Choose from 500 different sets of quiz biology human heredity chapter 14 flashcards on Quizlet. quiz biology human heredity chapter 14 Flashcards and ... Section 14-1: Human Heredity All egg cells carry a single X chromosome (23X). However, half of all sperm cells carry an X chromosome (23X), and half carry a Y chromosome (23Y). This ensures that just about half of the zygotes will be 46XX (female), and half will be 46XY (male). Chapter 14 Resources - miller and levine.com A chart that shows the presence or absence of a trait according to relationships within a family across several generations.
