[Before You Hit Send](#) Simon and Schuster

An all-encompassing guide to help guys navigate sex, relationships and consent in the post-#MeToo world. The world has changed, and the revelations of the #MeToo movement have raised serious questions about how men are raised to understand their own sexuality and the concept of consent. Respect is an all-encompassing guide that sheds light on these issues and more, laying out how men should approach and understand sex and relationships in the 21st century. So instead of simply parroting lines about how they ought to behave, young men can gain a deeper understanding of how they ought to behave. In direct, approachable language, Inti Chavez-Perez delves into the meaning of topics from consent and relationships, to body image, to gender identity and sexual orientation among others, and does so without judgement. Respect is a book for guys to learn from and then go back to, telling you everything you should know and everything you would want to know.

What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, The Great Sex Rescue unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. The Great Sex Rescue hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. The Great Sex Rescue pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve! Most of us were never taught how to effectively express our preferences, desires or deal-breakers.

Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In *Boundary Boss*, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a *Boundary Boss* is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: How to recognize when your boundaries have been violated and what to do next How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it Powerful boundary scripts so in the moment you will know what to say How to manage "Boundary Destroyers"—including emotional manipulators, narcissists, and other toxic personalities Where you fall on the spectrum of codependency and how to create healthy, balanced relationships This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. If you're getting it all done but at the expense of yourself, give yourself the gift of *Boundary Boss*.

[The Five Love Languages](#) Cambridge University Press  
 Should you take the job? Quit the job? Begin a relationship? End a relationship? Move? Plant roots? How do we find God's will for life's big decisions? What if you had total freedom? Emerson Eggerichs believes there is a clear answer to finding God's will. The Bible itself reveals the clue--a secret hidden in plain sight. Before launching his Love & Respect marriage ministry with wife Sarah, Emerson was a senior pastor for nearly 20 years in East Lansing Michigan. Before that, Emerson and a friend ran a free counseling center called "The Open Door" in Cedar Rapids, Iowa. As Emerson navigated his career he found both he and the people he was counseling were wrestling with big decisions and knowing if that decision was really what God wanted. Immersing himself in God's word for over 30 hours a week for 19 years, he discovered simple, clear truths that set him and many others free. There is a starting point to discovering God's Will for your next decision and for your entire life. Begin here to read stories of people in the same situations you face today. You'll be able to discover the freedom you've been searching for, and then, like Emerson, you'll

help others find that freedom too.

[Respect](#) Penguin

Do you want to be a hottie in the bedroom without sacrificing holiness? How can you make the most of God's gift of sexual intimacy in marriage? Wrongful thinking and behaviors regarding sex permeate our culture. Christians need to reclaim sexuality and enjoy it in the way God intended. God does not shy away from the subject of sex. The Bible shows a better way in every area—including the marital bedroom. In *Hot, Holy, and Humorous*, author J. Parker gives candid advice for wives from a foundation of faith with a splash of humor. This book can boost your sex savvy and improve your marital intimacy. And guess what? With God's perfect design, you and your spouse can enjoy the most amazing sex!

**Hot, Holy, and Humorous** Thomas Nelson Publishers

'Love, care, trust and respect are the cornerstones of every loving relationship.' In the quest to love and be loved, it can feel as if you've tried it every which way and yet, nothing is ever enough, leaving you wondering, 'What's wrong with me?' or lamenting your emotional baggage. How can you 'get' love, care, trust and respect when you don't know what it is or you don't believe that you can or will receive it? *Love, Care, Trust & Respect* is a guide to the vital ingredients of loving relationships. There are many so-called rules and Natalie Lue, author of the popular self-help blog, *Baggage Reclaim*, explains why these don't work, instead offering universal principles that apply in every mutually fulfilling loving relationship. Discover: The five landmarks of healthy relationships The four essential qualities for a loving partner The key relationship blocks, why they cause pain, fear and guilt, and how to dissolve them The purpose of your relationships and how to recognise and practise love, care, trust and respect NEVER SETTLE FOR CRUMBS AGAIN

**Love, Care, Trust and Respect** Thomas Nelson

A Revolutionary Solution to the #1 Marriage Problem Why does communication between couples remain the number one marriage issue? "Because," says Dr. Emerson Eggerichs, "most spouses don't know that they speak two different languages. They are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect." Dr. Eggerichs' best-selling book, *Love & Respect*, launched a revolution in how couples relate to each other. In *The Language of Love & Respect*, he presents a practical, step-by-step approach for how husbands and wives can learn to speak each other's distinctly different language—respect for him, love for her. The result is mutual understanding and a successful, happy marriage.

Previously released as *Cracking the Communication Code Love & Respect* Multnomah

It's time to change the way we see babies. Drawing on principles developed by the educator Dr Maria Montessori, *The Montessori Baby* shows how to raise your baby from birth to age one with love, respect, insight, and a surprising sense of calm. Cowritten by Simone Davies, author of the bestselling *The Montessori Toddler*, and Junnifa Uzodike, it's a book filled with hundreds of practical ideas for understanding what is actually happening with your baby, and how you can mindfully assist in their learning and development. Including how to: Prepare yourself for parenthood—physically, emotionally, intellectually, and spiritually. Become an active observer to understand what your baby is really telling you. Create Montessori spaces in your home, including “yes” spaces where nothing is off-limits. Set up activities that encourage baby's movement and language development at their own pace Raise a secure baby who's ready to explore the world with confidence.

**Boundary Boss** B&H Publishing Group

When you touch your spouse's deepest need, something good almost always happens! Based on three decades of counseling and research, Dr. Emerson Eggerichs leads couples through the intricacies of a marriage built on Love and Respect. He explores the differences in men and women and how a husband's need for respect can be balanced by a wife's need for love. When these needs are mutually recognized and made a priority, a fulfilling and meaningful marriage will be the inevitable result. *Love and Respect for a Lifetime* makes the ideal gift: It's all color, photo-filled design makes it inviting for couples to look at together. It is a compilation of Dr. Eggerichs best *Love & Respect* tips: a quick and easy read that proves enticing to a spouse that might be apprehensive of working through an entire study or book. It's engaging message validates the core needs of each spouse and gives a message of hope, encouragement and practical time-tested solutions for every marriage rather than focusing on placing blame or judging. It's ideal as a gift for dating or engaged couples, as well as a wedding or anniversary gift. It's elegant design invites the recipients to open, read it together and leave out as a display for others to take a closer look at what it means to love her and to respect him.

*The Lies You've Been Taught and How to Recover What God Intended* Thomas Nelson

To get ahead today, you have to be a jerk, right? Divisive politicians. Screaming heads on television. Angry campus activists. Twitter trolls. Today in America, there is an “outrage industrial complex” that prospers by setting American against American. Meanwhile, one in six Americans have stopped talking to close friends and family members over politics. Millions are organizing their social lives and curating their news and information to avoid hearing viewpoints differing from their own. Ideological polarization is at higher levels than at any time since the Civil War. America has developed a “culture of contempt”—a habit of seeing people who disagree with us not as merely incorrect or misguided, but as worthless. Maybe you dislike it—more than nine out of ten Americans say they are tired of how divided we have become as a country. But hey, either you play along, or you'll be left behind, right? Wrong. In *Love Your Enemies*, New York Times bestselling author and social scientist Arthur C. Brooks shows that treating others with contempt and out-outraging the other side is not a formula for lasting success. Blending cutting-edge behavioral research, ancient wisdom, and a decade of experience leading one of America's top policy think tanks, *Love Your Enemies* offers a new way to lead based not on attacking others, but on bridging national divides and mending personal relationships. Brooks' prescriptions are unconventional. To bring America together, he argues, we shouldn't try to agree more. There is no need for mushy moderation, because disagreement is the secret to excellence. Civility and tolerance shouldn't be our goals, because they are hopelessly low standards. And our feelings toward our foes are irrelevant; what matters is how we choose to act. *Love Your Enemies* is not just a guide to being a better person. It offers a clear strategy for victory for a new generation of leaders. It is a rallying cry for people hoping for a new era of American progress. And most of all, it is a roadmap to arrive at the happiness that comes when we choose to love one another, despite our differences.

**Cracking the Communication Code with Your Mate** Ballantine Books

In this modern take on *Harriet the Spy*, twelve-year-old Drew uses her true crime expertise to catch the cyberbully in her school—only to discover that family, friendship, and identity are the hardest mysteries to solve. Drew Leclair knows what it takes to be a great detective. She's pored over the cases solved by her hero, criminal profiler Lita Miyamoto. She tracked down the graffiti artist at school, and even solved the mystery of her neighbor's missing rabbit. But when her mother runs off to Hawaii with the school guidance counselor, Drew is shocked. How did she miss all of the clues? Drew is determined to keep her family life a secret, even from her best friend. But when a cyberbully starts posting embarrassing rumors about other students at school, it's only a matter of time before Drew's secret is out. Armed with her

notebooks full of observations about her classmates, Drew knows what she has to do: profile all of the bullies in her grade to find the culprit. But being a detective is more complicated when the suspects can be your friends. Will Drew crack the case if it means losing the people she cares about most?

HarperCollins

Renowned visionary and theorist bell hooks began her exploration of the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help. *Communion* is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.

*A Husband-Friendly Devotional that Wives Truly Love* Thomas Nelson Inc

From the authors of the international bestseller *Yes!* This travel-sized handbook will become your go-to key for ensuring that the world says 'yes' to you, your ideas and your requests. We all want to hear 'yes'. 'Yes' connects us to the world, and carries us into the future. So why do we find it so hard to get others to agree? And how can we improve our chances? *The Little Book of Yes* contains 21 short essays that outline a range of effective persuasion strategies, each proven to increase the chances that someone will agree to your request. That someone could be a friend, a colleague, a partner, a lover, a manager, a sibling, a parent, even a stranger. The timeless principles and practical lessons in this collection can be used to tackle a variety of everyday challenges, from repairing a soured relationship to negotiating a higher fee for your work, from convincing a dithering friend to take action, to building your social network and personal brand. Full of wisdom from the leaders in influence, with carefully curated advice, this little book is essential reading for any freelancer, manager, entrepreneur, parent or person who wants more from their world.

**Women Absolutely Need Love. Men Absolutely Need Respect. Its as Simple and as Complicated as That...** Penguin

*A Devotional Unlike Any Other!* Through the millions of products sold on *Love & Respect*, Emerson Eggerichs has transformed marriages around the world with his biblically based approach to understanding the love that she most desires and the respect that he desperately needs. Now, in this long-awaited release, Emerson has created an experience for couples that is effective, flexible and life-changing. To build this couples devotional, Eggerichs has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of *Love and Respect*. On one occasion the couple will be talking about how to stop the Crazy Cycle or keep it at bay. The very next devotional will talk about a concept built upon the Rewarded Cycle, which stresses the ultimate purpose for marriage. And the next may have both people talking about ways to use the Energizing Cycle in their efforts to love and respect each other. Some may ask, “Why 52 and not 365, like other couples devotionals I have seen?” The author's research shows that married couples don't want to deal with that much material, that often. Therefore, the specific devotionals, which can be done weekly or at any chosen pace, are specifically guided to what couples say they most need. And this is a husband-friendly devotional, having been written and designed in such a way that the husband can feel comfortable in the entire process. With this wealth of new material and video devotionals available online to support the product, *The Love & Respect Experience* will be indispensable to anyone wishing to better their marital relationship.

**How Decent People Can Save America from the Culture of Contempt** HarperCollins

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you

far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**A Husband-Friendly Devotional that Wives Truly Love** Thomas Nelson Incorporated

When the way forward seems uncertain, where can we turn for guidance we can trust? For yoga luminary, meditation teacher, and artist Elena Brower, the answer has always been close at hand. “Whenever I've needed direction, strength, or centering, I've so often turned to my own journals. Why? Because many of the answers we seek are found within ourselves.” Now, for those compelled to the pen and page, Elena invites us to gather our own wisdom through writing, self-inquiry, and reflection. *Practice You* is a portable sacred sanctuary to record our flashes of insight, find our ground, create and clarify our goals, and bear witness to our own evolution. With more than 150 beautiful pages of questions, teachings, inspiring imagery, and plenty of space to write, draw, and reflect, this journaling adventure guides us into nine compelling portals to our highest ways of living.

**The Essential Guide to Talk True, Be Seen, and (Finally) Live Free** Multnomah

When will we learn? With every sunrise we are given plenty of new examples of people “Hitting Send” and soon regretting it. Social media means what it says: it is social! Our methods of communication today allow for something to potentially be broadcast to everyone from Pekin, Illinois to Peking, China. But it's not only Twitter fanatics who can find themselves in trouble. Every single one of us is capable of falling prey to this growing plague. Every day we have the potential of both verbal and written blunders. It makes no difference if we are talking to a stranger over a meat counter, chatting on a cell phone with our mother, or sending an e-mail to a coworker; we can and do miscommunicate and people can and do get the wrong idea. When we don't pause long enough to think before speaking or writing, it commonly yields a misunderstanding and leads to a clash. We end up being the person who said, “You know that sphere of the brain that stops you from saying something that you shouldn't? Well, I don't have one of those.” This book is about preventing that misunderstanding and allowing for understanding. Said another way, preempting people from getting the wrong idea and enabling them to get the right idea! We all need work in this area in far more ways than just glancing through a checklist. From external examples to internal turmoil, *Before You Hit Send* is about the four things we must think through before communicating. In all things we wish to say or write, we would be wise to ask ourselves, Is it true? Is it kind? Is it necessary? Is it clear? When we ask and answer these four questions honestly, we will be thinking wisely before we speak. But to explore this fully, we need to find out a whole lot more about ourselves and uncover why we consciously and subconsciously get into these communication disasters to begin with. You may be surprised what you discover about yourself. Shall we begin?
