## HOLMES MERCER

### American Citizens, British Subjects, Irish Rebels, & Indian Allies

Boundary Born

In C. L. R. James's classic *Beyond a Boundary*, the sport is cricket and the scene is the colonial West Indies. Always eloquent and provocative, James--the "black Plato," (as coined by the *London Times*)--shows us how, in the rituals of performance and conflict on the field, we are watching not just prowess but politics and psychology at play. Part memoir of a boyhood in a black colony (by one of the founding fathers of African nationalism), part passionate celebration of an unusual and unexpected game, *Beyond a Boundary* raises, in a warm and witty voice, serious questions about race, class, politics, and the facts of colonial oppression. Originally published in England in 1963 and in the United States twenty years later (Pantheon, 1983), this second American edition brings back into print this prophetic statement on race and sport in society.

*Subpar Parks* Cambridge University Press

On the brink of a critical moment in human history, this book presents a vision of "planetary stewardship" - a rethinking of our relationship with our planet - and plots a new course for our future. The authors reveal the full scale of the planetary emergency we face - but also how we can stabilize Earth's life-support system. The necessary change is within our power, if we act now. In 2009, scientists identified nine planetary boundaries that keep Earth stable, ranging from biodiversity to ozone. Beyond these boundaries lurk tipping points. In order to stop short of these tipping points, the 2020s must see the fastest economic transition in history. This book demonstrates how societies are reaching positive tipping points that make this transition possible: groups such as Extinction Rebellion and the schoolchildren led by Greta Thunberg demand political action; countries are committing to eliminating greenhouse gas emissions; and one tipping point has even already passed - the price of clean energy has dropped below that of fossil fuels. The story is accompanied by unique images of Earth produced by Globaia, the world's leading visualizers of human impact.

*The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration* Vintage

This best-selling book helps strengthen you for the adventures of relationships. This book helps you become strong to stay in the conversation, so you are not shrinking back or shutting down in difficult situations, and aids the individual with tricky relational mishaps. It is used in a wide array of clinical, recovery, and healing settings.

### Breaking Boundaries

Chelsea Green Publishing  
 Alex McKenna is the new Special Agent in Charge of the Chicago office of the Bureau of Paranormal Investigations—the division tasked with investigating crimes involving shades. Or vampires, as they're more widely known. Children have been going missing, and agents are routinely being slaughtered. It's up to McKenna, and some unlikely allies, to get to the bottom of the problem, and find the kids before it's too late. *Nightshades* is a new gritty urban fantasy from Melissa F. Olson. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### A Cosmopolitan Jurisprudence

Harper Collins  
 For fans of *The Chronicles of Narnia* comes the first book in the *Wildwood* Chronicles, the *New York Times* bestselling fantasy adventure series by Colin Meloy, lead singer of the Decemberists, and Carson Ellis, acclaimed illustrator of *The Mysterious Benedict Society*. In *Wildwood*, Prue and her friend Curtis uncover a secret world in the midst of violent upheaval—a world full of warring creatures, peaceable mystics, and powerful figures with the darkest intentions. And what begins as a rescue mission becomes something much greater as the two friends find themselves entwined in a struggle for the very freedom of this wilderness. A wilderness the locals call *Wildwood*. *Wildwood* captivates readers with the wonder and thrill of a secret world within the landscape of a modern city. It feels at once firmly steeped in the classics of children's literature and completely fresh at the same time. The story is told from multiple points of view, and the book features more than eighty illustrations, including six full-color plates, making this an absolutely gorgeous object. Supports the Common Core State Standards

*Rediscovering the Magic of Mold-Based Fermentation* Stanford University Press

The Bureau of Preternatural Investigations returns in *Switchback*, the sequel to Melissa F. Olson's *Nightshades*. Three weeks after the events of *Nightshades*, things are finally beginning to settle for the Chicago branch of the BPI, but the brief respite from the horror of the previous few weeks was never destined to last. The team gets a call from Switch Creek, IL, where a young man has been arrested on suspicion of being a shade. The suspect is held overnight, pending DNA testing, but seemingly escapes in a terrifying and bloody massacre. But is there more to the jailbreak than a simple quest for freedom? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### The Centrality of the Margins

Cambridge University Press  
 From Ramallah to New York, Tel Aviv to Porto Alegre, people around the world celebrate a formidable, transnational Palestinian LGBTQ social movement. Solidarity with Palestinians has become

a salient domain of global queer politics. Yet LGBTQ Palestinians, even as they fight patriarchy and imperialism, are themselves subjected to an "empire of critique" from Israeli and Palestinian institutions, Western academics, journalists and filmmakers, and even fellow activists. Such global criticism has limited growth and led to an emphasis within the movement on anti-imperialism over the struggle against homophobia. With this book, Sa'ed Atshan asks how transnational progressive social movements can balance struggles for liberation along more than one axis. He explores critical junctures in the history of Palestinian LGBTQ activism, revealing the queer Palestinian spirit of agency, defiance, and creativity, in the face of daunting pressures and forces working to constrict it. *Queer Palestine* and the *Empire of Critique* explores the necessity of connecting the struggles for Palestinian freedom with the struggle against homophobia.

*Boundary Born* Charlesbridge Publishing  
 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an

attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

The act of reproduction, and its variants, never change much, but our ideas about the meaning of sex are in constant flux. Switch a decade, cross a border, or traverse class lines and the harmless pleasures of one group become the gravest crimes in another. Combining meticulous research and lively storytelling, *The Boundaries of Desire* traces the fast-moving bloodsport of sex law over the past century, and challenges our most cherished notions about family, power, gender, and identity. Starting when courts censored birth control information as pornography and let men rape their wives, and continuing through the "sexual revolution" and into the present day (when rape, gay rights, sex trafficking, and sex on the internet saturate the news), Berkowitz shows how the law has remained out of synch with the convulsive changes in sexual morality. By focusing on the stories of real people, Berkowitz adds a compelling human element to what might otherwise be faceless legal battles. The law is made by people, after all, and nothing sparks intolerance – on the left and right – more than sex. Ultimately, Berkowitz shows the emptiness of sanctimonious condemnation, and argues that sexual questions are too subtle and volatile for simple, catch-all solutions.

**Switchback** Vintage

As human beings, we search for the same thing our entire lives: happiness. There are many paths to this elusive and precious destination. But once attained, some joys last, while others wither quickly. What are the secrets to finding-and keeping-lifelong happiness? Do these secrets even exist? Do you search for true happiness? Within these ancient practices, you can discover tools to help you become the cocreator of your destiny. Do you search for your perfect soul mate? Finding this person isn't hard at all, once you understand how universal energy truly works. Do you search for financial stability? The key to this treasure is well within reach-with the right education and some hard work. The power of Feng Shui is immeasurable; it can change your life. By living in harmony with the universal Chi, you can shape your destiny. You'll learn how Feng Shui's potent secret formulas can be used to create your new destiny. Are you ready for happiness beyond anything you could have imagined? Feng Shui beyond Boundaries can show you the path; it's time to take that first step on your journey to a new life.

**The Book of Night Women** Berghahn Books

The battle is over. Now it's war. Valerie's entire life has been spent fighting for survival. But now, the stakes have never been higher, and her enemies have never been more powerful. The Fractus have proven that they won't hesitate to kill those who stand in their way, including the people Valerie loves. And their path of destruction is growing--on Earth and the Globe. With Reaper always one step ahead, Valerie must find a way to change the game, or risk never catching up to an enemy with the conviction and power to upset the delicate balance that protects those without magic from being exploited. As the Fractus grow in number and strength, can Valerie convince enough Conjurers to fight by her side against a menace that could upend the universe? In the third novel of *The Conjurers Series*, Valerie has the life she's always dreamed of--a family, a budding romance, and powerful magic that she is finally learning to harness. She also has an enemy determined to rip it all away from her.

O, The Oprah Magazine's 20 Best Titles of the Year Time Magazine's 100 Books to Read in 2020 Financial Times' Best Books of 2020 Esquire's Best Books of 2020 New York Times Editors' Choice Lit Hub's Best Books of 2020 Bustle's Best Short Story Collections of 2020 Electric Literature's Favorite Short Story Collections of 2020 Library Journal's Best Short Stories of 2020 "Superb. . . Krauss's depictions of the nuances of sex and love, intimacy and dependence, call to mind the work of Natalia Ginzburg in their psychological profundity, their intellectual rigor. . . . Krauss's stories capture characters at moments in their lives when they're hungry for experience and open to possibilities, and that openness extends to the stories themselves: narratives too urgent and alive for neat plotlines, simplistic resolutions or easy answers." —Molly Antopol, New York Times Book Review "From a contemporary master, an astounding collection of ten globetrotting stories, each one a powerful dissection of the thorny connections between men and women. . . . Each story is masterfully crafted and deeply contemplative, barreling toward a shimmering, inevitable conclusion, proving once again that Krauss is one of our most formidable talents in fiction." —Esquire In one of her strongest works of fiction yet, Nicole Krauss plunges fearlessly into the struggle to understand what it is to be a man and what it is to be a woman, and the arising tensions that have existed from the very beginning of time. Set in our contemporary moment, and moving across the globe from Switzerland, Japan, and New York City to Tel Aviv, Los Angeles, and South America, the stories in *To Be a Man* feature male characters as fathers, lovers, friends, children, seducers, and even a lost husband who may never have been a husband at all. The way these stories mirror one other and resonate is beautiful, with a balance so finely tuned that the book almost feels like a novel. Echoes ring through stages of life: aging parents and new-born babies; young women's coming of age and the newfound, somewhat bewildering sexual power that accompanies it; generational gaps and unexpected deliveries of strange new leases on life; mystery and wonder at a life lived or a future waiting to unfold. *To Be a Man* illuminates with a fierce, unwavering light the forces driving human existence: sex, power, violence, passion, self-discovery, growing older. Profound, poignant, and brilliant, Krauss's stories are at once startling and deeply moving, but always revealing of all-too-human weakness and strength.

[Nightshades](#) Tor.com

The award-winning account of how America's educational system fails it students and what can be done about it Remedial, illiterate, intellectually deficient—these are the stigmas that define America's educationally underprepared. Having grown up poor and been labeled this way, nationally acclaimed educator and author Mike Rose takes us into classrooms and communities to reveal what really lies behind the labels and test scores. With

rich detail, Rose demonstrates innovative methods to initiate "problem" students into the world of language, literature, and written expression. This book challenges educators, policymakers, and parents to re-examine their assumptions about the capacities of a wide range of students. Already a classic, *Lives on the Boundary* offers a truly democratic vision, one that should be heeded by anyone concerned with America's future. "A mirror to the many lacking perfect grammar and spelling who may see their dreams translated into reality after all." -Los Angeles Times Book Review "Vividly written . . . tears apart all of society's prejudices about the academic abilities of the underprivileged." - New York Times

[Guardians of the Boundary](#) Zondervan

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.
