[webmail.bajanusa.com](mailto:webmail.bajanusa.com) 4 4 Biomes Mrs  
 Eggleston4.4 Biomes Lesson Objectives  
 Describe and compare the characteristics  
 of the major land biomes. Identify the  
 areas that are not classified into a major

biome. Lesson Summary The Major Biomes  
 A biome is a group of terrestrial regional  
 climate communities that covers a large  
 area and is characterized by soil type,  
 climate, and plant and animal life.4.4
