### *Predictions and Prophecies About the End of the World* Literary Licensing, LLC

The teachings in this book have helped hundreds of thousands of people gain a deeper appreciation for Jesus's teachings about the mystical path that he taught 2,000 years ago and that he still teaches today for those who are able to make an inner connection with him. Today many people cannot find a lasting heart connection to the real Jesus and his teachings because, according to most Christian churches, Jesus no longer talks to us. In reality, Jesus is a spiritual being and he is working to help all people who are able to raise their consciousness and attune to his Presence. For the past 2,000 years he has maintained a line of communication through those

who have been willing to serve as messengers for his Living Word and who have pursued an understanding of his true message instead of settling for official Christian doctrines. In this book, the ascended Jesus reveals the mystical teachings that he gave to his most advanced disciples. He explains why his true teachings are as relevant today as they were two millennia ago and how you can develop a personal relationship with him—one of the most remarkable spiritual teachers of all time. Once you admit that mainstream religious traditions have not answered your questions about life, it is truly liberating to read the profound and meaningful answers in this book.

Encouraging, moving and profound, this enlightening book will help you attain inner attunement with Jesus, even mystical union with him. You will learn how to: -recognize the silent, inner voice of Christ in your heart -achieve permanent inner peace and happiness by getting connected with the Christ Consciousness -heal yourself from emotional wounds -get guidance from Jesus, who is your greatest teacher and friend -communicate directly with Jesus"

### Transforming Heart and Mind--A New Perspective on Christ and His Message Penguin

The hard-won recognition that divine authority and human freedom ultimately cannot be in conflict must never be taken for granted, and the irony that the thought of Paul has repeatedly been invoked to undo that recognition truly does make this insight one of 'the permanent elements.'"—from the Introduction

### **How a Forgotten Reality Can Change Everything We See, Hope For, and Believe**

Broadleaf Books

The incarnation has made mystics of us all. What if we read the gospels as if that were true? In his book *Contemplating Christ*, Vincent Pizzuto offers an exploration of the interior life for modern contemplatives that is as beautiful as it is compelling. With an emphasis on the gospels and Christian mystical tradition, his book explores ancient themes in new and surprising ways. Drawing on his rich experience as an academic and priest, Pizzuto gradually unfolds the Christian mystery of deification to which the whole of biblical revelation and the Christian contemplative life are ordered: through the incarnation, we have all been made "other Christs" in the world.

### **Stuff They Never Told You about the Finished Work of the Cross** Shambhala Publications

Called in a special way to listen to God's whispers, the mystics amplify not only what it means to be baptized into the life, death, and resurrection of Jesus Christ 'and to having the Trinity living in them 'but also what is deepest in the human spirit. Mystics experience themselves as an infinite question to which only God is the answer; as an immense longing that only Love can quench; as a nothing in the face of the No-Thing. They are God's fools, troubadours 'the great artists and poets of the interior life whose learned ignorance" articulates the art of loving God, neighbor, self, the Church, and the world. In *Soundings in the Christian Mystical Tradition* Harvey Egan draws on fifty years of reading and teaching the mystics to sketch the varieties and passion of the mystical life across more than two millennia. Through their stories and words Egan reveals that all were conscious of the paradox of human identity 'supremely and unsurpassably manifested in the God-Man 'that the genuinely human is disclosed only through surrender to God and that the search for God cannot bypass the genuinely human.

### Embodying the Spirit of a Revolutionary Mystic Penguin

"The Mystic Christ is an ancient tale of mystic union, salvation, and enlightenment. It is the careful uncovering of a lost treasure of immeasurable value, long buried in the suffocating darkness of conventional orthodoxy on one side, and blind fundamentalist extremism on the other. From the viewpoint of the world's mystical religious traditions, the brilliant light of the Master's way is revealed as a penetrating radical non-duality unifying all people and all of life. His path to this all-embracing unity is the spiritual practice of pure selfless love. Love God intensely, love our neighbor as our own Self, bless those that curse us, and pray for those that mistreat us. Love has been lost, becoming nothing more than a word in the dictionary and, yet, it remains the foundation of Jesus' message."

### *On the Mystical Life* Living Miracles Publications

In popular usage, "mysticism" typically refers to New Age or Eastern forms of spirituality. However, the mystical tradition is also an important component of the Christian tradition. At its heart--and much like its expression in other faith traditions--Christian mysticism is an ancient practice that incorporates meditation, contemplation, worship, philosophy, the quest for personal enlightenment, and the experience of Divine presence. This volume is a comprehensive introduction and guide to Christian mysticism. It is a big book about a big possibility: the hope of achieving real, blissful, experiential union with God. Among the topics covered here are a general introduction to mysticism, the Bible and mysticism, the history and types of Christian mysticism, biographical sketches of leading Christian mystics, and practical instructions about practicing mysticism today. This is a breathtaking work that explores a form of spirituality that has changed lives over the course of 2,000 years. Learning about Christian mysticism and how it has been articulated through the centuries will prove inspirational for today's seekers, regardless of the faith tradition. "The mystic is not a special kind of person; every person is a special kind of mytic." -- William McNamara

### *The Christian Book of Mystical Verses* More to Life Pub

The Mystical Body of Christ captures the theological precision and communicative genius of Fulton J. Sheen (1895-1979), whose radio and television broadcasts, including *Life Is Worth Living*, have reached millions of homes since the 1950s. With more than thirty of his works still in print, Sheen is one of the most beloved Catholic evangelists of all time. This full-length and fully developed work on the Church as an extension of the Incarnation reveals Sheen's accessible and theologically astute teaching style in the early years of his ministry. First published in 1935, the book's themes of the Eucharist as a source of unity for the Mystical Body of Christ—the Church—and the link between the liturgy and works of social justice were echoed in the Second Vatican Council several decades later.
