your marriage into everything you hoped it would be. Honest to the core and laugh-out-loud funny, Dave and Ann Wilson share the one secret that brought them from the brink of divorce to a healthy and vibrant relationship. If you had asked Dave how their marriage was doing on the night of their tenth wedding anniversary, Dave would have rated it a 9.8 out of 10, and he would have even

guaranteed that Ann would say the same. But instead of giving him a celebratory kiss, Ann whispered, "I've lost my feelings for you." Divorce seemed inevitable for the Wilsons, but starting that night, God began to reveal to Dave and Ann the most overlooked secret of getting the marriage we are looking for: a horizontal marriage relationship just doesn't work until

your vertical relationship with Christ is first. As founders of a multi-campus church and marriage coaches with 30 years of experience, Dave and Ann share the hard-earned but easy-to-apply biblical principles that ensure a strong marriage. Written in a highly relatable dialogue between both husband and wife, Vertical Marriage will guide you toward building a vibrant

relationship at every level, giving you the tools you need to embrace: Effective communication Fair conflict True romance A deeper connection Through their unique perspectives, Dave and Ann share an intimate, sometimes hilarious, and at times deeply poignant narrative of one couple's journey to reconnecting with God and discovering the joy and power of a vertical marriage.

Unashamed  
Tyndale House Publishers, Inc.  
Shame is everywhere. Whether it's related to relationships, body image, work difficulties, or a secret sin, we all experience shame at some point in our lives. While shame can manifest itself in different ways—fear, regret, and anger—it ultimately points us to our most fundamental need as human beings:

redemption. Shame never disappears in solitude, and Heather Davis Nelson invites us to not only be healed of our own shame but also be a part of healing for others. She shines the life-giving light of the gospel on the things that leave us feeling worthless and rejected, giving us courage us to walk out of shame's shadows and offering hope for our bondage to brokenness. Through the gospel, we

discover the only real and lasting antidote to shame: exchanging our shame for the righteousness of Christ alongside others on this same journey. [Enter the Ring](#)  
Christian Faith Publishing, Inc.

Enter the Ring takes a fresh, powerful, vulnerable approach to marriage by framing it as the fight that it is. The world uses different assaults and tactics to distract us, tempting us to walk away, in order to destroy our marriages. But there is hope: The constant forgiveness, grace, and intervention of God can preserve and protect us from not only the world but also ourselves. D. A. and Elicia Horton

explore the tension of two people becoming one and how spouses often fight over which "one of us" they become. They unpack topics such as Seasons of suffering Communication Sexual and physical intimacy The spiritual life of the home Money This book approaches the traditional topics of a marriage book with the brutal and life-giving honesty of two millennials who have fought

together for their marriage. All topics are addressed through the vulnerable lens of the authors' own struggles and mistakes. This is a no-holds-barred, real-world . . . marriage book.

*Conflict Resolution for Couples XO*

The book's strategies are

designed to help couples improve communication, understand commitment, bring more fun into their relationship, and enhance their sex lives. Offers reflections on how to enhance anyone's marriage over

the long term and avoid divorce. Covers recent cultural shifts, such as dealing with the endless technological distraction and issues with social networking. Uses illustrative examples from couples' lives and rich integration of insights from scripture. This

important book offers an invaluable resource for all couples who want to honor and preserve the holy sacrament of their union. *Resolving Everyday Conflict* Xulon Press. This book, "Resolving Conflicts In Marriage," is written to inform and educate married couples about some of the characteristics of anger in marriage, what one needs to look out for and the effects of

anger in marital relationship as well as how to resolve it quickly. **A Lasting Promise** Crossway. Marriages are under increasing strain these days, with over half of them ending in divorce. Conflict is seen as grounds to end a marriage, rather than an opportunity to grow closer to each other and to God. *The Seven Conflicts* is an excellent resource for equipping

Couples will learn to identify their mutual dreams, put differences into perspective, understand each other's underlying motives, and work together as partners who are more in love than ever. ### **Peacemaking for Families**

Whitaker House  
Every couple has disagreements. All too often, though, when we engage in arguments, our goal is not to resolve the conflict at hand, but rather, to win the fight. Unfortunately, when you win

an argument, your spouse is the loser, and nobody wants to be or live with a loser. When you resolve a conflict, your spouse becomes your friend. Good marriages are based on friendship, not on winning arguments. Now, Gary Chapman provides couples with a simple blueprint for achieving win-win solutions to everyday conflicts and disagreements. By learning how to listen empathetically, respecting

each other's ideas and feelings, and understanding why particular issues are so important to their spouse, couples can find solutions that result not only in resolving the conflict at hand, but also leave both partners feeling loved, listened to, and appreciated.

 We are only happy when we pursue a transcendent purpose, something larger than ourselves.

This pursuit involves a deeply meaningful relationship with God by committed participation in the spiritual disciplines.

The Lost Virtue of Happiness takes a fresh, meaningful look at the spiritual disciplines, offering concrete examples of ways you can make them practical and life-transforming.

 Jesus said,

"Blessed are the peacemakers." But it often seems like conflict and disagreement are unavoidable. Serious, divisive conflict is everywhere—within families, in the church, and out in the world. And it can seem impossible to overcome its negative force in our lives. In *The Peacemaker*, Ken Sande presents a comprehensive and practical theology for conflict

resolution designed to bring about not only a cease-fire but also unity and harmony. Sande takes readers beyond resolving conflicts to true, life-changing reconciliation with family members, coworkers, and fellow believers. Biblically based, *The Peacemaker* is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation.

Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers' confidence as they stand in the gap as peacemakers. [Resolving Conflict in Your Marriage](#) Bloomsbury Publishing USA  
*The Four Laws of Love* represents the culmination of Jimmy Evans' influential career. In this deeply personal book, Jimmy Evans outlines the foundational pillars upon

which God designed marriage. Without holding back, he tells the story of his own marriage, which was hurtling toward divorce until this self-proclaimed "bad husband" came to recognize and put into practice these four laws. This book sounds a wake-up call for every kind of marriage, including those that are barely surviving and those that seem to operate on

autopilot. Couples who follow these simple guidelines — recognizing the original intent and purpose of marriage—will inject new life into their unions. They'll see hurting marriages find healing and watch good marriages become great. Each revitalized relationship will play a part in restoring marriage to its sacred role at the center of human civilization.

**Estranged:  
Finding  
Hope When**

**Your Family Falls Apart**  
Focus on the Family  
Publishing  
In *Estranged: Finding Hope When Your Family Falls Apart*, Julie Plagens shares about her life as a child of well-known parents in full-time ministry and the hardships it puts on families to maintain an image of perfection. After many years of anger and unforgiveness, Julie and her husband walked away from the family to find

healing after a life-altering health diagnosis. This is the amazing story of how God knitted a Christian family back together through a series of miracles that can only be explained by divine intervention after seven years of estrangement. This book is written for families who are struggling to get along in a healthy manner all the way to those who are experiencing a full-blown family

estrangement. Julie gives her story from the perspective of an estranged adult child but also gives tips for parents and adult children who are struggling to find a connection between the two generations. Julie's mother, Joanne Ventura, wrote the afterword to help parents who are struggling with the rejection of their adult children. *Estranged* is unique in that it not only gives personal

stories from both sides of the estrangement (which is rare), but it also gives tips to help families move towards hope and healing, even if there is never reconciliation. This is a must read for anyone dealing with shame, anger, rejection, and unforgiveness. You can find hope when your family falls apart. *Fierce Marriage* Thomas Nelson Everyone disagrees on some things;

this is inevitable. The question is, how can we disagree with those we love but increase the odds that we will live and love to fight another day? In other words, how can we fight fair? In this companion to *One of Us Must Be Crazy... and I'm Pretty Sure It's You* (a treatise on making sense of the differences that divide us), Tim and Joy Downs aren't playing around. This time they concentrate

less on how to make sense of our differences and more on winning at conflict without losing at love. When couples fight, tempers flare, tongues loosen, and behavior occurs that can cause major damage to the relationship. *Fight Fair!* teaches couples how to have healthy disagreements. It is a candid and realistic "rulebook" for married couples to ensure that their conflict is

God-honoring and respectful of their partner. There is also plenty of immediate application to ensure that future conflicts don't create permanent scars. *He Wins, She Wins* Regal Books This "Just the Tools" Edition is an abbreviated version of Paul Shaffer's "Conflict Resolution for Couples - the R.I.V.E.R. Method", of which the 15th Anniversary Edition came out in 2020.

This leaner edition focuses on just the core tools that Paul teaches when doing couple's work - the basics that every couple needs to know: • The 5-step conflict resolution model (R.I.V.E.R.) • The 26 "rules" (ABC's) for avoiding a fight • Healthy routines for making and maintaining relational growth
