Ethics and values are what make us human beings. In order to lead a meaningful life (even though it is practically impossible to achieve that perfection, among the erosion of values, morals, and integrity), some code of conduct must be laid down and followed honestly. Personal and Professional Ethics: 4 Points of Difference ... Values form the basis for all our thoughts, behaviours and actions. Once we know what is valuable to us, these values become the basis, the anchor for our actions. We also need to understand the universality of various human values, because only then we can have a definite and common program for value education.
