The Writer's World addresses the diverse needs of students by meeting the needs of nonnative English speakers, visual learners and students with varying skill levels! Now, The Writer's World addresses the diverse needs of instructors! Prentice Hall is proud to offer The Writer's World: Paragraphs and Essays in four individual volumes. Developed to provide maximum

flexibility for both instructors and students, the volumes were created directly from the pages of The Writer's World: Paragraphs and Essays by Lynne Gaetz and Suneeti Phadke. Volume two, The Writer's World: Paragraph Patterns and the Essay, gives students a solid overview of the patterns of development. It also covers the parts of the essay and explains how students can apply the nine patterns of development to essay writing. Volume two may be used as a stand alone item or in conjunction with any of the other volumes.

Conversations with William Maxwell collects thirty-eight interviews, public speeches, and remarks that span five decades of the esteemed novelist and New Yorker editor's career. The interviews collectively address the entirety of Maxwell's literary work—with in-depth discussion of his short stories, essays, and novels including *They Came Like Swallows*, *The Folded Leaf*, and the American Book award-winning *So Long, See You Tomorrow*—as well as his forty-year tenure as a fiction editor working with such luminaries as John Updike, John Cheever, Eudora Welty, Vladimir Nabokov, and J.D. Salinger. Maxwell's words spoken before a crowd, some previously unpublished, pay moving tribute to literary friends and mentors, and offer reflections on the artistic life, the process of writing, and his Midwestern heritage. All retain the reserved poignancy of his fiction. The volume publishes for the first time the full transcript of Maxwell's extensive interviews with his biographer and, in an introduction, correspondence with writers including Updike and Saul Bellow,

which enlivens the stories behind his interviews and appearances.

Do your sentences sag? Could your paragraphs use a pick-me-up? If so, *The Writer's Diet* is for you! It's a short, sharp introduction to great writing that will help you energize your prose and boost your verbal fitness. Helen Sword dispenses with excessive explanations and overwrought analysis. Instead, she offers an easy-to-follow set of writing principles: use active verbs whenever possible; favor concrete language over vague abstractions; avoid long strings of prepositional phrases; employ adjectives and adverbs only when they contribute something new to the meaning of a sentence; and reduce your dependence on four pernicious "waste words": it, this, that, and there. Sword then shows the rules in action through examples from William Shakespeare, Emily Dickinson, Martin Luther King Jr., John McPhee, A. S. Byatt, Richard Dawkins, Alison Gopnik, and many more. A writing fitness test encourages you to assess your own writing and get immediate advice on addressing problem areas. While *The Writer's Diet* is as sleek and concise as the writing ideals contained within, this slim volume packs a powerful punch. With Sword's coaching writers of all levels can strengthen and tone their sentences with the stroke of a pen or the click of a mouse. As with any fitness routine, adhering to the rules requires energy and vigilance. The results, however, will speak for themselves.

This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficultly accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

*Sentences and Paragraphs* Prentice Hall DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart – to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

*The Sentences That Create Us* draws from the unique insights of over fifty justice-involved contributors and their allies to offer inspiration and resources for creating a literary life in prison. Centering in the philosophy that writers in prison can be as vibrant and capable as writers on the outside, and have much to offer readers everywhere, *The Sentences That Create Us* aims to propel

writers in prison to launch their work into the world beyond the walls, while also embracing and supporting the creative community within the walls. The *Sentences That Create Us* is a comprehensive resource writers can grow with, beginning with the foundations of creative writing. A roster of impressive contributors including Reginald Dwayne Betts (*Felon: Poems*), Mitchell S. Jackson (*Survival Math*), Wilbert Rideau (*In the Place of Justice*) and Piper Kerman (*Orange is the New Black*), among many others, address working within and around the severe institutional, emotional, psychological and physical limitations of writing prison through compelling first-person narratives. The book's authors offer pragmatic advice on editing techniques, pathways to publication, writing routines, launching incarcerated-run prison publications and writing groups, lesson plans from prison educators and next-step resources. Threaded throughout the book is the running theme of addressing lived trauma in writing, and writing's capacity to support an authentic healing journey centered in accountability and restoration. While written towards people in the justice system, this book can serve anyone seeking hard won lessons and inspiration for their own creative—and human—journey.
