Sneden's Landing townhouse, the Deputy Mayor of New York has just shot himself. Though only a flesh wound, four couples are about to experience a severe attack of Farce. Gathering for their tenth wedding anniversary, the host lies bleeding in the other room, and his wife is nowhere in sight. His lawyer, Ken, and wife, Chris, must get "the story" straight before the other guests arrive.

As the confusions and mis-communications mount, the evening spins off into classic farcical hilarity. **Barefoot in the Park** Samuel French, Inc. Barefoot in the Park A New Comedy Random House Incorporated *The Good Doctor* NYLA Neil Simon's plays are to some extent a reflection of his life, sometimes autobiographical, other times based on the experiences of those close to

him. What the reader of this warm, nostalgic memoir discovers, however, is that the plays, although grounded in Neil Simon's own experience, provide only a glimpse into the mind and soul of this very private man. In *Rewrites*, he tells of the painful discord he endured at home as a child, of his struggles to develop his talent as a writer, and of his insecurities when dealing

with what proved to be his first great success -- falling in love. Supporting players in the anecdote-filled memoir include Sid Caesar, Jerry Lewis, Walter Matthau, Robert Redford, Gwen Verdon, Bob Fosse, Maureen Stapleton, George C. Scott, Peter Sellers, and Mike Nichols. But always at center stage is his first love, his wife Joan, whose death in the early seventies devastated him, and

whose love and inspiration illuminate this remarkable and revealing self-portrait. Rewrites is rich in laughter and emotion, and filled with the memories of a sometimes sweet, sometimes bittersweet life. *The Biography* Bloomsbury Publishing A real "Boy's Own" adventure - but Barefoot over the Serengeti is factual, not fiction. It is a unique and evocative tale of childhood

adventure in a world that very few Europeans have experienced. In July 2015 David travelled his last safari accompanied by his family and hundreds of African and European friends. [A Production Study of Barefoot in the Park](#) Vintage Convinced that expensive new shoes are his ticket to playing professional basketball, a boy is stunned to find that he can be beaten by Mokey, a

poor, younger boy from Harlem who plays barefoot.

collected Arabian horses, and counted Jacqueline Kennedy, Elizabeth Taylor, Leonard Bernstein, and Richard Avedon as friends. Where he arrived is even more astonishing given where he had begun: born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he was sent along with his younger brother to America on a ship in 1939. The young immigrant boy caught very

few breaks. He was bullied and ostracized--an allergic reaction had rendered him permanently hairless--and his father died when he was just twelve, leaving his mother alone and overwhelmed. The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe--the acute powers of observation

that first made him famous; the nourishment he drew from his creative partnerships, most enduringly with May; his unquenchable drive; his hunger for security and status; and the depressions and self-medications that brought him to terrible lows. It would take decades for him to come to grips with his demons. In an incomparable portrait that follows Nichols from Berlin to New York to

Chicago to Hollywood, Mark Harris explores, with brilliantly vivid detail and insight, the life, work, struggle, and passion of an artist and man in constant motion. Among the 250 people Harris interviewed: Elaine May, Meryl Streep, Stephen Sondheim, Robert Redford, Glenn Close, Tom Hanks, Candice Bergen, Emma Thompson, Annette Bening, Natalie Portman, Julia

Roberts, Lorne Michaels, and Gloria Steinem. Mark Harris gives an intimate and evenhanded accounting of success and failure alike; the portrait is not always flattering, but its ultimate impact is to present the full story of one of the most richly interesting, complicated, and consequential figures the worlds of theater and motion pictures have ever seen. It is a triumph of the

biographer's art.
