 Warner Books (NY)
 The former good girl who became the star of Deep Throat tells the horrifying true story of her life on and off camera in this shocking tell-all memoir. Linda Boreman was just twenty-one when she met Chuck Traynor, the man who would change her life. Less than two years later, the girl who

wouldn't let her high school dates get past first base was catapulted to fame as an adult film superstar. Linda Boreman of Yonkers, New York, had become Linda Lovelace. The unprecedented success of Deep Throat made pornography popular with mainstream audiences and made Lovelace a household name. But nobody, from the A-list celebrities who touted the movie to the audiences that lined up to see it, knew the truth about what went on behind the scenes. Taken prisoner by her sado-masochistic manager, Linda was forced into a marriage of savage beatings, hypnotism, and rape. She was terrorized into prostitution at gunpoint and forced to perform unspeakable perversions on film. Years later, when Linda came out of hiding to tell her story, the revelations rocked the porn industry in ways that made her fear for her life.

 John Chambers was brought up on Belfast's notorious Loyalist Glencairn estate, during the height of the Troubles. From an early age he witnessed violence, hatred and horror as Northern Ireland tore itself apart in civil strife. Kneecapping, brutal murders, and even public tarring-and-feathering were simply a fact of life for the children on the estate. He thought he knew which side he was on, but although raised as a Loyalist, he was hiding a troubling secret: that his disappeared mother - whom he'd always been told was dead - was a Roman Catholic, 'the enemy'. In a memoir of rare power, John explores the dark heart of Northern Irish sectarianism in the seventies and eighties. With searing honesty and native Belfast wit, he describes the light and darkness of his unique childhood, and his teenage journey through mod culture and ultra-Loyalism, before an

escape from Belfast to London - where, still haunted by the shadow of his fractured family history - he began a turbulent and hedonistic adulthood. A Belfast Child is a tale of divided loyalties, dark secrets and the scars left by hatred and violence on a proud city - but also a story of hope, healing and ultimate redemption for a family caught in the rising tide of the Troubles.

The Devil Made Me Do It Simon and Schuster Georgina Spelvin tells in her own words how she became an erotic film star with the making of "The Devil in Miss Jones" in 1972, and reveals, after thirty years, what happened to her after that.

The Bone Forest It Books A raucous and revealing oral history of the birth of the adult film industry, *The Other Hollywood* peels back the candy coating to let the true story be told -- by the stars, movie makers, and other industry players who lived it. And what a story it is: Through

hundreds of original interviews, contemporary newspaper accounts, police reports, court testimony, and more, Legs McNeil and coauthors Jennifer Osborne and Peter Pavia trace today's billion-dollar industry from its makeshift, mob-connected origins to the Internet age. Along the way we encounter porn stars such as Linda Lovelace, John Holmes, Traci Lords, and Savannah -- along with countless mainstream stars, politicians, FBI agents, and more. Epic, hilarious, and moving, *The Other Hollywood* contributes to the porn industry the one thing missing in all previous accounts: a vivid, tragicomic, irresistible humanity. Though I never worked with her on film I did work with her in other ways. She was sweet, engaging, thoughtful to her fans and just a real down to earth woman. I miss her very much." - Seka "With her starring role is Rabid, her Ivory Snow escapade, and her incredibly HOT performances in Adult with her naturally slender, muscular physique, Marilyn rose to fame quickly. The Story of the First Black Woman in

Congress BearManor Media

The world is fascinated by sex and the sex industry. In the last 20 years, we have seen X-rated movies go from a theater in the worst part of town to our own VCRs and on the menu of expensive hotels as in-room entertainment. Its stars have gone from being virtual unknowns in the early 70s to doing appearances on Jay Leno and television talk shows. The adult film business has grown by leaps and bounds. In 1984 alone

more people rented or bought an X-rated movie than voted for Ronald Regan. In this book, I have given the reader an uncensored, inside look at all the workings of the sex industry from movies and magazines to mens clubs and all the emotions that go along with it. By reading these excerpts from my personal diary, I share with you the anger, elation, sadness and fear that have comprised my life. I give an inside look at the many famous people Ive met and their personal quirks. As the first Native American porn star, I show you how this line of work is seen in the eyes of my religion and culture, and I share some of the healing ceremonies I have experienced. Why would a young woman decide to get into such a business? What is it like to make an X-rated movie or to dance nude on stage in a gentlemens club? Many women say it is empowering. What kind of lives did these women have before entering the world of X? Why do they say it increases their self-esteem? Is it REALLY healthy emotionally? Why have five of my colleagues committed suicide? Whats it like when your friends (and the Godmother of your

children) are dropping like flies? Why would a sexually abused and abandoned child decide of her own free will to make X-rated movies and how could this possibly be a healing experience? Is it really?

#1 New York Times bestseller for 13 consecutive weeks! "As long as humanity speaks of virtue and dreams of freedom, the life and

writings of Whittaker Chambers will ennoble and inspire." - PRESIDENT RONALD REAGAN "One of the dozen or so indispensable books of the century..." - GEORGE F. WILL "Witness changed my worldview, my philosophical perceptions, and, without exaggeration, my life." - ROBERT D. NOVAK, from his Foreward "Chambers has written one of the really significant American autobiographies. When some future Plutarch writes his American Live, he will find in Chambers penetrating and terrible insights into America in the early twentieth century." - ARTHUR SCHLESINGER JR. "Chambers had a gift for language....to call Chambers an activist or Witness a political event is to say Dostoevsky was a criminologist or Crime and Punishment a morality tract." - WASHINGTON POST "Chambers was not just the witness against Alger Hiss, but was also one of the articulators of the modern conservative philosophy, a philosophy that has something to do with restoring the spiritual values of politics." - SAM TANENHAUS, author of Whittaker Chambers "One of the few indispensable

autobiographies ever written by an American - and one of the best written, too." - HILTON KRAMER, The New Criterion First published in 1952, Witness is the true story of Soviet spies in America and the trial that captivated a nation. Part literary effort, part philosophical treatise, this intriguing autobiography recounts the famous Alger Hiss case and reveals much more. Chambers' worldview and his belief that "man without mysticism is a monster" went on to help make political conservatism a national force. Regnery History's Cold War Classics edition is the most comprehensive version of Witness ever published, featuring forewords collected from all previous editions, including discussions from luminaries William F.
