Special Collector's Edition Ann Arbor : Ardis
 Orchid lives in a small cabin behind Madame Mireille's big burlesque house. There's barely room enough for herself, let alone her growing daughter. Ginger is in a similar situation, living with her young son Roger on Madame's seaside estate. It's been more than a year since Orchid has worked, and she's sincerely indebted to Madame, but she can't live in such cramped quarters much longer. When Madame Mireille takes the children for a car trip, Orchid catches a saucy burlesque performance... but the sight of her lover Petra dancing for all those leering "jerks" and holidaymakers makes her jealous

beyond belief. Perhaps Petra will join her by the seaside to remind her there are certain things the burlesque beauties only do for each other? But what about Orchid and Ginger's housing situation? They can't bring themselves to ask Madame for more space. Can precious Petra find a solution? **When Two's Not Enough** Allure Books

BILLIONAIRE ROMANCE Anna McCallister loves her billionaire real estate tycoon boss, Henry Reid, with all her heart. She loves his kindness, his innovation, his endless optimism, and his sense of humor. Not to mention the fantasies she has about him day and night. But shy, gentle Anna wouldn't dream of approaching him with her desires. She has convinced herself that he could never be interested in her, but takes every opportunity she can to be with him. On Christmas Eve, she gladly goes with him on a visit to a Catskills farmhouse that his company just completed rebuilding. There, they plan to tour the place, finish up with the construction team, and have a nice dinner with one of Henry's friends. Henry left off dating a few years ago after a horrible breakup led to his being stalked by his ex. He claims to be "picky", leaving Anna to feel that she has no chance. But when Henry's dour but attractive foreman, James Thompson, flirts with Anna openly in front of him, Henry reacts with obvious jealousy. Unfortunately this leads to his ignoring James when the man tries to warn him that a powerful snowstorm is bearing down on them. Later that night, before the pair can leave, the snowstorm hits, trapping them inside the farmhouse with only a few supplies. They have two days before they run out of the means to heat the farmhouse in the freezing weather. In the deepening cold, they share a bed for warmth...and Anna's longing catches fire when she finds herself in Henry's sleepy embrace.

Carly had always played by the rules. A hard worker and a dutiful wife, she'd resigned herself to living a sexually mediocre existence. However, all of that ended when she and her husband recently

separated. What's worse, she now finds herself on the receiving end of surprise divorce papers! Undaunted, she's decided once and for all that she deserves to live the life she wants. And, what to better symbolize that newfound zest for life than with a tattoo? After all, she's got nothing to lose anymore - or so she thinks. That is, until she meets the smoking hot owner of her local ink shop, Mitch. Will Carly's years of frustrated sexual desire be her undoing in Mitch's skilled hands **WARNING:** This 4,100 word story contains steamy sex that may be too much to handle. You've been warned! An Excerpt from the Book: I arrived at the Skin Deep Tattoo Parlor on a warm, mid-summer morning just prior to opening. In fact, the neon sign was still on. It was flashing the words "Tattoo" in hot pink and "Parlor" in the color of a blossoming orchid. How fitting I thought... I was wearing my favorite strapless pleated sundress for the occasion. Its warm yellow mineral coloring made my skin glow. And, of course, since it was short, it would allow easy access to the spot where I wanted to place my tattoo. As I peered through the window, I could see the figure of a heavily tattooed, yet incredibly good-looking man. I realized that he had caught my glance and I felt a deep warm flush overcome my body. The man motioned with his index finger as if to say, 'wait just a second', and then he began walking towards me. As he got closer to the door, a last second tsunami of self-doubt crashed over me. What am I doing? This is nuts. This just isn't me; I can't get a tattoo. But before I had a chance to turn and walk away, I heard the door unlock. I turned to look and before me stood the most delicious looking man that I've ever laid eyes upon. Oh. My. God.

Chasing Day Xcite Book

An unlikely meeting after a decade apart, a drunken Vegas wedding, a note goodbye, a broken second chance at love . . . and the wedding invitation that changes it all. The first time I saw Brinley Knox, she was crying and heartbroken at her own sweet sixteen party. The daughter of the wealthiest family in Orchid Valley, she was off limits to someone like me—the teenage charity case, the hired help. But that didn't stop me from kissing her. Or from promising if she were ever mine, I'd never let her go. The last time I saw Brinley

Knox, I made good on that promise. Forget that it was the first time we'd seen each other in ten years, or that we were drunk in Vegas when we said I do. I meant every word, every touch, every promise. The problem? When I came back to the hotel, she was gone—the ring I slipped on her finger and the note she left behind the only reminders she had been there. Well, those and the hole she left in my chest in place of my heart. We haven't spoken in the six months since, and I'm not the kind of guy who'd file for a divorce he doesn't want. But when I get the invitation to her wedding to another man, it's time to return to Orchid Valley and remind the bride-to-be that I'm a man who keeps his promises. *Every Little Piece of Me* is a sexy, standalone second-chance romance

In this anthology of never-before-published sweet LGBTQ+ stories, six authors explore the beginnings of love between young and new adult couples. *Too Tender Creamings at Once* Jody Kaye From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I

want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.
