Step back in time with
Karen Maitland, author of
the hugely popular
Company of Liars. This
dark tale is sure to thrill
fans of The Witchfinder's
Sister and C. J. Sansom
with its chilling recreation
of the Peasants' Revolt. 'A

gem, crafted in the
darkness ... Maitland has
produced another
gripping tale, from a
darker age, which has
surprising resonances
with the present'

By the pricking of my
thumbs ... Lincoln, 1380.
A raven-haired widow is
newly arrived in John of
Gaunt's city, with her two
unnaturally beautiful
children in tow. The
widow Catlin seems kind,
helping wool merchant

Robert of Bassingham
care for his ill wife. Surely
it makes sense for Catlin
and her family to move
into Robert's home? But
when first Robert's wife -
and then others - start
dying unnatural deaths,
the whispers turn to
witchcraft. The reign of
Richard II brings bloody
revolution, but does it
also give shelter to the
black arts? And which is
more deadly for the
innocents of Lincoln?

One of PopSugar's Top Summer Reads of 2021!
An ordinary summer goes royally awry when a prince and princess move next door, bringing their handsome bodyguard with them, from New York Times bestselling author

Karina Halle. Piper Evans: elementary school teacher by day--avid romance reader and anonymous podcaster by night. She has a quiet, reclusive life, taking care of her mother, who lives with mental illness, avoiding her regrettable ex, who bartends in town, and trying to make inroads in the tight-knit island community that still sees her, five years in, as an outsider. And she's happy with how things are--really--until British royals rent the property next to hers and their

brooding bodyguard decides she's a security threat. Piper quickly realizes that one person's fairy tale is an ordinary woman's nightmare as a media frenzy takes over the island and each run-in with Harrison Cole is hotter and more confusing than the last. But beneath Harrison's no-nonsense exterior lies a soft heart, one that could tempt a woman who's sworn off attachments into believing in white knights. But when Piper finds herself smack in the middle of a royal scandal

that rocks the island she'll need more than Harrison's strong arms to shield her--she'll have to do a little rescuing herself. With careers, hearts, and friendships on the line, Piper and Harrison will have to decide what they're willing to give up for a chance at their own happily ever after.
