Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*Difficult Men* ABC-CLIO

Contracts: Cases, Discussion, and Problems, Fourth Edition is known for its strikingly clear, straightforward text that illuminates cases as well as concepts and theory. The book focuses on modern cases to expose students to contemporary contract law, but it also includes many important or iconic older cases. The cases are set in context by extensive author-written explanatory text. Insightful questions draw attention to difficult and crucial aspects of the law and prompt vigorous class discussion. Numerous problems, ranging from simple to complex, supplement cases and introduce topics taught most effectively through problems. The casebook's traditional organization begins with formation and then corresponds to the sequence followed by the Restatement (2nd) of Contracts and treatises. Its concise, efficient presentation results in an optimum length for the course. Procedural issues are highlighted when presented by the cases and transactional issues such as drafting, client counseling, and negotiation are raised through the use of questions and small exercises throughout the text. Strengthening the text's focus on contemporary methods of contracting, modern issues in standard contracts are explored along with contracts entered into electronically. International and comparative material offers alternative approaches for students to consider, such as those taken by the United Nations Convention on Contracts for the International Sale of Goods (CISG) and the UNIDROIT Principles of International Commercial Contracts.

*A Path to Success* Wolters Kluwer

Updates and revises the classic casebook for Entertainment Law

**Reports of Cases Determined in the Courts of Appeal of the State of California** Taylor & Francis

It's a comprehensive step-by-step overview of how to complete a low-budget short film and get it shown. It discusses how to write a short script, prepare it for production with a scene breakdown or storyboard, direct the film or work with a director, audition and cast the actors, participate in the shoot, work with an editor, and promote your film.

**FCC Record** LSU Press

A revealing look at the shows that helped TV emerge as the signature art form of the twenty-first century In the late 1990s and early 2000s, the landscape of television began an unprecedented transformation. While the networks continued to chase the lowest common denominator, a wave of new shows on cable channels dramatically stretched television's narrative inventiveness, emotional resonance, and artistic ambition. Combining deep reportage with cultural analysis and historical context, Brett Martin recounts the rise and inner workings of a genre that represents not only a new golden age for TV, but also a cultural watershed. *Difficult Men* features extensive interviews with all the major players, including David Chase, David Simon, David Milch, and Alan Ball; in addition to other writers, executives, directors and actors. Martin delivers never-before-heard story after story, revealing how cable television became a truly significant and influential part of our culture.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

*Region, Identity, and the Cultural Politics of Television* Greenwood Publishing Group

This text offers a comprehensive, accessible, engaging introduction to the legal environment of business with a unique, integrated focus on ethical theory and decision-making and on the global context in which modern businesses operate. Using realistic hypotheticals and scenarios, the authors illustrate and illuminate as they help students prepare to meet the often thorny challenges they will face in today's rapidly changing world of business. Features: Comprehensive coverage of the legal environment of business, from Business Organizations to Liability Uniquely integrated conceptual and thematic emphasis on the ethical theory underlying legal decisions, the global context of business decisions and operations, and issues of sustainability and corporate responsibility Excellent hypotheticals, case and statutory treatments, ethics integration, and global

perspectives presented in interesting, accessible prose and formats Focus on AACSB Accreditation Standards, notably those relating to ethics education and social and ethical responsibility

**Small-Screen Souths** Booktango

In sixteen essays that capitalize on recent innovations in cultural studies, media studies, and American studies, *Small-Screen Souths: Region, Identity, and the Cultural Politics of Television* assesses a diverse televisual archive to demonstrate how television studies can offer new critical possibilities for analyzing the complex histories of gender, sexuality, class, and race in the U.S. South. *Small-Screen Souths* analyzes historical and current depictions of the South and the way such depictions have influenced popular conceptions of the region.

*An Integrated Approach* MICHIE

Complete with headnotes, summaries of decisions, statements of cases, points and authorities of counsel, annotations, tables, and parallel references.

*Film Stars* *Television Projects*

This book employs actor-network theory in order to examine how representations of crime are produced for contemporary prime-time television dramas. As a unique examination of the production of contemporary crime television dramas, particularly their writing process, *Making Crime Television: Producing Entertaining Representations of Crime for Television Broadcast* examines not only the semiotic relations between ideas about crime, but the material conditions under which those meanings are formulated. Using ethnographic and interview data, Anita Lam considers how textual representations of crime are assembled by various people (including writers, directors, technical consultants, and network executives), technologies (screenwriting software and whiteboards), and texts (newspaper articles and rival crime dramas). The emerging analysis does not project but instead concretely examines what and how television writers and producers know about crime, law and policing. An adequate understanding of the representation of crime, it is maintained, cannot be limited to a content analysis that treats the representation as a final product. Rather, a television representation of crime must be seen as the result of a particular assemblage of logics, people, creative ideas, commercial interests, legal requirements, and broadcasting networks. A fascinating investigation into the relationship between television production, crime, and the law,

this book is an accessible and well-researched resource for students and scholars of Law, Media, and Criminology.

**Model Rules of Professional Conduct**

"While Hollywood stars like Lucille Ball, Loretta Young and Donna Reed successfully transitioned to television in its early days, many others tried and failed to become TV regulars. Drawing on contemporary interviews and other sources, this book profiles more than 50 actors and their unsuccessful pilots and short-lived series roles"--

West's Federal Practice Digest 4th

Online media is and will continue to be at the forefront of entertainment; this book introduces readers to this new world and helps them create good content for it. It is a compact, practical guide for those who want to explore scriptwriting for the digital age while also learning essential skills and techniques central to new media writing. *Scriptwriting 2.0* contains advice on writing both short- and long-form webisodes as part of a series, as well as standalone pieces. It then goes beyond the writing process to discuss revising, production, promotion and copyright. It is written in a friendly, readable and jargon-free style and includes real-world examples from successful series and a sample script. Readers can access full episodes of the two series discussed at length as well as samples from several other web series.

The Onion Field

'Who could not be happy with all this?' Donald Draper, season one, episode two Sophisticated, controversial and stylish, *Mad Men* has been mesmerising its many fans since it first appeared on our screens in 2010. The Hitchcock-inspired title sequence, the period Madison Avenue set design and the impeccably styled costumes have all garnered admiration, but it is the quality of the scripts and the intensity of the drama that keeps people coming back for more. What is Don Draper's big secret? Will Pete and Peggy's love ever see the light of day? And how on earth do they manage to smoke and drink so much over the course of a working day? These questions and countless like them are debated in this brilliant collection, which features comments and discussions from the Guardian's Notes from the Break Room blog coupled with in-depth interviews with the show's creators and stars. Whether you've been watching the series from the beginning or are new to the show, *The Ultimate Guide to Mad Men* is as compelling as the show itself.
