If self-help isn't getting you anywhere, it's time for God's power! Have you grown accustomed to bad habits, written off lifelong battles as unwinnable, or believed that some destructive behaviors can never be altered? Then *The 7 Resolutions* is for you. This book will teach you how to overthrow old patterns, create new life systems, and take hold of God's promises. Resolve to: Join God Think Truth Kill Sin Choose Friends Take Risks Focus Effort Redeem Time Never settle for too little. The time is now for humble dependence on God and a plan to walk in His power. It's time to come alive!

My Secrets of Beauty Simon and Schuster

DIVDIVUSA Today–bestselling author Nan Ryan delivers the intensely passionate, spellbinding story of a man driven by revenge, a woman consumed by desire, and a love that transcends the enmity dividing them./divDIV The Indian stood naked in the sunlight./divDIV To the world, he is the half-breed Luiz Quintano. But to Amy Sullivan, he is Tonatiuh, the magnificent son of a Spanish grandee and an Aztec princess—and she has worshipped him since girlhood. After five years at a New Orleans finishing school, Amy is finally coming home to her family's sprawling Texas ranch—and the man she loves. Until a night of passionate reunion erupts in shattering violence, forcing them to part as bitter enemies./divDIV Tonatiuh has waited a decade to take his revenge on the family who almost succeeded in destroying him. His triumphant return as the feared military commander El Capitán is only the first step in his plan. But after he makes Amy his captive, he once again falls prey to her sensual charms. As passion reignites, Tonatiuh is consumed by the need to reclaim the woman who betrayed him, the woman he will hate—and love—for the rest of his life./divDIV/div/div

Fractured Faith Peachpit Press

* 2018 "12 best books to give this holiday season" —TODAY (Elizabeth Acevedo) * A "Best Book of 2017" —Rolling Stone (2018), NPR, Buzzfeed, Paste Magazine, Esquire, Chicago Tribune, Vol. 1 Brooklyn, CBC, Stereogum, National Post, Entropy, Heavy, Book Riot, Chicago Review of Books, The Los Angeles Review, Michigan Daily * American Booksellers Association (ABA) 'December 2017 Indie Next List Great Reads' * Midwest Indie Bestseller In an age of confusion, fear, and loss, Hanif Abdurraqib's is a voice that matters. Whether he's attending a Bruce Springsteen concert the day after visiting Michael Brown's grave, or discussing public displays of affection at a Carly Rae Jepsen show, he writes with a poignancy and magnetism that resonates profoundly. In the wake of the nightclub attacks in Paris, he recalls how he sought refuge as a teenager in music, at shows, and wonders whether the next generation of young Muslims will not be afforded that opportunity now. While discussing the everyday threat to the lives of Black Americans, Abdurraqib recounts the first time he was ordered to the ground by police officers: for attempting to enter his own car. In essays that have been published by the New York Times, MTV, and Pitchfork, among others—along with original, previously unreleased essays—Abdurraqib uses music and culture as a lens through which

to view our world, so that we might better understand ourselves, and in so doing proves himself a bellwether for our times.

The Border of Lights Reader Liverpool University Press

This account of the renowned composer's neglected wife—including her years in a Soviet prison—is “a story both riveting and wrenching” (Kirkus Reviews, starred review). Serge Prokofiev was one of the twentieth century's most brilliant composers yet is an enigma to historians and his fans. Why did he leave the West and move to the Soviet Union despite Stalin's crimes? Why did his astonishing creativity in the 1930s soon dissolve into a far less inspiring output in his later years? The answers can finally be revealed, thanks to Simon Morrison's unique and unfettered access to the family's voluminous papers and his ability to reconstruct the tragic, riveting life of the composer's wife, Lina. Morrison's portrait of the marriage of Lina and Serge Prokofiev is the story of a remarkable woman who fought for survival in the face of unbearable betrayal and despair and of the irresistibly talented but heartlessly self-absorbed musician she married. Born to a Spanish father and Russian mother in Madrid at the end of the nineteenth century and raised in Brooklyn, Lina fell in love with a rising-star composer—and defied convention to be with him, courting public censure. She devoted her life to Serge and art, training to be an operatic soprano and following her brilliant husband to Stalin's Russia. Just as Serge found initial acclaim—before becoming constricted by the harsh doctrine of socialist-realist music—Lina was at first accepted and later scorned, ending her singing career. Serge abandoned her and took up with another woman. Finally, Lina was arrested and shipped off to the gulag in 1948. She would be held in captivity for eight awful years. Meanwhile, Serge found himself the tool of an evil regime to which he was forced to accommodate himself. The contrast between Lina and Serge is one of strength and perseverance versus utter self-absorption, a remarkable human drama that draws on the forces of art, sacrifice, and the struggle against oppression. Readers will never forget the tragic drama of Lina's life, and never listen to Serge's music in quite the same way again.

Media and Culture with 2013 Update Moody Publishers

Today's media landscape is changing faster than ever, and students are experiencing these developments firsthand. *Media & Culture* pulls back the curtain on the media and shows students what all these new trends and developments really mean — giving students the deeper insight and context they need to become informed media critics. The 2013 Update also includes the must-cover events and trends students need to know to become informed media consumers and critics — from social media's influence on political events like the Occupy Wall Street movement and the Arab Spring revolutions and what the News Corp. phone-hacking scandal means for journalism to the continued growth of television streaming and apps and the advent of tablet-only newspapers. Read the preface.

The Art of German Cooking and Baking Amherst College Press

SINAI is the peninsula, triangular in form, which projects into the Red Sea between Egypt and Arabia. The name used to be applied to the mountainous region of the south, now it is made to comprise the

land as far north as the Mediterranean. Sinai is famous for the part which it has played in the religious history of mankind. It was at one time a centre of moon-cult, before it became the seat of the promulgation of the Law to the Jews at the time of Moses. In Christian times it was one of the chief homes of the hermits, and the possession of the relics of St. Katherine in the great convent of the south, caused Sinai to be included in the Long Pilgrimage throughout the Middle Ages. A history of Sinai deals with the people who visited the peninsula at different times, rather than with its permanent inhabitants, who, in the course of centuries, seem to have undergone little change. They still live the life of the huntsman and the herdsman as in the days of Ishmael, sleeping in the open, and adding to their meagre resources by carrying dates and charcoal to the nearest centres of intercourse, in return for which they receive corn. The country geographically belongs to Egypt, ethnologically to Arabia. It falls into three regions. In the north, following the coast line of the Mediterranean, lies a zone of drift sand, narrowest near Rafa on the borders of Palestine, widening as it is prolonged in a westerly direction towards Egypt, where it is conterminous with the present Suez Canal. This desert was known in Biblical days as Shur (the wall) of Egypt. "And Saul smote the Amalekites from Havilah (north Arabia), until thou comest to Shur that is over against Egypt" (1 Sam. xv. 7). The military highway from Egypt to Syria from ancient times followed the coast line of the Mediterranean, the settlements along which were modified on one side by the encroachment of the sea, on the other by the invasion of sand. Adjoining this zone of drift sand, the land extends south with increased elevation to the centre of the peninsula, where it reaches a height of about 4000 ft., and abruptly breaks off in a series of lofty and inaccessible cliffs, the upper white limestone of which contrasts brilliantly in some places with the lower red sandstone. This region is, for the most part, waterless and bare. It is known in modern parlance as the Badiet T"ah (the plain of wandering). Its notable heights include the Gebel el Ejneh and the Gebel Emreikah. This plain is drained in the direction of the Mediterranean by the great Wadi el Arish and its numerous feeders, which, like most rivers of Sinai, are mountain torrents, dry during the greater part of the year, and on occasion like the fiumare of Italy, flowing in a spate. The Wadi el Arish is the River of Egypt of the Bible (Gen. xv. 18; Num. xxxiv. 5), the Nahal Muzur of the annals of King Esarhaddon.

This book constitutes the refereed proceedings of the 8th EAI International Conference on IoT as a Service, IoTaaS 2022 was held virtually due to the COVID-19 crisis. The 17 full papers and 10 short papers included in this book were carefully reviewed and selected from 50 submissions. They were organized in topical sections as follows: Next generation wireless networks, Internet of Things, Artificial Intelligence, Wireless Communications, Vehicular Networks, Resource Optimization, Satellite communications and Machine Learning, Network Security.

Resolved Atlantic Books

The year is 2012. Earth has fallen into a new calamity. Waves of monsters have risen to ravage the great cities. Humanity is mutating to become ogres, their basic instincts overridden for a singular cause: to conquer the world. The familiar sense has returned. This is not what is supposed to happen. Our history books do not record such an event occurring, yet it is. The war is seemingly hopeless as the ogres are unstoppable. But there is hope. Rumors persist of mythical creatures, monsters that fight for the human cause. They appear and disappear at random, capable of

decimating the ogre ranks. Yet, in the enemy armies, there are the whispers of a singular leader who rules them all, perhaps the one responsible for starting all of it. A lone human woman fights for her people as Paris burns. It will be up to her and the mythics to solve the mysteries that lie from where the mutagen occurred and perhaps save humanity from annihilation.... Tales of Heroes is a fantasy and historical story woven into one, consisting of several stories in one book. It is a book of love, drama, action, and sex between those that are human and anthro-alike. Helsing and the Tales of Heroes continues after the events of Ayida-Weddo and the Tales of Heroes. <https://www.gabatrix.net> (Main Website) <https://www.patreon.com/TheUniverseofCMed> <https://gofund.me/44b20522> (Gofundme Audiobook Project)

After your faith has fractured, let what takes its place be the real thing . . . at last. Somewhere along the way, the Christianity you knew began to crumble. You began to suspect your faith was misplaced. Disillusionment set in. Churches hurt you. Their people failed you. Christian institutions were exposed as fake. And in it all, God was silent. Is He gone? Or is God really there, waiting for you to find Him instead of the counterfeits? If you're walking this difficult spiritual path, Lina Abujamra understands you. After experiencing the near deconstruction of her own faith, Lina had to rebuild something more solid when the faith she once knew let her down. With her diagnostic style that comes from her training as an ER doc, Lina helps you grapple with questions like: Where is God in my pain? Is this how Christians are supposed to act? Why did my story end up this way? Is this the

normal Christian life? Why is it so hard for Christians to love? Let Fractured Faith help you find your way back to God. You just might discover that the real God has been waiting for you all along.

The 7 Resolutions Hueber Verlag

Ten Practical Resolutions to Stand Strong in the Shifting Sands of Culture We all face seasons in our lives when our circumstances seem out of our control and all the forces in this world seem against us. We become discouraged and afraid. We are tempted to give up. No matter how strong we claim our faith in God is, when life is hard, it all comes down to resolve. Do we really believe what we say we believe? And does what we profess with our lips make it beyond intellectual assent and into our everyday actions? Both challenging and encouraging, *Resolved* unpacks ten life-impacting resolutions that every follower of Jesus Christ must make in order to stand strong in the shifting sands of our culture. It helps readers who long to exhibit authentic lives understand and eliminate the disconnect between what we say we believe and how we live. And it offers biblical strategies for change that will allow us to stand strong--no matter what. Endorsement "Abujamra challenges us to live out our faith in the real world when things do not go as we wish."--Gary D. Chapman, PhD, bestselling author of *The Five Love Languages* and *Love as a Way of Life*

Tired of feeling sorry for yourself? Sick of answering the same old questions about why you still haven't found your perfect match? Despite what many people think, singleness is not a disease. It's not the lesser option. Singleness is God's gift to you today. In *Thrive*, Lina Abujamra - who has been single for over 40 years - will show you how you can make a difference with your life right now instead of sitting around waiting for something to happen to you. If you're ready to figure out what God has to say about singleness instead of relying on your own feelings and conclusions, this book is for you. Isn't it time you get excited about your life in Christ and quit falling back into the same old pattern of thinking? Freedom. Joy. Abundance. Hope. All these are yours the moment you embrace all that God has for you right here right now. Go ahead. It's okay to smile. Life as a single Christian is good.

IoT Security Balboa Press

NEVER BE ALONE AGAIN: How Bloghouse United the Internet and the Dancefloor is the first book dedicated to the music and Internet culture in the early 2000s known as bloghouse. With a foreword by DJ/producer A-Trak the book includes over 50 original interviews with musicians, bloggers, music industry professionals, and party people from around the world including Steve Aoki, The Bloody

Beetroots, Girl Talk, The Cobra Snake, Chromeo, Flosstradamus, The Cool Kids, MySpace Music, MSTRKRFT, and Simian Mobile Disco. *NEVER BE ALONE AGAIN* chronicles the rise of the DJ-slash-It Girl, roaming party photography, illegal Mp3 file sharing, canonical scene reports of bloghouse capitals Los Angeles and Paris, the overlooked impact of suburban Latino communities on nightlife, Kanye West's contribution to the movement, and the slow death of the blog itself.

A History of Sinai Moody Publishers

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com

Helsing and the Tales of Heroes Legare Street Press

Border of Lights, a volunteer collective, returns each October to Dominican-Haitian border towns to bear witness to the 1937 Haitian Massacre ordered by Dominican dictator Rafael Leónidas Trujillo. This crime against humanity has never been acknowledged by the Dominican government and no memorial exists for its victims. A multimodal, multi-vocal space for activists, artists, scholars, and others connected to the BOL movement, *The Border of Lights Reader* provides an alternative to the dominant narrative that positions Dominicans and Haitians as eternal adversaries and ignores cross-border and collaborative histories. This innovative anthology asks large-scale, universal questions regarding historical memory and revisionism that countries around the world grapple with today. "By bringing together in one volume poetry, visual arts, literary analysis, in-depth interviews and historical analysis this volume will provide its readers with a comprehensive view of the causes and the aftermath of the massacre." —Ramón Antonio Victoriano-Martínez, University of British Columbia
