Psychologists have long known that every person has two great longings and inward needs. The first is to be loved, and the second is to love. But when pressures and heartaches come into our lives, many give up any hope of ever finding love. The tragedy is that we often look in the wrong places to fill this deep need and longing. Some substitute lust for love. Others pursue material things or superficial relationships--all in the futile attempt to fill a God-shaped vacuum in the human heart. But there is good news! There is a love worth finding and a love worth sharing. The Bible says, "For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life" (John 3:16). On the cross of Christ, God's mighty love was revealed and offered unconditionally to all who would be saved. Do you long to know this mighty love? Then I need to ask you the most important question you'll ever be asked: Do you know beyond a shadow of a doubt that God loves you, that your sins are forgiven, and that you are saved and on your way to heaven? The great news is, you can know! Let me

share with you how to discover the greatest love worth finding. Admit Your Sin. First, you must admit that you are a sinner. The Bible says, "None is righteous, no, not one. . . . For all have sinned and fall short of the glory of God" (Romans 3:10, 23). It is our sin that separates us from God and from fulfilling our deepest needs and longings. Sin is an offense against God that carries a serious penalty. According to Romans 6:23, "The wages of sin is death [eternal separation from the love and mercy of God]." Abandon Your Efforts. Second, you must abandon any efforts to save yourself. If we could save ourselves, Jesus's death would have been unnecessary! Even "getting religion" cannot get you to heaven. The Bible says it is "not because of works done by us in righteousness, but according to his mercy" that we are saved (Titus 3:5). Salvation is by God's grace, "not a result of works, so that no one may boast" (Ephesians 2:8-9). Acknowledge Christ's Payment. What you cannot do for yourself, Jesus Christ has done for you! "But God shows his love toward us in that while we were still sinners, Christ died for us" (Romans 5:8). He died on the cross for you and then rose from the dead to prove that his payment was acceptable to God. But you must acknowledge and believe this fact. "Believe in the Lord Jesus, and you will be saved" (Acts 16:31). Accept Christ as your Savior. Salvation is

God's gift to you. "The free gift of God is eternal life in Christ Jesus our Lord" (Romans 6:23). When someone offers you a priceless gift, the wisest thing you can do is accept it! This very moment, you can receive Christ's gift of salvation by sincerely praying this simple prayer from your heart: Dear God, I know that I am a sinner. I know that you love me and want to save me. Jesus, I believe you are the Son of God, who died on the cross to pay for my sins. I believe God raised you from the dead. I now turn from my sin and, by faith, receive you as my personal Lord and Savior. Come into my heart, forgive my sins, and save me, Lord Jesus. In your name I pray. Amen.

In the first book from popular Golf Channel analyst Brandel Chamblee, the network's "resident scholar and critic" (The New York Times) explores the common swing positions of the greatest players throughout history—and reveals how those commonalities can help players of every skill level improve our own games. Every golf game begins with the swing, and no two are identical. Years ago, however, Brandel Chamblee, the highly regarded Golf Channel analyst and former PGA Tour professional, noticed that the best players of all time have shared similar positions in each part of the swing, from the grip and setup to the footwork, backswing, and follow-through. Since then, Chamblee, a student of game's history, has used scientific precision and thoroughness to make a study of the common swing positions of the greats. Now, in *The Anatomy of Greatness*, he reveals what he has learned, offers hundreds of photographs as his proof, to show us how we can easily incorporate his findings into our own swings to hit the ball farther, straighter, and more consistently. What does it tell us that the majority of the greats—from Jack Nicklaus and Byron Nelson to modern masters like Tiger Woods—employ a "strong" grip on the club? How did legends like Ben Hogan, Sam Snead, Mickey Wright, and Gary Player unlock hidden power and control by "turning in" the right knee at address? Why are some modern teachers preaching "quiet" footwork when forty-eight of the top fifty golfers of all time lifted their left heels on the backswing, allowing them to build power? At the same time that Chamblee is extolling certain swing virtues, he also debunks a number of popular—but misguided—swing philosophies that have been hindering golfers for years. The result is perhaps the best and clearest explanation of how to hit a golf ball ever published. *The Anatomy of Greatness* is a book that golfers can take to the driving range and use Chamblee's clear explanations to build better swings—and get more speed and consistency into their swings—immediately. It is like having a series of private lessons from the best golfers of all time, and it will help golfers build swings that make the game easier and more fun.

Put your flawed foot forward. Pick up most leadership books and you'll find strategies for leveraging your power and minimizing your areas of weakness. But think about the leaders whose

names have gone down in history. Most of them were so messed up that, if they were looking for work today, no executive placement service would give them the time of day. God's criteria for choosing leaders runs counter to the conventional wisdom. Our culture equates strength with effectiveness, but God favors leaders who know the value of brokenness. In *Leading With a Limp*, you'll discover what makes flawed leaders so successful. They're not preoccupied with protecting their image, they are undaunted by chaos and complexity, they are ready to risk failure in moving an organization from what is to what should be. God chooses leaders who aren't deceived by the myths of power and control, but who realize that God's power is found in brokenness. If you are a leader—or if you have been making excuses to avoid leading—find out how you can take full advantage of your weakness. A limping leader is the person God uses to accomplish amazing things. To go deeper, check out the *Leading With a Limp Workbook*.

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

How the gospel will transform your kids, your church, your community, and the world Boydell & Brewer

It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by Cityteam disciple-makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, contagious disciple-making takes time to cultivate

spiritual leadership, resulting in lasting disciple-making movements. Through *Contagious Disciple Making* readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field Practical techniques to equip others to make disciples *What it Truly Means to Be a Christian--Collected Insights from A. W. Tozer* Routledge

Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide. This is why the *Workers-in-Training* programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen

This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, *Questions on Doctrine* was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of *Questions on Doctrine*, with in-text indicators of the original

pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is included in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of *Question on Doctrine* beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library.

The growth of Bantu Churches has been a marked feature of religious development in South Africa. In his study, Dr. Sundkler traces the development of the Bantu Churches, which seceded from the Missions or split amongst themselves. The author gives a account of the life and aspirations of these purely Bantu churches and of their leaders. Dr. Sundkler's study is concentrated on the contact which took place in these churches between the old heritage of the people and the new message of the Christian Gospel.
