A new play from an award-winning playwright, published as part of the innovative Abbey Theatre playscript series On the day of her father's funeral, Eva - a young woman - is still haunted by the betrayal she witnessed from her childhood haven - the treehouse in the garden. On the same day another woman, Magda, relives the ghosts of another hiding place and a different betrayal - ghosts from which she still seeks forgiveness. Interweaving lives and secrets Treehouses is a magical tale of refuge, treachery and of love lost and found.

A practical guide for teachers, counsellors, caseworkers and parents Frank Brothers

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by

explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

Charlaine Harris' #1 New York Times bestselling Sookie Stackhouse novels are a cultural phenomenon, spawning a blockbuster TV show and enthralled millions of devoted fans around the world. Here, Harris and co-editor Toni L.P. Kelner invite a cadre of authors to delve deeper into the shadows of Bon Temps with fifteen short stories set in the world of Sookie Stackhouse ranging from the dramatic to the delightful. Just some of the stories you'll experience within include... Purely platonic police officers Kevin Pryor and Kenya Jones find themselves out of their jurisdiction and out of luck when their pursuit of a blood-poisoned killer vampire leads them into the realm of the undead criminal underworld in Rachel Caine's "Nobody's Business." In Leigh Evans' hilarious "Extreme Makeover Vamp Edition," uber-fashionable reality TV hosts Todd Seabrook and Bev Leveto are recruited by Eric Northman to do the impossible: bestow a whole new look upon a his very old, very unwilling, and very cranky vampiric bride-to-be... Vampire Bubba may not be King of Rock 'n Roll anymore, but he knows enough to know he isn't exactly the brightest bulb on the bayou. Unfortunately, he proves himself all too right when, in the middle of an important rescue mission, he gets sidetracked in Bill Crider's "Don't Be Cruel." At Christmastime, fast-talking half-demon Diantha is tasked by her Uncle Desmond to look into why his favored mortal, Sookie, isn't decking the halls—and soon discovers that someone is trying to make the holidays a big humbug in "The Real Santa Claus" by Leigh Perry. Full of magic, fierce creatures, and insatiable desires, this collection of short stories set in the world of Sookie Stackhouse will have fans clamoring for more.

Learn how to migrate your SAP data to Azure simply and successfully. Key Features Learn why Azure is suitable for business-critical systems Understand how to migrate your SAP infrastructure to Azure Use Lift & shift migration, Lift & migrate, Lift & migrate to HANA, or Lift & transform to S/4HANA Book Description Cloud technologies have now reached a level where even the most critical business systems can run on them. For most organizations SAP is the key business system. If SAP is unavailable for any reason then potentially your business stops. Because of this, it is understandable that you will be concerned whether such a critical system can run in the public cloud. However, the days when you truly ran your IT system on-premises have long since gone. Most organizations have been getting rid of their own data centers and increasingly moving to co-location facilities. In this context the public cloud is nothing more than an additional virtual data center connected to your existing network. There are typically two main reasons why you may consider migrating SAP to Azure: You need to replace the infrastructure that is currently running SAP, or you want to migrate SAP to a new database. Depending on your goal SAP offers different migration paths. You can decide either to migrate the current workload to Azure as-is, or to combine it with changing the database and execute both activities as a single step. *SAP on Azure Implementation Guide* covers the main migration options to lead you through migrating your SAP data to Azure simply and successfully. What you will learn Successfully migrate your SAP infrastructure to Azure Understand the security benefits of Azure See how Azure can scale to meet the most demanding of business needs Ensure your SAP infrastructure maintains high availability Increase business agility through cloud capabilities Leverage cloud-native capabilities to enhance SAP Who this book is for *SAP on Azure Implementation Guide* is designed to benefit existing SAP architects looking to migrate their SAP infrastructure to Azure. Whether you are an architect implementing the migration or an IT decision maker evaluating the benefits of migration, this book is for you.

And Living a Better Life The Bright Side of Chess

Four Women. Four Confessions. One Murder. Something has gone terribly wrong at the Banks wedding. A man is dead. Four different women rush to offer confessions, each insisting that they committed the crime — alone. Ginger is holding her family together by a thread, and this wedding weekend is not the fabulous getaway she anticipated. Kate has enough money to buy her way out of anything. Well, almost anything. Emily can't shake her reputation or her memories, and she's planning to drown this whole vacation in a bottle. Lulu's got ex-husbands to spare, and another on the way — as soon as she figures out what the devil the current husband is up to behind her back. Why would they confess to the same murder? Only they know — and they're not telling. This page-turning novel explores the depths of friendship and the truths we love to ignore.

Book 2 of The Survivalist Series No electricity. No running water. No food. No end in sight. If life as you knew it changed in an instant, would you be prepared? In A. American's first novel, *Going Home*, readers were introduced to Morgan Carter, the resourceful, tough-as-nails survivalist who embarks on a treacherous 250-mile journey across Florida following the collapse of the nation's power grid. Now reunited with his loving wife and daughters in this follow-up to *Going Home*, Morgan knows that their happiness is fleeting, as the worst is yet to come. Though for years Morgan has been diligently preparing for emergency situations, many of his neighbors are completely unready for life in this strange new world--and they're starting to get restless. With the help of his closest companions, Morgan fights to keep his home secure--only to discover shocking information about the state of the nation in the process. Fans of James Wesley Rawles, William R. Forstchen's *One Second After*, and *The End* by G. Michael Hopf will revel in A. American's apocalyptic tale.

Physical Asset Management Handbook TokyoPop

A delicious and all new reimagining of Lauren Blakely's original fake fiancé romance! I don't mean to just blurt it out. "Why, yes I'm engaged!" But once I say it to a potential client, there's only one logical thing to do -- cast the role of my fake fiancé. Easy enough. As a casting director, my job is to find the most talented players for every part, so I choose dreamy, edgy, sexy, sarcastic Reeve. And I sign him up for one week in the role of mine. It's not

as if I'll fall for him in five nights even if we get a little cozy one night at theater. It's not as if I'll want more even after a scorching afternoon in the stacks of the New York Public Library. I can't let myself fall because on Friday at midnight the curtain drops on our fake romance . . . The *Pretending Plot* is a reimagining of the 2013 story *Pretending He's Mine* (no longer available for sale). The *Pretending Plot* has been rewritten in first person and expanded from a novella to novel length!

INSPIRED by the slogan "Nothing but fun," this is a gay, light -hearted book. There is many a chuckle in the epigrams by, and anecdotes about, great masters. The "bright games" are quick and clever - sharp duels of nimble minds, with annotations that highlight the fine points. The magical problems, endings and "flights of fancy" are all special favorites with Chernev - the kind he treasures in his famous little black book. Most attractive of all: Chernev's candidates for the 15 most beautiful games of all time.
