JournalParable of the Forgotten
Jarvis Langton is an unborn-again Christian living on the fringe. He's not big on life and has tried to finish his own twice. Still, most mornings, he quite likes to

sun himself at Sydney's Royal Botanic Gardens. One morning he notices something winking at him from a nearby bush. When he investigates he finds the dead body of his friend, Lady; a Thai transvestite. Jarvis is not someone with his thoughts lined up in any reasonable order. It takes him a while to work out Lady must have been murdered. It takes him longer to decide he's going to find

her killer - but once he does, the premonition that finding Lady's murderer will bring him his own end, happens in an instant. "Parable of the Forgotten is a first class, no rest-stop, brilliant, whirly gig!" Dr She Mackenzie Hawke, University Of Sydney. **Pliers (wire Twister).** Harvard University Press Jaadeh! is the highly-anticipated sequel to Robtel Neajai Pailey's

Breast Tumours

Macmillan

The Unquiet Dead author Ausma Zehanat Khan once again dazzles in *The Language of Secrets*, a brilliant mystery woven into a profound and intimate story of humanity. Detective Esa

Khattak heads up Canada's Community Policing Section, which handles minority-sensitive cases across all levels of law enforcement. Khattak is still under scrutiny for his last case, so he's surprised when INSET, Canada's national security team, calls him in on another politically sensitive issue. For months, INSET has been investigating a local terrorist cell which is planning an

attack on New Year's Day. INSET had an informant, Mohsin Dar, undercover inside the cell. But now, just weeks before the attack, Mohsin has been murdered at the group's training camp deep in the woods. INSET wants Khattak to give the appearance of investigating Mohsin's death, and then to bury the lead. They can't risk exposing their operation, or Mohsin's role in it. But Khattak used to know

Mohsin, and he knows he can't just let this murder slide. So Khattak sends his partner, Detective Rachel Getty, undercover into the unsuspecting mosque which houses the terrorist cell. As Rachel tentatively reaches out into the unfamiliar world of Islam, and begins developing relationships with the people of the mosque and the terrorist cell within it, the potential reasons for Mohsin's

murder only seem to multiply, from the political and ideological to the intensely personal. Manga Melech Tauris Parke Paperbacks
