*Towards a Liveable and Sustainable
Urban Environment: Eco ...* Towards
Sustainable Cities East AsianWhile there
has been much recent research into
achieving sustainability in urban areas,
most of this is specific to a particular

region. This volume broadens these
discussions by extending the analysis
from North American and European
cities to include East Asian cities. Many
cities in Asia have deep historical roots,
have sustained dense populations
through time and have grown
prosperous in ...Towards Sustainable
