The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures,

and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

"[Snider has] created something unique: a synthesis of comics, philosophy, and poetry: a thoughtful new way of packaging eternal ideas in cartoon boxes." —The Los Angeles Review of Books What does an idea look like? And where do they come from? Grant Snider's illustrations will motivate you to explore these questions, inspire you to come up with your own answers and, like all Gordian knots, prompt even more questions. Whether you are a professional artist or designer, a student pursuing a creative career, a person of faith, someone who likes walks on the beach, or a dreamer who sits on the front porch contemplating life, this collection of one- and two-page comics will provide insight into the joys and frustrations of creativity, inspiration, and process—no matter your age or creative background. "A creative kaleidoscope of humor, insight, and truth. An inventive window into the creative experience filled with hope and encouragement for daydreamers and doodlers, sketchers and scribblers, inventors, explorers, and spinners of yarns." —Clare Vanderpool, New York Times–bestselling, Newbery Medal–winning author "Grant Snider's work delivers introspection, humor, and inspiration in visually stunning drawings. They are a colorful look into the creative process—from the moments of quiet contemplation to the days of frenzied desperation." —Susan Cain, #1 New York Times–bestselling author of *Quiet: The Power of Introverts in a World That Can't Stop Talking* "A friendly, encouraging depiction of the creative process, with its highs and lows, from a comics creator." —The Milwaukee Journal-Sentinel **Statement of Disbursements of the House** Martingale

(Vocal Selections). *Sweet Charity*, based on Federico Fellini's screenplay for *Nights of Cabiria*, was directed and choreographed by Bob Fosse, with music by Cy Coleman, lyrics by Dorothy Fields, and book by Neil Simon. Equal parts mail art, data visualization, and affectionate correspondence, *Dear Data* celebrates "the infinitesimal, incomplete, imperfect, yet exquisitely human details of life," in the words of Maria Popova (*Brain Pickings*), who introduces this charming and graphically powerful book. For one year, Giorgia Lupi, an Italian living in New York, and Stefanie Posavec, an American in London, mapped the particulars of their daily lives as a series of hand-drawn postcards they exchanged via mail weekly—small portraits as full of emotion as they are data, both mundane and magical. *Dear Data* reproduces in pinpoint detail the full year's set of cards, front and back, providing a remarkable portrait of two artists connected by their attention to the details of their lives—including complaints, distractions, phone additions, physical contact, and desires. These details illuminate the lives of two remarkable young women and also inspire us to map our own lives, including specific suggestions on what data to draw and how. A captivating and unique book for designers, artists, correspondents, friends, and lovers everywhere.

Embrace the things that make you you. From the bestselling editors at *Flow* magazine comes a guided journal with a welcoming, come-as-you-are message: Embrace the things that make you you, flaws and all. Charmingly illustrated and filled with activities and exercises, *My Perfectly Imperfect Life* inspires readers to let go of the pressure to be perfect and to celebrate quirks, slipups and imperfections rather than judge them. Here are prompts for easing up on self-criticism. For slowing down, and worrying less about accomplishments. For keeping a sense of perspective—even a playful one—when things don't go as planned. It's a thoughtful gift and an inspiring counterpoint to the too-perfectly-curated, omnipresent Instagram lifestyle.

Featured in USA Today's "Best Rom-Coms" of May 2023 and one of the Washington Post's best romances of the year! "The Stand-In is a charming, engaging rom com that drips in glamour and sparkles with banter. Chu's exploration of multi-racial identity was resonant and nuanced. The Stand-In is truly a stand out romance." — USA Today bestselling author Andie J. Christopher Gracie Reed was just fired by her overly "handsy" boss at the

worst possible moment. She's been scraping together every extra dollar to get her mother into a top-notch memory care center. To make matters worse, a paparazzo has mistaken her for a famous Chinese actress in town for a new project and the resulting snapshot's gone viral. Gracie's barely holding it all together...until a mysterious SUV rolls up beside her on the street, and she's offered the opportunity of a lifetime. Gracie can't believe what she's hearing: due to their uncanny resemblance, gorgeous actress Wei Fangli wants Gracie to be her stand-in. The catch? Gracie will have to be escorted by Sam Yao, the other half of Chinese cinema's infamous golden couple. Problem is, Sam is the most attractive—and infuriating—man Gracie's ever met. But if it means getting the money she needs for her mother, Gracie's in. Soon Gracie moves into a world of luxury she never knew existed. But resisting her attraction to Sam, and playing the role of an elegant movie star, proves more difficult than she ever imagined—especially when she learns the real reason Fangli so desperately needs to step out of the spotlight. In the end all the effort in the world won't be able to help Gracie keep up this elaborate ruse without losing herself...and her heart. Readers will delight in this glamorous, swoon worthy enemies-to-lovers romance that is as hilarious as it is heart-wrenching.

A DEAD MAN'S APARTMENT. Lonnie, a married but lonely truck driver, and Nickie, his mistress, a married but lonely hardware store clerk, meet twice a week in an apartment to talk and kiss. They have chosen a day to tell their spouses they are leaving them, but when the day comes, there is a message on Lonnie's answering machine: "You're a dead man." Lonnie wants to put off telling their spouses until he finds out who is after him, but when Nickie's brother, Al, reveals that Lonnie left his own message on the machine, Lonnie admits to being too scared to make the big move. Lonnie loses his secret life, but he realizes he loves his wife and that all this is for the best anyway. (2 men, 2 women.) ROSEMARY WITH GINGER. Two sisters meet in a closed-down diner and slowly reveal the strife they're experiencing at home: Rosemary, an alcoholic, is about to lose custody of her children, the pain of which leads her to drink more and to tolerate an abusive relationship with her boyfriend; Ginger finds herself in a loveless marriage, but more important, she needs to explain to Rosemary why she divulged Rosemary's alcoholism to her ex-husband, thus creating the custody battle. The sisters wrangle, accuse and attack, but mostly discover that, without each other, they have nothing. In the end, some hope is evident as the sisters rediscover their common bonds. (2 women.) FACE DIVIDED. In the emergency room of a Providence, Rhode Island hospital, Debbie waits for her husband. Their daughter, Jess, has fallen down the basement steps. That, at least, is what she tells the nurses, and this is the story she's sticking to. When Freddie arrives, he angrily confronts Debbie about the telltale signs of child abuse that mark their daughter. Debbie refuses to admit the truth and desperately talks about their simple life together before they were married and how she wants things back the way they were. Freddie warns Debbie that they'll lose their daughter, but Debbie won't cooperate. In the end, Freddie goes along with her story, all the while knowing that the state will do what it has to do and that Debbie will go on living in a dream world. (1 man, 2 women.)

"Delicious . . . richly riveting . . . The Vacationers offers all the delights of a fluffy, read-it-with-sunglasses-on-the-beach read, made substantial by the

exceptional wit, insight, intelligence and talents of its author."—People (four stars) An irresistible, deftly observed novel from the New York Times bestselling author of *All Adults Here* and *This Time Tomorrow*— about the secrets, joys, and jealousies that rise to the surface over the course of an American family's two-week stay in Mallorca. For the Posts, a two-week trip to the Balearic island of Mallorca with their extended family and friends is a celebration: Franny and Jim are observing their thirty-fifth wedding anniversary, and their daughter, Sylvia, has graduated from high school. The sunlit island, its mountains and beaches, its tapas and tennis courts, also promise an escape from the tensions simmering at home in Manhattan. But all does not go according to plan: over the course of the vacation, secrets come to light, old and new humiliations are experienced, childhood rivalries resurface, and ancient wounds are exacerbated. This is a story of the sides of ourselves that we choose to show and those we try to conceal, of the ways we tear each other down and build each other up again, and the bonds that ultimately hold us together. With wry humor and tremendous heart, Emma Straub delivers a richly satisfying story of a family in the midst of a maelstrom of change, emerging irrevocably altered yet whole.

Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.
