Back Atria Books
 Ellery Queen and his father discover a baffling murder on a private island. Ellery Queen and his father are meandering through breakfast when their apartment is invaded. Without making a sound, 2 men appear in the Queens' living room, guns drawn, and proceed to search the place. When they're done, a 3rd man follows: a paunchy little professor-type who happens to be the brother of a king. King Bendigo doesn't rule a country, but his control of the international arms trade has made him one of the richest men in the world. It's not surprising that somebody wants him dead. Bendigo's brother comes to the Queens to ask them to save the tycoon's

life—but they fail. The king is found dead in a hermetically sealed room, a bullet lodged in his heart. The murder is impossible to solve—that is, for anyone but Ellery Queen.

First in a trilogy that crosses the boundaries of erotic fiction—from the bestselling author of Megan's Mark. Too weak to resist young Kelly Benton's attempts at seduction, Rowdy Mackay left home eight years ago. Duty as a U.S. Marine put a safe distance between temptation and the nubile Kentucky vixen. Now he's back home and ready to engage in the

kind of erotic games that have earned him and his two cousins a Nauti-boy reputation in three counties. Once it was Kelly's dream too-to feel the heat of the boy she desired. But an attack from a stalker still on the prowl has left Kelly terrified of a man's touch. Now as fear and desire converge, Rowdy fights to save her from the deadly threats of a stranger, to rid her of her demons, and to satisfy a hunger more powerful than either can imagine.

PassionFlix. When it came to playing games, my lover Jax was a master strategist. He pulled strings behind the closed doors of D.C.'s most powerful political players, and somehow still found time to nearly sideline my career. What he didn't know was that when I didn't like the rules, I threw them out and made my own. I wasn't going to let Jax get away with it. I wasn't going to let him get away at all. I loved Jax enough that it was impossible to give up. Jax loved me enough that giving up was the only end he'd consider. He didn't think I could swim with the sharks. It was entirely my pleasure to show him that I'd already dived in...

Text

There's nothing more romantic than Valentine's Day...except Sylvia Day. Now in one deluxe box set, the first four novels in the Crossfire series. The #1 New York Times bestselling author. The #1 worldwide phenomenon. Bared to You He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and

desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would

take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul insideso much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession...

Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar

safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

Is love worth betraying everything? Plunge into the second adventure in the internationally bestselling *Mortal Instruments* series and “prepare to be hooked” (*Entertainment Weekly*). Clary Fray just wishes that her life would go back to normal. But what's normal when you're a demon-slaying Shadowhunter, your mother is in a magically induced coma, and you can suddenly see Downworlders like werewolves, vampires, and faeries? If Clary left the world of the Shadowhunters behind,

it would mean more time with her best friend, Simon, who's becoming more than a friend. But the Shadowhunting world isn't ready to let her go -- especially her handsome, infuriating, newfound brother, Jace. And Clary's only chance to help her mother is to track down rogue Shadowhunter Valentine, who is probably insane, certainly evil—and also her father. To complicate matters, someone in New York City is murdering Downworlder children. Is Valentine behind the killings—and if he is, what is he trying to do? When the second of the *Mortal Instruments*, the *Soul-Sword*, is stolen, the terrifying Inquisitor arrives to investigate and zooms

right in on Jace. How can Clary stop Valentine if Jace is willing to betray everything he believes in to help their father? In this breathtaking sequel to *City of Bones*, Cassandra Clare lures her readers back into the dark grip of New York City's *Downworld*, where love is never safe and power becomes the deadliest temptation.
