Hard-core reconstructionists advocate a return to Old Testament-style theocracy, including all the laws governing capital punishment. Those championing the reconstructionist view support their position with three arguments: the Old Testament law reflects God's unchanging character, Jesus said He did not come to abolish the law, and capital punishment is also prescribed in the New Testament. Does the Bible allow for the death penalty / capital ... In truth, the small number of executions in the United States in recent years makes it hard to judge the value of capital punishment as a deterrent. It may be that the death penalty deters crime, but there is no clear-cut evidence which proves that it does. Capital Punishment Capital punishment is a difficult subject to discuss as there are many different opinions that all contain some truth about this issue. Some believe it is fair and just to administer the death penalty when criminals take a life or lives, while others think that it is cruel and unusual punishment for civilized societies.
