Practice exercises for the Language Book
activities, intended for homework or
quiet class time. Practice Book pages
should be done when the corresponding
page in the Language Book has been
finished. If time allows teachers may like
to go through some or all of the
exercises orally before children work
independently.

Teaching Grammar Macmillan

This book teaches the most common ESL
grammar points in an accessible way
through real ESL errors together with
suggested teaching techniques.
Relevant grammar terminology is
explained. The four objectives of this
book are to help teachers: (1) identify
common ESL grammar points and
understand the details associated with
each one; (2) improve their ability to
answer any grammar question on the
spot (when on the "hot seat"); (3)
anticipate common ESL errors by
grammar point, by first language, and/or
by proficiency level; and (4) develop
more effective grammar/language
learning lessons. These objectives are
for all teachers, whether they are
teaching grammar directly or indirectly
in a variety of classes -- including a
grammar class, a writing class, a
speaking class, an ESP class, or a K-12
class.

Advanced Longman Publishing Group
This book is intended to help you, as a
teacher of English as a Foreign language
(E F L), to teach common verb tenses

and patterns more efficiently and clearly.
Some of the material in the book may
surprise you. To begin with, the
explanations and commentary may
seem self-evident, or the phonetic
realisations may seem unnecessary. If
this is so, please try to bear with me.
The material in the book is designed to
be of help to several groups: the
experienced native speaker seeking a
possible new approach to add to his
armoury, the novice teacher, who
speaks English with native speaker
intuition, but has not yet fully analysed
what it is that she does know, or why
she says what she says, and also the
non-native E F L teacher abroad, who
speaks English excellently, and yet
wishes to understand the subtler
differences in usage and idiom which the
native speaker takes for granted.

Rosemary Aitken

Business Result Cambridge University
Press

With its communicative syllabus,
authentic business material, and expert
tips from a leading management school,
plus interactive multi-media, Business
Result helps students learn the
communication skills they need for work
quickly and effectively.

**Using Technology in and Beyond the
Language Classroom** MACMILLAN

Written for language teachers in
training, this book surveys issues and
procedures in conducting practice
teaching. Written for language teachers
in training at the diploma,
undergraduate, or graduate level,
Practice Teaching, A Reflective Approach
surveys issues and procedures in
conducting practice teaching. The book
adopts a reflective approach to practice
teaching and shows student teachers
how to explore and reflect on the nature
of language teaching and their own

approaches to teaching through their experience of practice teaching.

OUP Oxford

For teachers of English to young learners. It offers you discussion, discovery activities, and real-life examples from classrooms around the world.

Classroom Management Techniques

OXFORD

Fully revised and updated, and now available online and in print.

Practical Classroom English

Cambridge University Press

This book raises the issue of what a teacher needs to know about English in order to teach it effectively. It leads teachers to awareness of the language through a wide range of tasks which involve them in analysing English to discover its underlying system.

Sound Foundations MacMillan

"Classroom Management Techniques offers a huge range of down-to-earth, practical techniques that will help teachers make the most of their teaching space and get students working in more focused ways. The book helps teachers anticipate and avoid problems in the classroom, allowing more time to be devoted to useful, meaningful activities."--Publisher.

500 Activities for the Primary Classroom
MacMillan

It always takes the most suitable methodological approach to what is being taught, resulting in the perfect balance of skills and language work. Extra section including functional language, writing skills, grammar notes and word lists round off the Students Book. Key Features: Simple enough for

new teachers to use; flexible enough for the

A Concise Grammar for English

Language Teachers TP Publications

This new edition of Teach EFL is the ultimate practical reference guide to teaching English as a Foreign Language. 'Riddell's book is a classic - it answers all those questions new language teachers have....covers an amazing amount in a clear accessible way.' David Carr, Director of Teacher Training International House London This book is packed with information on: -effective teaching techniques. -sound classroom management. -practical lesson planning. -successful job hunting and career development. This is an indispensable book for all new and experienced EFL teachers: a step-by-step guide on what to teach and how to teach it. This edition has been fully revised to include: -up-to-date information on technology as an aid to learning. -comprehensive information on the increasingly popular task-based learning. -invaluable advice on making the transition from learning to teaching. -clear guidance on ongoing professional development. -useful examples of teaching in different international contexts. Rely on Teach Yourself, trusted by learners for over 75 years.

Macmillan English Practice Book Teach Yourself

The Third Edition of this A classic A text incorporates a broader and more detailed analysis of issues relevant to language teachers. "The Practice of English Language Teaching" is full of practical suggestions and samples from actual teaching materials.

Teaching English Grammar University of Michigan Press ELT

The ideal companion for any teacher interested in the use of technology in the language classroom, Blended Learning

provides a practical overview of the technology currently available. It combines basic information for the technological novice with sophisticated ideas for using technology in the classroom. Teachers are offered practical ideas and suggestions for ways to use technology to enhance and support students' learning. The authors also examine the implications of the use of technology for language teaching methodology in general.

The Practice of English Language Teaching Cambridge University Press
Grammar for English Language Teachers helps teachers to develop their overall knowledge and understanding of English grammar, and provides a quick source of reference in planning lessons and clarifying learners' problems. Each chapter includes a Typical difficulties section, which explores learners' problems and mistakes. The book encourages teachers to appreciate the range of factors which affect grammatical choices, but also introduces the 'rules of thumb' presented to learners in course materials. The Consolidation exercises provide an opportunity for teachers to test the rules against real language use and to evaluate classroom and reference materials. The book is organised thematically, but also provides a 'short cut' index at the beginning for ease of reference. There is also a Cambridge ELT website with further chapter-by-chapter extension exercises to accompany the book.

Techniques and Principles in Language Teaching 3rd edition - Oxford Handbooks for Language Teachers Cambridge University Press

"The New A-Z of ELT is a practical and informative guide which is indispensable

to teachers and teacher trainers of all levels of experience. The new edition has been revised and restructured to take recent developments in language teaching into account and is a fully cross-referenced, alphabetical guide to ELT that defines and explains essential language teaching concepts and terminology from fields including grammar, linguistics, discourse analysis, digital pedagogies and phonology." -- Back cover.

What to Teach and how to Teach it OXFORD
