Mekeel's Weekly Stamp News Doubleday Books

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The Stamp Collector's Magazine Macmillan + ORM

This catalogue of United States postage stamps, stamped envelopes, specimen stamps, and proofs is published with the view of acquainting philatelists with what the Museum desires the Government collection of United States stamps to represent when completed.

Collect Postage Stamps of the U.S. Smithsonian Institution

The most comprehensive annual price guide on the market covers stamps from 1847 to the present.

- Over 2,000 stamps with photos and current prices - 8-page full-color insert - Stamp terminology,

tools of the trade, important advice on buying and selling - Hundreds of listings of stamp

publications, clubs, and associations

United States Postage Stamps Collins Reference

On April 4, 2002, the Postal Service released a commemorative set of postal stamps honoring the 50

states. The set was called "Greetings From America." Now, with this nifty cardstock collector's kit,

kids can store those stamps inside small acetate pockets for safekeeping. Along the way, they'll

learn about stamp collecting techniques (parts of a stamp, handling, grading, etc.) and important

nuggets of United States state trivia.

The Postal Service Guide to U.S. Stamps Penguin

Popular Mechanics inspires, instructs and influences readers to help them master the modern world.

Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on

the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech

lifestyle.

Stamp Collectors' Handbook House of Collectibles

Featuring more than 1,000 color pictures and current pricing, this dynamic field guide is the most

complete and compact guide to U.S. stamps on the market.

The Postage Stamps of the United States

DISCOVER THE INCREDIBLE STORY OF AMERICA THROUGH ITS BEAUTIFUL AND DIVERSE POSTAGE

STAMPS IN THIS EXUBERANT AND ALWAYS CHARMING HISTORY. In A History of America in Thirty-six

Postage Stamps, Chris West explores America's own rich philatelic history. From George

Washington's dour gaze to the charging buffalo of the western frontier and Lindbergh's soaring

biplane, American stamps are a vivid window into our country's extraordinary and distinctive past.

With the always accessible and spirited West as your guide, discover the remarkable breadth of

America's short history through a fresh lens. On their own, stamps can be curiosities, even artistic

marvels; in this book, stamps become a window into the larger sweep of history.

The Philatelic Journal of America

Every stamp and piece of mail tells a story. In fact, each often tells multiple stories, ranging from

concept to art design to production to usage, often with tales of politics, history, technology,

biography, genealogy, economics, geography, disaster, and triumph. The lens of philately offers a

fresh and engaging story of American history, culture, and identity, and it can also help deepen the

understanding of world cultures. The William H. Gross Stamp Gallery, opened at the Smithsonian

National Postal Museum in September 2013, has many such stories to tell. Chief philately curator Cheryl R. Ganz guides readers through some of the gallery's nearly 20,000 objects that together illustrate the history of our nation's postal operations and postage stamps.

An American History Album

A well-illustrated survey of American history that looks at the events the US Postal Service chose to celebrate. The authors trace more than 50 themes, all illustrated by stamps and photographs, and tell the stories behind them.

The Postal Service Guide to U.S. Stamps

The most comprehensive introduction and guide to collecting U.S. stamps ever written. It opens the

hobby to a new generation of collectors, and serves as a treasured reference for established ones.

This book, which supplements and transcends a catalog, provides the reader with a vast array of

information about United States stamps, as well as many practical tips and suggestions for collecting

them. There s over 300 years of American history carefully written and designed to appeal to

collectors of all ages, and levels of interest. Kirk House Publishers is pleased to present this unique

resource as a salute to these fascinating and highly collectible tiny pieces of paper and to the men

and women who collect them.

How to Collect Stamps

Describes different types of stamps--regular issues, commemoratives, air mail, special delivery, etc.-

-and gives the history of the personalities and scenes preserved on such stamps. Includes a catalog

of current prices for over 200 of the most valuable U.S. stamps.

The World's Chronicle

Discusses where and how to obtain stamps; tools, accessories, catalogues, and albums;

identification of stamps; and the history of stamps. Includes a dictionary of terms.

Official Blackbook Price Guide to United States Postage Stamps

Popular Mechanics inspires, instructs and influences readers to help them master the modern world.

Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on

the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech

lifestyle.

Birds and Flowers of the Fifty States

Now in its 37th edition, The Postal Service Guide to U.S. Stamps is an indispensable handbook for

philatelists and hobbyists everywhere. The only fully-illustrated, four-color guide to U.S. stamps, this

official publication from the United States Postal Service provides the most comprehensive

information available about the U.S. stamp program and its vivid history. Every category of U.S.

stamp is included--definitive, commemorative, airmail, duck stamps, and stamped envelopes--and

the book is organized into easy-to-use, color-coded sections for quick access.

U. S. Stamps

By relating in detail the story behind each commemorative stamp, this book enhances the collector's

enjoyment of his stamps. To the student of American history who is not a collector, the book offers

an illustrated record of memorable events and outstanding Americans.

Popular Mechanics

In 2002, the Postal Service released a commemorative set of stamps honoring the 50 states called

"Greetings From America." Now, with this cardstock collector's kit, kids can store those stamps

inside small acetate pockets for safekeeping. Consumable.

Postage Stamps of the United States

An introduction to collecting United States stamps by such topics as architecture, ships,

Revolutionary War, explorers, and scientists.

The American Philatelist

A well-illustrated history of U.S. postage stamps.

Weekly Philatelic Gossip

A comprehensive introduction and guide to collecting U.S. stamps.
