The Come as You Are Workbook Createspace Independent Publishing Platform

Do you want to be a great lover and enjoy consistently great sex? Would you like reliable erections that don't wilt in the middle of lovemaking? Would you like superb ejaculatory control? Would you like your penis to be as large as it possibly can be? Do you want women to sing your sexual praises? All these sexual benefits can be yours if you read *Great Sex* and take its message to heart. Author Michael Castleman is the nation's top journalist specializing in men's sexuality. He has been a sex educator, counselor, and writer for 30 years, including 5 years as the expert who answered the sex questions submitted to the *Playboy* Advisor. Written with the help of an advisory board that includes some of the nation's leading sex therapists, *Great Sex* is certain to help you overcome your sex problems; become a better, more confident lover; and enjoy the sex of your dreams. Castleman's message is surprisingly simple: Stop imitating the rushed, all-genital sex you see in pornography. Instead, cultivate the opposite: leisurely, playful, total-body, massage-based lovemaking that includes the genitals, of course, but is not focused on them. Sex inspired by pornography is a major reason why men think their penises are too small and why they have erection and ejaculatory problems. With wit, wisdom, and down-to-earth sympathy for men, Castleman discusses his own penis--like yours, it's a little too small--and his own struggles with balky erections, rapid ejaculation, and not expressing orgasm at all. Then, based on state-of-the-art sex therapy techniques, leading sexology texts, and almost 400 medical journal articles, he reveals how to overcome these issues and enjoy a satisfying and exciting sex life. What's more, the sexual style Castleman advocates is the way most women prefer to make love. Take Castleman's advice and you'll benefit by having a lover who is more arousable, responsive, enthusiastic, and complimentary. In other words, when you embrace sensual, creative, whole-body lovemaking, everybody wins. You have fewer sex problems. The woman you love gets what she wants in bed. And you both enjoy sex that's hotter, more erotic, and more fulfilling.

Everything You Need to Know about Love, Sex, Relationships, and Other Things Too Terrible to Contemplate Simon and Schuster

The idea of Asian men being spastic nerds who are utterly devoid of anything remotely resembling sexuality is a long-standing stereotype and one that, I admit in the interests of objectivity, has a substantive basis in reality. I also notice that there has been a steadily increasing Asian presence in the realms of social justice in recent years. What if I told you these things were related? Yes, it turns out that any anger of Asian people (particularly Asian

men) in the West is entirely rooted in sexual frustration--and I speak from experience from my own time as a teenage nerd who was sexually frustrated. In the interests of providing succor to this sexual frustration, of preventing another beta-male rampage, and esoterically of *gasp* making Asian people not hate white people, I have boiled down my hardscrabble life experience in the erotic arts, my auto-didactic knowledge in various gentlemanly pursuits, and the mindset development that enabled me to not fall into the same self-pitying trap that caught seemingly every other mixed race person, into one highly digestible tome: *THE ORIENTAL'S GUIDE TO SEX, STRENGTH, AND SATISFACTION*

Results from world-renowned relationship expert John Gottman's famous Love Lab have proven an incredible truth: Men make or break relationships. Based on 40 years of research, *The Man's Guide to Women* unlocks the mystery of how to attract, satisfy, and succeed with a woman for a lifetime. For the first time ever, there is a science-based answer to the age-old question: What do women really want in a man? Dr. Gottman, author of the New York Times bestseller *The Seven Principles for Making Marriage Work*, and his wife and collaborator, clinical psychologist Julie Schwartz Gottman, PhD, have pored over the research along with bestselling coauthors Douglas Abrams and Rachel Carlton Abrams, MD. Together, they have written this definitive guide for men, providing answers on everything from how to approach a woman and build a connection with her to how to truly satisfy her in bed and know when the relationship is on the right track. *The Man's Guide to Women* is a must-have playbook for how to play—and win—the game of love.

Crazy Good Sex Guilford Press

Made for men to learn, written for women to recommend, enjoyed by both sexes. Whether you're an old or young "guy," you'll learn what women look for when it comes to sex, fitness, fashion, intimacy, romance, relationships, love, plus much more. Written for men that care and want to win, or keep a woman's heart for the right reasons -- as friends, colleagues, mutual lovers or even as a potential spouse. It's not a con game; you'll learn what's in for your woman of today. Professional photographer of thousands of women for almost four decades, Rolando Gomez understands firsthand the societal pressures women bear. He knows a man's anatomy and biochemistry is simpler and more easily satisfied than a woman's as men don't deal with menstrual cycles, hormonal shifts and hot flashes. Based on actual observations of women for almost forty years, Gomez, a father of four daughters, shares his knowledge from a man who's constantly exposed to new female generations by virtue of his profession. It's like he's been stuck in a world where women never age but their mentality

constantly evolves. These lifetime experiences are the heart of this book along with research and editing from close friend David Pruett, PhD.

A Young Man's Guide to Sex CreateSpace

Ethical PORN for DICKS A Man's Guide to Responsible Viewing Pleasure A Non-Judgmental Way of Thinking and Talking- for Men, Partners, and Therapists with a Foreword by Tristan Taormino and an Afterword by Chanel Preston "There's a lot of screaming, yelling, and smut-shaming out there about porn. David Ley's reasonable, calm, informed writing should be read by anyone interested in porn-and it should be required reading for anyone tempted to legislate about it."-Dan Savage "An important book for men of all ages, written by an expert in men's (and couples') sexualities."-Debby Herbenick, Ph.D. President-Elect of AASECT

Our media are filled with cautionary, polarizing messages about the dangers of porn, even while sexually explicit images are exploited deliberately and persuasively in ads and entertainment. With a casual style and topical format, this accessible, funny, and evidence-based book offers anyone feeling shame and anxiety about their own or their partner's behavior a nonjudgmental way to view and use pornography responsibly.

A Young Man's Guide to Late Capitalism Rodale Books

A guide to the minds of women compiled by 2,513 real interviews details the specifics of what women love and hate, with tips that can turn any man into an exceptional lover and partner. 20,000 first printing.

Every Man's Guide to Sexually Satisfy Her - Sex Positions, Sex Guide and Sex Help Simon and Schuster

Be a Better Lover - Make Her O, Tonight! Revised and Expanded 2nd Edition on December 4th, 2015 Are you, like most men, mystified by the female O? Would you like the ability to make a woman feel great every time you sleep together? Do you want to learn the simple sex secrets that so many men wish they had? If so, then *Sex: Every Man's Guide to Sexually Satisfy Her - Sex Positions, Sex Guide & Sex Help* is the book for you! You'll learn the anatomy of the female O, the different kinds of O's you lover can experience, and how to put it all together for a night she'll never forget! This insightful book teaches you how to prime her for the big bang, use dirty talk effectively, and choose positions that maximize her pleasure. With the right knowledge, you'll give her a rare and wonderful experience and have her "cumming back for more"!

Ethical Porn for Dicks S FL Center for Counseling and Therapy, Incorporated

A Young Man's Guide to Life is a passionate, personal book that speaks frankly about the problems young men typically face and offers an alternative mindset to help deal with such issues. As well as comprehensive and honest information regarding sex, dating, career and other things young men are eager to learn

about. From the perspective of someone who has just finished being a young man this book shares personal experience and philosophy and is never condescending, tongue-in-cheek or super-serious. This book is suitable for all young men regardless of race, religion etc. Or may be enjoyed by those who care for young men: such as parents or girlfriends. In the book the author identifies what guys typically go through and lets them know that it is okay, as well as stories containing practical advice on dealing with such issues. There are not too many techniques or "how to" explanations to confuse the user, just a view of life for a young man sharing personal experience and philosophy in a kind tone that is never condescending.

The Modern Man's Guide to Receiving Sacred Oral Sex! NavPress

In *Dear Lover: A Woman's Guide to Men, Sex, and Love's Deepest Bliss*, David Deida explores every aspect of the feminine practice of spiritual intimacy, from sexuality and lovemaking to family and career to emotions, trust, and commitment. Written as a collection of letters from a man to his "dear lover," here is this internationally acclaimed writer's invitation to practice love as a living art, as you discover.

The Man's Guide to Corporate Culture Rodale

Fawcett provides a practical resource for recovery from methamphetamine and the restoration of healthy sex and intimacy. He outlines a path toward healing, describing the phases of physical, emotional, and sexual recovery and provides a broad range of supportive tools from managing triggers to mindfulness.

How to Give a Man Mind-Blowing Pleasure Moody Publishers

Studies have shown that 60% of male managers feel uncomfortable working one-on-one with their female colleagues. That's where *The Man's Guide to Corporate Culture* comes in. Heather Zumarraga, a business journalist who has spent much of her career in testosterone-filled work environments, wants to make sure that any male leader who wants to be part of the solution knows how to do it the right way. Heather provides you with logical solutions to complex gender issues and gives important, practical lessons for men and women alike. *The Man's Guide to Corporate Culture* teaches you: Which behaviors to adopt (and which to avoid) to create and maintain a comfortable work environment for their female co-workers. How to create an environment that is not only welcoming to both women and men but also encourages healthy and respectful collaboration. And more real-world tested advice and approaches to help ensure every employee (and business) is best situated for success. There are numerous business books that coach women to deal with bias and harassment in a male-dominated workplace. However, *The Man's Guide to Corporate Culture* is one of the only books that coaches men on how to succeed in the new normal.

A Man's Guide Simon and Schuster

"A terrific debut novel . . . Mountford's parable of the voracious global economy reminds me of Graham Greene's *The Quiet American*." —Jess Walter, #1 New York Times bestselling author of *The Cold Millions* On his first assignment for a rapacious hedge fund, Gabriel embarks to Bolivia at the end of 2005 to ferret out

insider information about the plans of the controversial president-elect. If Gabriel succeeds, he will get a bonus that would make him secure for life. Standing in his way are his headstrong mother, a survivor of Pinochet's Chile, and Gabriel's new love interest, the president's passionate press liaison. Caught in a growing web of lies and questioning his own role in profiting from an impoverished people, Gabriel sets in motion a terrifying plan that could cost him the love of all those he holds dear. Set against the stunning mountainous backdrop of La Paz and interspersed with Bolivia's sad history of stubborn survival, this examines the critical choices a young man makes as his world closes in on him. "Both of the book's settings—desperately poor but proud La Paz, the world's highest-altitude capital, and the world of go-go high finance, a realm about which Mountford clearly knows his stuff—are well rendered. The author is especially good at conveying the visceral and intellectual thrills of stock speculation/manipulation . . . smart, intricate, fast-paced."

—Kirkus Reviews "One of the most compelling and thought-provoking novels I've read in years." —David Shields, author of *Other People* Winner of the Washington State Book Award

A Practical Guide to the Science of Sex Createspace Independent Publishing Platform

With this guide, you will be able to satisfy any woman and have her begging for more!

Love in the Time of HIV HarperCollins Leadership

We were created to work, and feel most happy, most alive, and most useful doing the work we were created to do. The act of productivity is its own reward. Half a man's life is bound up in his work, but few men ever learn a biblical framework, or "theology of work", to help think correctly about all those hours, weeks and years they invest in their job. Patrick Morley, author of *The Man in the Mirror* knows that men everywhere want their lives to count, to make a real difference. He has written a book for men in the workforce who want to integrate their faith and work. Whether a businessman, construction worker, salesman, lawyer, accountant, or plumber, men will be introduced to principles which provide a better understanding of themselves and how to be most effective and valuable in their chosen career. *A Man's Guide to Work* helps train men for the marketplace. It helps them figure out how their relationship with God should influence their work and relationships with colleagues. Ultimately it shows men how to experience the power of God in their work, to bring about social transformation through their work and how to make their work life count for the glory of God!

Great Sex Rodale Books

12 Ways to Honor God on the Job Lake Claremont Press

God invites every young man to a life of awesomeness, but most guys miss out. They settle for fantasy adventures and fake women, wasting their days with their eyes glued to a screen. Using a few words, some great illustrations and dozens of video clips, this guide will help you find a life worth living. It also answers the questions that many young men are asking: *If God wants me to live an awesome life, why am I so bored? *What's the big deal with porn? *When is the right time to start dating? *Why should I save sex for marriage? *How can I start building an awesome life today? Whether you are 13 or 23, this guide will help you to avoid some of the land mines that young men typically step on. It will point you towards the awesome, exciting, passionate life that God has planned for you. *This guy-friendly book includes links to 25 short video clips to illustrate and enhance the content as you read.

Sex HarperCollins UK

These days, it's harder than ever to know how to act like a real man. We're not talking about the touchy-feely, ultra-sensitive, emotion-sharing, not-afraid-to-cry version of manhood that Oprah and Dr. Phil have been spouting for years. We're talking about the tough, smart, confident, charming, classy, all-around good fella that upholds the true ideal of what is known as "a man's man." Now, renowned actor and true-life man's man Frank Vincent, famed for his unforgettable tough-guy roles in such classic films as *Raging Bull*, *Goodfellas* and HBO's *The Sopranos*, is going to show how any man can be all that he can be in love, work, play, and life. Everything you need to know is covered here, including, getting the best women by being the best man, dressing like a champ and taking on the world, winning big money and big respect in Las Vegas, selecting, smoking, and savoring a great cigar, and much more. If you want to learn how to be a man's man, you gotta learn from a man's man. And with the great Frank Vincent vouching for you, you'll be on your way to getting everything you ever wanted outta life.

A Man's Guide to Oral Sex Thomas Nelson

A comprehensive guide to sex and sexuality, especially for young men, with discussions of sexual truths and lies, masturbation, AIDS, pregnancy, abortion, heterosexuality and homosexuality, and the importance of open communication.
