching the 'Jungle Railway' through Malaysia's interior. And you'll discover the things to see and do in each country, plus all the best hostels and budget hotels, bars, cafés and cheap restaurants. This guide is the budget-conscious traveller's must have item for Southeast Asian trips. Make the most of your time on earth with The Rough Guide to Southeast Asia on a Budget.

foreign Langenscheidt Publishing Group Provides more than 40,000 entries of idiomatic expressions and words along with a guide to translation variants and a guide to pronunciation.

The Recreational Frontier MintRight Inc (Vietnamese edition) Unveiling the Truth about Tantric Yoga in Tibetan Buddhism *tiểu phẩm trào phúng hiện đại* ANU Press Tôi viết quyển sách với tấm lòng biết ơn, tri ân đến những người mục sư trong chức vụ giải cứu đi trước tôi. Họ đã vất vả trong công việc này mà nhiều khi không có được sự nhìn nhận từ Hội thánh, thậm chí một số người còn cho họ là quá khích, là những kẻ "chuyên tìm quỷ". Có những người đã qua đời sớm vì áp lực từ công việc này, nhưng đối với tôi họ là những anh hùng. Họ đã dạn dĩ tiên phong trong một lĩnh vực mà nhiều người không dám làm, không dám bước vào dù cho Chúa đã kêu gọi. Tôi cũng cầu xin cho tại đất nước Việt Nam, Chúa sẽ đẩy lên nhiều những mục sư, truyền đạo đứng trong chức vụ này - "những T. B Joshua của Việt Nam". Tận đáy lòng tôi luôn ao ước, những thế hệ đi sau sẽ có những sự hiểu biết thuộc linh sâu sắc hơn trong lĩnh vực tà linh để buộ thế giới tâm tối đó phải lộ ra trong ánh sáng của lời Chúa. Việt Nam phải có những nhà lãnh đạo xuất chúng, đầy quyền năng được đẩy lên bởi vì họ yêu mến sự sâu nhiệm của Kinh Thánh! Chính họ sẽ đi ra, tới các đất nước khác để mang vinh quang, vinh hiển về cho Chúa.

phóng sự Tủ sách Rộng mở tâm hồn This study treats ecotourism in National Protected Areas of Lao PDR as a

"recreational frontier" which instrumentalizes the recreation of human natures in capitalism's centers for that of nonhuman natures at capitalism's (closing) frontiers. This world-ecological practice of ecorational instrumentality - i.e. of nature domination in the name of "Nature" - presents a remedy for capitalism's crisis that is itself crisis-ridden, enacting a central tension of ecocapitalism: that between "conservation" and "development". This epistemic-institutional tension is traced through the preconditions, modes and effects of ecotourism in Laos by gradually zooming from the most general scale of societal nature relations into the most detailed intricacies of ecotouristic practice. The combination of Bourdieu, Marx and Critical Theory enables a systematic analysis of the recreational frontier as enactment of various contradictions deriving from the "false-and-real" Nature/Society dualism.  Penguin
 Điện ảnh Việt Nam đã có tuổi đời gần một thế kỷ với hơn một ngàn bộ phim lớn nhỏ từng ra mắt công chúng. Trong đó, điện ảnh miền Bắc đã trở thành mảnh đất màu mỡ cho những phân tích, nghiên cứu và mổ xẻ tương đối sâu rộng trên hầu khắp các diễn đàn. Thế nhưng, vẫn còn tồn tại một miền hoang lạnh ẩn trong sương mù mà nhiều người sinh ra và lớn lên ở miền Bắc, cũng như thế hệ sinh sau 75 chưa được đặt chân tới - đó là điện ảnh miền Nam trước năm 1975. Lợi dòng lịch sử, đào bới tro tàn để tìm lại những hòn than một thời bỏng cháy, cây bút phê bình kỳ cựu Lê Hồng Lâm với tư tưởng tự do và dẫn thân đã thực hiện một cuộc điều nghiên gian khó, đầy tham vọng về điện ảnh Sài Gòn giai đoạn 1954-1975. Người Tình Không Chân Dung - Khảo cứu điện ảnh Sài Gòn 1954-1975 của Lê Hồng Lâm là một tập sách vô cùng đặc biệt và quý báu, không chỉ dành những người yêu môn Nghệ thuật thứ bảy, mà còn cho cả người khát khao tìm tòi về một giai đoạn trong lịch sử bị lãng quên.
Bồng nhiên mà họ lớn Rowman & Littlefield
 This book introduces readers to modern Thai literature through the themes of modernity, nationalism, identity and gender. In the cultural, political and social transformations that occurred in Thailand during the first half of the twentieth century, Thai literature was one of the vehicles that moved the changes. Taking seriously 'read till it shatters', a Thai phrase that instructs readers to take apart the text, to break it down, to deconstruct it, Thak Chaloehtiarana challenges the Thai literary canon from the margins and suggests ways of expanding and enriching it. Thai literature is scarce in translation

and requires the skills of a scholar fluent in Thai to comprehend it. Thak is a political scientist turned literary scholar who is bilingual in Thai and English and an avid reader of Thai fiction by authors up and down the social scale. Here he offers lively insights into his favourite literary genres with fresh readings of early Thai novels, Sino-Thai biographies and memoirs of the rich and famous. 'Thak Chaloehtiarana is an inquisitive man. Late in his career he switched from politics to literature. In these chapters, he draws on a lifetime of reading about writers and writing in Thailand over the past century. He nods towards the usual big names—King Vajiravudh, Luang Wichit, Kulap Saipradit, Kukrit Pramoj—but spends more time on those found in the lesser visited stacks of the libraries, the secondhand bookstalls, and the shelf by the supermarket checkout. His themes are familiar—Thailand and the West, Thai nationalism, the Thai-Chinese, and women under patriarchy—but the angles of vision are original. With a cast ranging from motor-racing princes through sexy Egyptian mummies and a feminist serial murderer to starlets touting breast-enhancement techniques, this book educates, enlightens, and entertains.'
Sex, Culture, and Neoliberal Governance in Vietnam Tuttle Publishing
 The book is written for the beautiful young years. The story is about love of main characters through their own memories.
