The Trouble with True Love Entangled:

Scandalous

Who knew reading sexy alien abduction stories could get a girl into trouble? Or that an e-reader could also be the gateway to another galaxy? I definitely didn't... but here I am anyway, mated to the Tsenturion High Commander just like the unwilling human heroines in my favorite sci-fi romances. The Commander demands obedience. He intends to claim me, train me, and turn me into his perfect little pleasure trophy. He doesn't believe in love. I don't believe in giving in without a fight. There's no amount of discipline or ecstasy that could break me to his will... I hope. Alien Captive is a hot alien abduction romance, starring one feisty human and the Tsenturion Warrior strong enough to master her. Disclaimer: the authors are not responsible for any actual alien abductions that may result should you purchase this book.

 His offer: 365 days and nights = \$1 million My addendum: I'm not doing that His promise: Before the year is up, you'll beg for it My days of lying and stealing are over, but then Nicholas Crawford makes me an offer I can't refuse. Spend a year pretending to be his significant other in exchange for \$1 million dollars. I tried to put that part of my life, and those hard-won skills, behind me. But I need the money. He needs a partner. I told him that I'd never sleep with him. He promised me that I would end up begging for it. Now, I want him more than ever. Especially when I run my fingers over his chiseled body and he teases me with his tongue. Especially when he puts his hands on the small of my back and kisses me. I want him so much I am going to scream. I want him so much...I might even beg.

"When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This book is full of twists, and the end brings a surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller." --Books and Movie Reviews (re *Almost Gone*)

DEATH IN FLORENCE is book #2 in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller *Once Gone* has received 1,500 five-star reviews. The series (*A YEAR IN EUROPE*) begins with book #1 (*A MURDER IN PARIS*). Diana Hope, 55, is still adjusting to her recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without

him—in fact, to reimagine her life, period. Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a gap year, she'd thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it's time for herself—and to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the most scrumptious cuisines—and maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be spontaneous, to let down her guard and to learn to truly enjoy life again? In *DEATH IN*

FLORENCE (Book #2), Diana arrives in Florence, ready to shake off the events of Paris and fulfill her lifelong dream of being proposed to on the romantic Ponte Vecchio bridge. But Diana can never possibly anticipate what she is about to find on that bridge, and how it may just turn her romantic dream into a ridiculous nightmare!

A YEAR IN EUROPE is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to solve it. Fans of books like *Eat, Pray, Love* and *Under the Tuscan Sun* have finally found the cozy mystery series they've been hoping for! Book #3 (*VENGEANCE IN VIENNA*) in the series is now also available!

Where is Kiro? He's the lost Dragusha brother, heir to a vast mafia empire-brilliant, violent, and utterly savage...and he's been missing for years. Ann I'm supposed to be doing simple undercover research at the Fancher Institute for the Mentally Ill & Dangerous, but I can't keep my mind off Patient 34. He's startlingly young and gorgeous, but it's not just that. He's strapped way too tightly to that bed. And there's no name or criminal history on his chart. What are these people hiding? My reporter's instincts are screaming. Here's the other thing: the staffers here believe he's so sedated that there's not a thought in his head, but I catch him watching me when nobody's looking. Our connection sizzles when I enter the room. When our eyes meet, I know he understands me in a way nobody else ever has. I'm supposed to follow my editor's orders-I have secrets, too-but everything about Patient 34 is suspicious. How can I not investigate?

"The blend of romance and cozy mystery will please lovers of all things Scottish." —Kirkus 'Tis the

season to be jolly, but in Moosetookalook, Maine, Christmas cheer is in short supply due to a snowless winter that's keeping skiers and shoppers at a distance. Fortunately, Liss MacCrimmon of the Scottish Emporium has a plan . . . Liss's brainstorm focuses on Tiny Teddies, the hot new toy of the season. Every store across the country is out of stock—except a few wee establishments in good ol' Moosetookalook. The first sign of something amiss occurs when the last Tiny Teddy is summarily executed: shot through the heart in the display window of greedy toy store owner Gavin Thorne. But the Teddy's demise is just a precursor to the eerily similar murder of Gavin himself. Now, with the Twelve (or, in Scots terms, the Daft) Days of Christmas rapidly approaching, Liss has a plate full of things worse than haggis to contend with, starting with a stockroom packed with poultry (don't ask), and ending with a killer who'd like to see Liss's goose well and fully cooked . . . "A picturesque location, a bit of romance, some suspense, and a cast of appealingly quirky

characters." —Booklist
"Lively . . . A healthy helping of foul play."

A new shifter romance series from New York Times & USA Today Bestselling author Cristina Rayne *Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared.

However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the

beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. Contains strong adult content and language.

 ABOUT THE ORIGINAL BOOK
The Knight in Rusty Armor has been a real success among its audience, selling more than one million copies worldwide. It is considered to be a motivational book that falls into the self-help category. It is an easy-to-follow narrative, making it accessible to everyone, built with some humor, and is enjoyed by adults, teenagers and children alike. The book tells a story of a somewhat egocentric man, who lives his life concerned with his appearance. Everything he does is without consideration for his wellbeing, rather with the aim of seeking approval of others... Little by little he is locked in his armor, which over time rusts and leaves him imprisoned by his appearance. Then comes a life of reflection and recovery for him. He embarks on a journey to free himself from his prison, during which he enlists the help of a magician. It is an excellent allegory that teaches the importance of being who you are on the inside, without the need

to mask your appearance.

Dear Lady Truelove, I am a girl of noble family, but I am painfully shy, especially in my encounters with those of the opposite sex . . . For Clara Deverill, standing in for the real Lady Truelove means dispensing advice on problems she herself has never managed to overcome. There's nothing for it but to retreat to a tearoom and hope inspiration strikes between scones. It doesn't—until Clara overhears a rake waxing eloquent on the art of "honorable" jilting. The

cad may look like an Adonis, but he's about to find himself on the wrong side of Lady Truelove. Rex Galbraith is an heir with no plans to produce a spare. He flirts with the minimum number of eligible young ladies to humor his matchmaking aunt, but Clara is the first to ever catch his roving eye. When he realizes that Clara—as Lady Truelove—has used his advice as newspaper fodder, he's infuriated.  "Dynamic supernatural characters fuel a riveting tale."—Kirkus Reviews I'm Sam Quinn, the werewolf book nerd owner of the Slaughtered Lamb Bookstore and Bar. Clive, my vampire gentleman caller, has asked me to marry him. His nocturne is less than celebratory. Unfortunately, for them and the sexy vamp doing her best to seduce him, his cold, dead heart beats only for me. As much as my love life feels like a minefield, it has to take a backseat to a far more pressing problem. The time has come. I need to

deal with my aunt, the woman who's been trying to kill me for as long as I can remember. She's learned a new trick. She's figured out how to weaponize my friends against me. To have any hope of surviving, I have to learn to use my necromantic gifts. I need a teacher. We find one hiding among the fae, which is a completely different problem. I need to determine what I'm capable of in a hurry because my aunt doesn't care how many are hurt or killed as long as she gets what she wants. Sadly for me, what she wants is my name on a headstone. I'm gathering my friends—werewolves, vampires, witches, gorgons, a Fury, a half-demon, an elf, and a couple of dragon-shifters—into a kind of Fellowship of the Sam. It's going to be one hell of a battle. Hopefully, San Francisco will still be standing when the dust clears.
