guide to the blockbuster Hunger Games trilogy—this book is not authorized by Suzanne Collins, Scholastic Press or anyone involved in the Hunger Games movie. Also included in this eBook is a sneak 80-page preview of THE HUNT, an all-new novel that today's hottest authors are raving about! THE HUNT is coming May 2012.

EARLY PRAISE FOR THE HUNT "One of the most brilliant, original books I've read in a very long time. Andrew Fukuda has created a vision of the world both terrifying and fascinating. This is the kind of book you'll want to stay up all night to finish!" —Richelle Mead, #1 bestselling author of the Vampire Academy Series "With razor-

sharp prose, a genius plot, and a searing pace that will have you ripping through the pages, Fukuda creates a dark and savage post-apocalyptic world where vampires are evil, humans are nearly extinct and love manages to bloom despite all the odds stacked against it. An exceptional novel—I can't wait for the sequel!" —Alyson Noël, #1 bestselling author of the Immortals Series "Chilling, inventive, and utterly unputdownable, The Hunt masterfully dances between horror and dystopian. Readers, proceed...if you dare. This book will bleed into your nightmares." —Becca Fitzpatrick, bestselling author of the Hush, Hush Saga "A book that grabs you by the

throat and doesn't let go. The Hunt is both terrifying and sublime, with every page evoking that fragile, yet unyielding thing we call humanity."

—Andrea Cremer, bestselling author of *The Nightshade Trilogy* *Rage Within* Macmillan "A compellingly drawn dystopian future."

—BCCB *The Maze Runner* meets *The Hunger Games* in this heart-pounding trilogy—now in paperback. Orphaned teens, soon to be hunted for sport, must flee their resettlement camps in their fight for survival and a better life. For in the Republic of the True America, it's always hunting season. standout debut. After a radiation blast burned most of the Earth to a crisp, the new government established settlement camps for the survivors. At the camp, sixteen-year-old "LTs" are eager to graduate as part of the Rite. Until they learn the dark truth: LT doesn't stand for lieutenant but for Less Thans, feared by society and raised to be hunted for sport. They escape and join forces with the Sisters, twin girls who've suffered their own haunting fate. Together they seek the fabled New Territory, with sadistic hunters hot on their trail. Secrets are revealed, allegiances are made, and lives are at stake. As unlikely Book and fearless Hope lead their quest for

freedom, these teens must find the best in themselves to fight the worst in their enemies. Catch the rest of the series in *The Capture* and *The Release!*

Rebel Heart Scholastic Inc.

Bestselling author Laurie Faria Stolarz's thrilling novel *Jane Anonymous* is a revelatory confessional of a seventeen-year-old girl's fight to escape a kidnapper—and her struggles to connect with loved ones and a life that no longer exists. Seven months. That's how long I was kept captive. Locked in a room with a bed, refrigerator, and adjoining bathroom, I was instructed to eat,

bathe, and behave. I received meals, laundered clothes, and toiletries through a cat door, never knowing if it was day or night. The last time I saw the face of my abductor was when he dragged me fighting from the trunk of his car. And when I finally escaped, I prayed I'd never see him again. Now that I'm home, my parents and friends want everything to be like it was before I left. But they don't understand that dining out and shopping trips can't heal what's broken inside me. I barely leave my bedroom. Therapists are clueless and condescending. So I start my own form of therapy—but writing about my experience awakens uncomfortable memories, ones that

should've stayed buried. How far will I have to go to uncover the truth of what happened—and will it break me forever?

A Brief Look at Katniss's Survival Strategy Simon and Schuster

When a series of mysterious abductions rattles Xing Xu's adopted hometown, his position on the outskirts of society helps him investigate the kidnappings with the hope of proving his worth to his classmates and his crush.

For readers of The

Librarian Of Auschwitz, This Light Between Us is a powerfully affecting story of World War II about the unlikeliest of pen pals—a Japanese American boy and a French Jewish girl—as they fight to maintain hope in a time of war. “I remember visiting Manzanar and standing in the windswept plains where over ten thousand internees were once imprisoned, their voices cut off. I remember how much I wanted to write a story that did right by them. Hopefully this book delivers.”—Andrew Fukuda
In 1935, ten-year-old Alex Maki from Bainbridge Island, Washington is disgusted when he's forced to become pen pals with Charlie Lévy of Paris, France—a girl. He thought she was a

boy. In spite of Alex's reluctance, their letters continue to fly across the Atlantic—and along with them, the shared hopes and dreams of friendship. Until the Japanese attack on Pearl Harbor and the growing Nazi persecution of Jews force them to confront the darkest aspects of human nature. From the desolation of an internment camp on

the plains of Manzanar to the horrors of Auschwitz and the devastation of European battlefields, the only thing they can hold onto are the memories of their letters.
