Multnomah

Grace of God and the Flaws of Men is a deep exploration of the truth and power of the Gospel through the failures of Abraham, Isaac and Jacob. These three men have always been celebrated as heroes of faith, and rightly so too. But before they emerged as true heroes, each of them also had several moments of weakness along their respective

journeys in faith. This book is a delightfully counter-intuitive narrative of the flaws, failures and frustration of Abraham, Isaac and Jacob. But as we uncover each flaw of these three men, it is not the ugliness of their sin, but the beauty of God's grace that will be more obvious. Each chapter dives into the abominable depths of the sins of men, only to come back up with the dazzling riches of the Gospel of grace. This is the central theme of this book: when sin reigns darkest, grace shines brightest. And this grace is not just the mercy of God for our forgiveness; it is also the

power of God for our transformation.  
Finding Meaning and Comfort When Life  
 Doesn't Make Sense Harvest House

Jesus Among Other Gods: In his most important work to date, apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus. With a simple yet penetrating style, Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives. Jesus Among Other Gods contrasts the truth of Jesus with founders of Islam, Hinduism, and Buddhism, strengthening believers and compelling them to share their faith with our post-modern world. Deliver Us From Evil: With clarity and insight, Zacharias shows how many of today's

most popular ideas, thoughts, and beliefs are vandalizing our culture. He shows how it is there, "in the depths of our innermost being, That the work of God changes what we want to do. This is not an ethical system calling us to civility. This is the transforming work of the grace of God, who calls us His children." He shows how: Secularization has led us to a loss of shame, generating evil even against those we love Pluralization has led us to a loss of reason, generating evil toward those we choose to hate Privatization has led us to loss of meaning, generating evil against ourselves

We all have doubts that challenge our faith. We wonder whether the Bible still matters, or whether God is truly as loving and personal as we hope. In his first ever devotional, *The Logic of God*, apologist Ravi Zacharias offers 52 readings that explain how and why Christianity, the Bible, and God are still relevant, vital, and life-changing for us today. To all our dilemmas Ravi says, "I am convinced that Jesus Christ alone uniquely answers the deepest questions of our hearts and minds." With a remarkable grasp of biblical facts and a deep understanding of the questions that trouble our hearts, Ravi tackles the

most difficult topics with ease and understanding. But *The Logic of God* is more than intellectual; it is also personal, offering thoughtful wisdom on: when Jesus draws especially near you the deep ray of hope found in God's Word how God transforms disappointments why prayer matters how genuine peace is possible making sense of suffering *The Logic of God* is a USA Today and Wall Street Journal bestseller. *The Logic of God* was named the 2020 ECPA Christian Book Award winner for Bible Study category. Ravi makes profound biblical truth easy to understand. And if your life is busy, this book is designed for you! It addresses 52 topics that you can read over the course of one year or slowly digest at your own pace. Each entry includes a scripture,

questions for reflection, and some practical application steps. When you're struggling with questions and doubts, confused, curious, or just want a clearer way to express your faith *The Logic of God* has answers that satisfy the heart and the mind.

[People to Be Loved](#) NYU Press

Increasingly, Western culture embraces confusion as a virtue and decries certainty as a sin. Those who are confused about sexuality and identity are viewed as heroes. Those who are confused about morality are progressive pioneers. Those who are confused about spirituality are praised as tolerant. Conversely, those who express certainty about any of these issues are seen as bigoted, oppressive, arrogant, or intolerant. This cultural phenomenon led

the compilers of the Oxford English Dictionary to name "post-truth" their word of the year in 2016. How can Christians offer truth and clarity to a world that shuns both? By accurately describing the Culture of Confusion and how it has affected our society, author Abdu Murray seeks to awaken Westerners to the plight we find ourselves in. He also challenges Christians to consider how they have played a part in fostering the Culture of Confusion through bad arguments, unwise labeling, and emotional attacks. Ultimately, *Saving Truth* provides arguments from a Christian perspective for the foundations of truth and how those foundations apply to sexuality, identity, morality, and spirituality. For those enmeshed in the culture of

confusion, the book offers a way to untangle oneself and find hope in the clarity that Christ offers.

*A Folktale from India* Prep Chroma Ltd

In the twenty-fourth chapter of Genesis a beautiful young woman offers assistance to a weary traveler and his camels, and out of that simple action, a marriage results—a marriage that offers profound lessons to couples today. Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery." Building upon that foundational truth, Zacharias goes on to

explain the principles of seeking the counsel of others when finding a mate, cherishing your partner, remaining pure, becoming a man or woman of prayer, and, finally, risking everything in a relationship in order to experience God's ideal for love. Couples everywhere, from those about to be married, to those who have been married for decades, will draw strength and wisdom for the journey of marriage as they learn from Ravi what it means to move from romance to lasting love.

*Grace of God and Flaws of Men*

Multnomah

Isaac Newton was accorded a semi-divine status in the 18th and 19th centuries, whereby his image linked together religion and science. The real human being behind the demi-god

image has tended to be lost. He was a person who took credit from others, and crushed the reputations of those to whom he owed most. This most brilliant of mathematicians could alas be devious, deceptive and duplicitous. This work doesn't go looking at unpublished alchemical musings as is nowadays fashionable, rather it sticks to the historical record. At the time when the new science was born, we scrutinize the ways in which he failed to discover the law of gravity or invent calculus. What exactly did Leibniz mean by describing him as 'a mind neither fair nor honest'? Why did Robert Hooke describe him as 'the veriest knave in all the house' and why was the astronomer Flamsteed calling him SIN (Sir Isaac Newton)? We are here concerned to give him credit for

what he did discover, which may not be quite what you had been told. This book redefines the genius of Isaac Newton, but without the heavily mythologised baggage of a bygone era. He believed in one God, one law and one bank.

Ultimate truth. The destiny of souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century, wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul. Subramaniam asks Jesus and Krishna

hard questions about faith. Meanwhile, a fictional character, Richard, eavesdrops, asking himself the most important question of all: Does it really matter what I believe?

The Absolute Claims of the Christian Message Zondervan

One of the greatest defenders of faith answers penetrating questions about the meaning of life and the existence of a God who is there for his children, inviting readers on a journey through his life--from East to West and then back again. 85,000 first printing. \$40,000 ad/promo.

**Merchant and the Thief** Zondervan  
Men of Fearless Faith Meet men who have used their God-given talents to live out their faith to the fullest. They come from a variety of backgrounds, eras, and ethnicities, but each one has answered

the Lord's call on their life in bold and innovative ways. Children of all ages will be inspired by the stories of C.S.

Lewis—professor and author of the influential Chronicles of Narnia series Zhang Boli—Chinese dissident, journalist, and Christian pastor Richard Allen—former slave and founder of the African Methodist Episcopal Church Tim Tebow—athlete, Heisman trophy winner, and outspoken follower of Christ Father Damien—priest who dedicated his life to helping lepers in Hawaii These and the 45 other defenders of the faith featured in this book have made a profound impact on the world around them, and in many cases changed the course of history. Strong, smart, and sometimes outspoken, these men are tremendous examples of God's love in action. These

inspiring profiles will captivate kids' imaginations and encourage them to discover their own gifts and how they can use them to glorify God.

**And Other Sermons** WaterBrook  
Break free from the weariness and cynicism of life to enjoy God's amazing promise of childlike joy! It's time to reclaim that awesome sense of wonder--to experience God's amazing promise of childlike joy.

**I Gave Dating a Chance** Zondervan  
In 2006, Ravi Zacharias International Ministries (RZIM) held an open forum at the Fox Theater in Atlanta to address the subject: "Has Christianity Failed You?" Tickets were sold for the event and--to the complete surprise of everyone--the event was sold out with a capacity crowd of over 5,000. People lined up offering to

buy tickets from folks in line for higher prices. Before the event, an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time. One answered that, because of a Christian's rejection of his gay lifestyle he had done just that. Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church. Others had their own reasons. Some said it was just intellectually untenable in an age of reason. They chose to come to the event to judge if there were adequate answers. It is estimated that for every one person who writes a letter or attends an event, there are one thousand who agree. If the Atlanta crowd was any indication, the question is real and troubling. Why is it

that many live with silent doubt, many leaving the "evangelical fold" for something else? Is there something wrong with the message, the communicator, the hearer . . . or is it all three? It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing. In fact, the son of a prominent US Senator phoned me with that very question. "Why has God made it so hard to believe in Him?" Such skepticism is not just representative of the hostile; it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so. More to the

point: Why it is actually so hard to deny God and still make sense out of life? In the end the answers should be both felt and real, with the added truth that God is nearer than you think. He desires that we sense Him very near to us and not distant. But closeness comes at a cost just as any relationship of love and commitment does.

*Jesus Talks to Oscar Wilde on the Pursuit of Pleasure* David C Cook

Equips readers from every walk of life to use biblical truth to counter the efforts of cults to masquerade as mainstream Christians.

*God in the Shadows* InterVarsity Press  
Ravi Zacharias and Vince Vitale defend the absolute claims of Christ against modern belief in the "secular gods" of atheism, scientism, relativism, and

more. The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by modern culture, but its believers are openly ridiculed as irrelevant. In **JESUS AMONG SECULAR GODS**, Ravi Zacharias and Vince Vitale challenge the popular "isms" of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful, and important, and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge to articulate why they believe

that Jesus stands tall above all other gods.

### **Seeing Jesus from the East**

Zondervan

When you pray, are you talking to a God who exists? Or is God nothing more than your "imaginary friend," like a playmate contrived by a lonely and imaginative child? When author Sam Harris attacked Christianity in *Letter to a Christian Nation*, reviewers called the book "marvelous" and a generation of readers--hundreds of thousands of them--were drawn to his message. Deeply troubled, Dr. Ravi Zacharias knew that he had to respond. In *The End of Reason*, Zacharias underscores the dependability of the Bible along with his belief in the power and goodness of God. He confidently refutes Harris's claims that

God is nothing more than a figment of one's imagination and that Christians regularly practice intolerance and hatred around the globe. If you found Sam Harris's Letter to a Christian Nation compelling, the book you are holding is exactly what you need. Dr. Zacharias exposes "the utter bankruptcy of this worldview." And if you haven't read Harris's book, Ravi's response remains a powerful, passionate, irrefutably sound set of arguments for Christian thought. The clarity and hope in these pages reach out to readers who know and follow God as well as to those who reject God.

*The Lotus and the Cross* Pen and Sword History

If you think atheists have reason, evidence, and science on their side,

think again! Award-winning author Dr. Frank Turek (I Don't Have Enough Faith to be an Atheist) will show you how atheists steal reason, evidence, science, and other arguments from God in trying to make their case for atheism. If that sounds contradictory, it's because it is! Atheists can't make their case without appealing to realities only theism can explain. In an engaging and memorable way, *Stealing from God* exposes these intellectual crimes atheists are committing and then provides four powerful reasons for why Christianity is true.

*Jesus Among Secular Gods* WaterBrook Encounter Jesus Like Never Before through Eastern Eyes Throughout these pages, Ravi Zacharias and Abdu Murray invite readers to rediscover the cultural

insights we often miss when we ignore the Eastern context of the Bible. They offer a refreshing picture of Jesus, one that appeals to Eastern readers and can penetrate the hearts and imaginations of postmodern Westerners. In *Seeing Jesus from the East*, Ravi Zacharias and Abdu Murray show us why a broader view of Jesus is needed - one that recognizes the uniquely Eastern ways of thinking and communicating found in the pages of the Bible. Zacharias and Murray capture a revitalized gospel message, presenting it through this Eastern lens and revealing its power afresh to Western hearts and minds. Incorporating story, vivid imagery, and the concepts of honor and shame, sacrifice, and rewards, *Seeing Jesus from the East* calls believers and skeptics, both Eastern and Western, to a

fresh encounter with the living and boundless Jesus.

*Winning the War on Sexual Temptation One Victory at a Time* Thomas Nelson Inc  
 the challenge every man faces...the fight every man can win From the television to the Internet, print media to videos, men are constantly faced with the assault of sensual images. It is impossible to avoid such temptations...but, thankfully, not impossible to rise above them. Shattering the perception that men are unable to control their thought lives and roving eyes, *Every Man's Battle* shares the stories of dozens who have escaped the trap of sexual immorality and presents a practical, detailed plan for any man who desires sexual purity-perfect for men who have fallen in the

past, those who want to remain strong today, and all who want to overcome temptation in the future. Includes a special section for women, designed to help them understand and support the men they love.

The Kingdom of the Cults I, Isaac, Take Thee, Rebekah Moving from Romance to Lasting Love

Popular scholar Ravi Zacharias sets a captivating scene between Jesus Christ and Gautama Buddha in the first book of the Conversations with Jesus series. Have you ever wondered what Jesus would say to Mohammed? Or Buddha? Or Oscar Wilde? Maybe you have a friend who practices another religion or admires a more contemporary figure. Drop in on a conversation between Jesus and some well-known individuals whose

search for the meaning of life took them in many directions--and influenced millions. Through dialogue between Christ and Gautama Buddha, Zacharias reveals Jesus' warm, impassioned concern for all people and explores God's true nature.

**Jesus Talks with Krishna** Thomas Nelson Inc

From the national bestselling author of *Red Azalea*: “Extraordinary . . . Min lets [Madame Mao] be seen as never before. Bottom line: riveting” (People). In a sweeping, erotically charged story, Anchee Min creates a finely nuanced portrait of one of the most fascinating, and vilified, women of the twentieth century. Madame Mao is almost universally known as the “white-boned demon”—ambitious, vindictive, and

cruel—whose bid to succeed her husband led to the death of millions. But Anchee Min’s story begins with a young girl named Yunhe, the unwanted daughter of a concubine who ignored her mother’s pleas and refused to have her feet bound. It was the first act of rebellion for this headstrong, beautiful, and charismatic girl, who would find fame as an actress in Shanghai, and later fall in love and marry Mao Zedong. The great revolutionary leader proved to be an inattentive husband with a voracious appetite for infidelity, but the couple stayed together through the Communist victory, the disastrous Great Leap Forward, and the chaos of the

Cultural Revolution. Min uses historical facts and her lush, penetrating psychological imagination to take us beyond the myth of the person who so greatly influenced an entire generation of Chinese. The result is a complex portrait of a woman who railed against the confines of her culture, whose deep-seated insecurities propelled her to reinvent herself constantly, and whose ambition was matched only by her ferocious, never-to-be-fulfilled need to be loved. “Sheer poetry.” —The Wall Street Journal “A magnificent book: consequential, significant, beautiful . . . The true heroine is writer Anchee Min.” —San Diego Union-Tribune
