School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to

school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

'Raat baaki, baat baaki... Hona hai jo, ho jaane do...' Sensuous, glamorous and bold, Parveen Babi set the Hindi cinema screen ablaze during the 1970s and '80s, breaking the 'pious, nice girl' mould of the film heroine and redefining it after her own style. On screen, she sizzled in unforgettable roles in blockbusters like *Deewaar*, *Shaan*, *Kaalida* and *Amar Akbar Anthony* - while, off-screen, her bohemian and unabashed lifestyle lit up gossip columns, and her appearance on the cover of *Time* magazine, a first for an Indian, created a stir nationwide. Yet, for all the sensational rumours and films her life inspired, Parveen has remained something of an enigma to generations of fans. In *Parveen Babi: A Life*, Karishma Upadhyay traces the journey of a shy but ambitious girl

from an aristocratic family in Junagadh, Gujarat, to a life of merciless scrutiny that comes with being in the Bollywood spotlight. Exploring with depth and sensitivity the myriad facets of the actress's life, she lays bare little-known details about Parveen's doomed romances, her obsession with the spiritual guide who advised her to quit films, the tumultuous years of battling mental illness and her tragic, untimely demise. Rich with insights from the star's friends, former lovers and colleagues, this compelling narrative captures the nuances of an extraordinary life - the highs and lows of finding fame, love and solace, and then, in the end, losing it all.

Context

Five years after 26/11 -

the siege of terror in Mumbai that brought the country to its knees - India still seeks justice. The terrorists who planned it have disappeared into the darkness they emerged from and Mumbai seethes with fury. All the Indian government has achieved is the establishment of counter-terrorism committees. But one man will stop at nothing in his quest to avenge the dastardly act. Retired Lt Gen. Sayed Ali Waris of the Indian army masterminds a covert mission with a team of daredevil agents: a sharp policeman, a suave tech expert, a cerebral scientist and two battle-hardened army officers. They strike like lightning even as they are pursued by the Pakistani army and the ISI, combing through every land and possibility in pursuit of the deadly killers. From Sweden to Istanbul, through Dubai, Pakistan and Singapore, they annihilate the perpetrators with single-minded focus, veiling the deaths as natural ones to save the Indian government diplomatic and political embarrassment. The stakes have never been higher. This is a nifty, edge-of-your seat thriller

with an intricate plot and jaw-dropping twists. As Waris and his team navigate untold dangers towards a nail-biting climax, will Mumbai finally be avenged? *Veerappan* HarperCollins Tılsım; bir mucizeyi harekete geçirmektir. Be it his trademark moustache, stories of his daring escapades or his ruthless massacre of officers, Veerappan continues to fascinate, even thirteen years after his death. *Veerappan: Chasing the Brigand* is a lucid and incisive account of the rise and fall of India's most dreaded forest brigand. Chronicled by K. Vijay Kumar, IPS, the man who spearheaded the Tamil Nadu Special Task Force (STF) that planned and executed the dreaded bandit's killing, the book relives the various incidents that shaped Veerappan's life - from his birth in Gopinatham in 1952 to his death in 2004 in a shootout in Padi. It traces his dramatic rise from a small-time poacher and sandalwood smuggler to a brutal fugitive who held

three states to ransom for two decades. The ruthless killings and high-profile kidnappings masterminded by Veerappan, including the 108-day ordeal involving Kannada cinema superstar, Dr Rajkumar, are described in fascinating detail.

Veerappan: Chasing the Brigand is the most authentic account of the life and times of the dreaded outlaw.

Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoilt offspring of the Karachi elite who'll do anything to cure their boredom. Her

most pressing problem, however, is how to straighten her hair during the chronic power outages. Karachi, You're Killing Me! is Bridget Jones's Diary meets The Diary of a Social Butterfly—a comedy of manners in a city with none.

Asha Devi is India's youngest ever Prime Minister. She is twenty-nine years old, charismatic and driven. Elevated to power after the assassination of her father she must prove that she is more than just a dynast. But within days of her swearing-in, things begin to go wrong. Terrorists take hundreds of people hostage at Delhi's top mall. Her coalition partner turns on her. Her step-brothers resent her accession. And she is caught up in a ratings war between two of India's top TV channels and their self-obsessed anchors. As Asha struggles to retain her hold on power, defeat the terrorists, keep her family together, win over coalition partners and tackle the beast of 24x7 news TV, she never loses sight of one objective: She must track down the man who murdered her father.

Written in a cinematic, fast-moving style this book offers an insider's view of how things move at the top echelons of government and gives us a rare peek into the underbelly of the TV news business. It also brings back Asha Devi, the much-admired heroine of Seema Goswami's bestselling Race Course Road.

"Electric. A wildly astute plunge into the depths of love, rivalry, betrayal and the power of women."—Bill Clegg
An internationally renowned writer, Valeria Costas has dedicated her life to her work and to her secret lover, Martin Acla, a prominent businessman. When his sudden stroke makes headlines, her world implodes; the idea of losing him is terrifying. Desperate to find a way to be present during her lover's final days, Valeria commissions his artist wife, Isla, to paint her portrait—insinuating herself into Martin's family home and life. In the

grand, chaotic London mansion where the man they share—husband, father, lover—lies in a coma, Valeria and Isla remain poised on the brink, transfixed by one another. Day after day, the two women talk to each other during the sittings, revealing truths, fragilities and strengths. But does Isla know of the writer's long involvement with Martin? Does Valeria grasp the secrets that Isla harbors? Amidst their own private turmoil, the stories of their lives are exchanged, and as the portrait takes shape, we watch these complex and extraordinary women struggle while the love of their lives departs, in an unforgettable, breathless tale of deception and mystery that captivates until the very end.

Offering both in-depth analyses of specific films and overviews of the industry's output, Hollywood's Indian provides insightful characterizations of the depiction of the Native Americans in film. This updated edition includes a new chapter on *Smoke Signals*, the groundbreaking independent film written by Sherman Alexie and

directed by Chris Eyre. Taken as a whole the essays explore the many ways in which these portrayals have made an impact on our collective cultural life.

A Novel Harper Collins 'Every day, millions of people -- the rich, the poor and the many foreign visitors -- are hunting for ways to get their business done in modern India. If they search in the right places and offer the appropriate price, there is always a facilitator who can get the job done. This book is a sneak preview of those searches, the middlemen who do those jobs, and the many opportunities that the fast-growing economy offers.' Josy Joseph draws upon two decades as an investigative journalist to expose a problem so pervasive that we do not have the words to speak of it. The story is big: that of treacherous business rivalries, of how some industrial houses practically own the country, of the shadowy men who run the nation's politics. The story is small: a village needs a road and a hospital, a graveyard needs a wall, people need toilets. *A Feast of Vultures* is an unprecedented, multiple-level inquiry into

modern India, and the picture it reveals is both explosive and frightening. Within these covers is unimpeachable evidence against some of the country's biggest business houses and political figures, and the reopening of major scandals that have shaped its political narratives. Through hard-nosed investigations and the meticulous gathering of documentary evidence, Joseph clinically examines and irrefutably documents the non-reportable. It is a troubling narrative, but also a call to action and a cry for change. A tour de force through the wildly beating heart of post-socialist India, the book is a must-read for anyone interested in understanding the large, unwieldy truth about this nation.
