An extended
meditation on
late style and
last works

from "one of
our greatest
living critics"
(Kathryn
Schulz, New
York). When
artists and
athletes age,
what happens
to their work?
Does it ripen
or rot?

Achieve a new
serenity or
succumb to an
escalating
torment? As
our bodies
decay, how do
we keep on?
In this
beguiling
meditation,
Geoff Dyer

sets his own encounter with late middle age against the last days and last works of writers, painters, footballers, musicians, and tennis stars who've mattered to him throughout his life. With a playful charm and penetrating intelligence, he recounts Friedrich Nietzsche's breakdown in Turin, Bob Dylan's reinventions of old songs, J. M. W. Turner's paintings of abstracted

light, John Coltrane's cosmic melodies, Bjorn Borg's defeats, and Beethoven's final quartets—and considers the intensifications and modifications of experience that come when an ending is within sight. Throughout, he stresses the accomplishments of uncouth geniuses who defied convention, and went on doing so even when their beautiful youths were over. Ranging

from Burning Man and the Doors to the nineteenth-century Alps and back, Dyer's book on last things is also a book about how to go on living with art and beauty—and on the entrancing effect and sudden illumination that an Art Pepper solo or Annie Dillard reflection can engender in even the most jaded and ironic sensibilities. Praised by Steve Martin for his "hilarious tics" and by Tom

Bissell as “perhaps the most bafflingly great prose writer at work in the English language today,” Dyer has now blended criticism, memoir, and humorous banter of the most serious kind into something entirely new. The Last Days of Roger Federer is a summation of Dyer’s passions, and the perfect introduction to his sly and joyous work.

Roger Federer: a Biography of the Tennis

Legend Knopf With rare and unrivaled access, bestselling coauthor of Soccernomics and longtime Financial Times journalist Simon Kuper tells the story of how FC Barcelona became the most successful club in the world—and how that era is now ending FC Barcelona is not just the world’s highest grossing sports club, it is simply one of the most influential organizations

on the planet. At last count, it had approximately 214 million social media followers, more than any other sports club except Real Madrid CF—and by one earlier measure, more than all thirty-two NFL teams combined. It has more in common with multinational megacompanies like Netflix or small nation-states than it does with most soccer teams. No wonder its motto is “More than a club.” But it was not

always so. In the past three decades, Barcelona went from a regional team to a global powerhouse, becoming a model of sustained excellence and beautiful soccer, and a consistent winner of championships. Simon Kuper unravels exactly how this transformation took place, paying special attention to the club's two biggest stars, Johan Cruyff and Lionel Messi, who is arguably the

greatest soccer player of all time. Messi joined Barça at age thirteen and, more than anyone, has been the engine and standard-bearer of Barcelona's glory. But his era is coming to an end—and with it, a once-in-a-lifetime golden run. This book charts Barça's rise and fall. Like many world-beating organizations, FC Barcelona closely guards its secrets, granting few outsiders access to the

Camp Nou, its legendary home stadium. But after decades of writing about the sport and the club, Kuper was given access to the inner sanctum and the people behind the scenes who strive daily to keep Barcelona at the top. Erudite, personal, and capturing all the latest upheavals, his portrait of this incredible institution goes beyond soccer to understand FC Barcelona as a unique social,

cultural, and political phenomenon. *Portrait of An Artist Back* Bay Books
 A major biography of the greatest men's tennis player of the modern era. There have been other biographies of Roger Federer, but never one with this kind of access to the man himself, his support team, and the most prominent figures in the game, including such rivals as Rafael Nadal, Novak Djokovic, and

Andy Roddick. In *THE MASTER*, New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and, in his most gravity-defying act, remaining high on a

pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since

the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here, Clarey focuses on the pivotal people, places, and moments in Federer's long and rich career: reporting from South Africa, South

America, the Middle East, four Grand Slam tournaments, and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. THE MASTER tells the story of Federer's life and career on both an intimate and grand scale, in a way no one

else could possibly do. Roger Federer John Blake Roger Federer is a legend not only in the world of tennis but also in the wider sporting arena. With a record-breaking tally of 16 Grand Slam titles to his name, he shows no sign of slowing down and in 2010 added another Australian Open win to his collection, as well as taking the trophy in the end-of-season ATP World Wide Tour Finals in London. This

authoritative and affectionate biography traces the rise of Federer, from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland; and how he handled the sudden death of his first real coach and mentor. It looks at his development as a

sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career as, following a serious illness and a dip in form, his run of successive Wimbledon championship wins was ended and he was toppled from the number one spot by his

long-time rival Rafael Nadal. In characteristic style, Federer silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.
Federer - Completely Revised and Updated edition
Penguin
In this exuberantly praised book - a collection of seven pieces on subjects ranging from

television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseliner - David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers of his fiction, including the bestselling *Infinite Jest*.

FEDERER is almost universally recognised as the greatest tennis player of all time; he might also be the greatest athlete. Adored around the world, Federer has become one of sport's most iconic and popular figures. In this innovative graphic biography, Federer's genius is explored and celebrated like never before, with beautiful infographics looking at his serving

patterns, the speed of his shots, the spin he generates, his movement, as well as his performance in high-pressure situations such as tiebreaks and Grand Slam finals. Federer's astonishing records - no man has won more majors, or spent more weeks as the world number one - are also showcased against his rivals and the legends of the game. Drawing on his conversations

with Federer, as well as exclusive interviews with those close to the Swiss, Mark Hodgkinson tells the story of how a young hothead from Basel transformed himself into a calm and poised athlete who came to dominate tennis. And who, while deep in his thirties, has continued to seek improvements, to challenge men many years younger than him and to contend for the sport's

biggest prizes. The infographics, stunning photography and insight and analysis - from Federer's rivals, idols, coaches and members of his inner circle - will give you a new appreciation of his greatness and how his tennis has moved so many people. **Federer, Nadal, and the Greatest Match Ever Played** Kings Road Publishing Discover The Inspirational Story of Tennis Superstar

Roger Federer! Read on your PC, Mac, smart phone, tablet or Kindle device! You're about to discover the incredibly inspirational story of tennis superstar Roger Federer. If you're reading this then you must be a fan of Roger, like so many others. As a fan, you must wonder how this man is so talented and want to know more about him. Roger is considered to be one of the greatest tennis players

ever and it's been an honor to be able to watch him compete throughout his career. This book will reveal to you much about Roger's story and the many accomplishments throughout his career. Here Is A Preview Of What You'll Learn... Youth and Family Life Amateur Career Professional Career and Notable Moments Legacy, Charitable Acts and much more! If you want to learn more

about Roger Federer, then this book is for you. It will reveal to you many things that you did not know about this incredible tennis star! About the Author: Inspirational Stories is a series aimed at highlighting the great athletes of our society. Our mission is to present the stories of athletes who are not only impactful in their sport, but also great people outside of it. The athletes we write about

have gone above and beyond to become impactful in their community and great role models for the youth, all while showing excellence in their profession. We publish concise, easily consumable books that portray the turning points in the lives of these great athletes, while also giving the context in which they occurred. Our books are especially great for children who look up to

sports figures. Hopefully these athletes can serve as a source of inspiration and their stories can provide life lessons that are practical for fans of any demographic. *Federer* John Blake Since 2004, two names have dominated men's tennis: Rafael Nadal and Roger Federer. Each player is legendary in his own right. The Spanish Nadal is the winner of sixteen Grand Slam titles, including five

consecutive French Open singles titles from 2010-2014, and is the only player ever to win a Grand Slam for ten straight years. Federer, from Switzerland, has spent over three hundred weeks of his career ranked as the number-one player in the world and has won twenty Grand Slam titles and two Olympic medals. But neither player's career would have been nearly as successful without the

decade-long rivalry that pushed them to rise to the peak of tennis excellence. Nadal and Federer have met thirty-eight times over the course of their careers, and have shared the distinction of being ranked the two best players in the world for an astounding six years in a row from 2005-2009. In *Roger Federer and Rafael Nadal*, international sports journalist Sebastian Fest uses

information gleaned from his numerous interviews with both players over the last decade to narrate the rivalry, and its impact not only on the players, but on the sport itself.

Documenting their respective wins and losses, hopes and disappointments, and relationships with their rivals, Fest formulates a unique biography of two of the greatest players of

tennis. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish

books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that

are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

A Journey Into Tennis and Aging White Lion Publishing
Learn about the inspirational story of Roger Federer In *Roger Federer: A Biography of the Tennis Legend* you will learn about the life, professional career, and accomplishments of Roger Federer. In

this biography you will read about Roger Federer's incredible life story. Federer is arguably the greatest tennis player of all time, having won 17 Grand Slam titles, more than any other tennis player. He has been a force in the tennis world for the past ten years, and has had legendary matches against rivals, such as Nadal, Djokovic, and Murray. Federer began his tennis career in Switzerland, where he was

very successful as a junior player. He rose through the ranks, and gained international recognition after winning his first Wimbledon title in 2003. Since then, he has won with grace on the world stage. In addition to tennis, Federer has been part of many large marketing campaigns and philanthropy events. Read this biography to gain insight on the career, rivalries, and personal life of

this tennis great. Here is a preview of this biography: An Introduction to the Legacy of Roger Federer Discovering a First Love in Tennis Early Career and Establishment as a Title Contender International Super-Stardom, Rivalries, and the Ascent of a Tennis Icon At Home: The Personal Life of Roger Federer Making a Tremendous Impact: Roger's Emotional Connection with

Philanthropy Federer's Tennis Legacy Here is an excerpt from the book: Roger Federer, the Swiss-born tennis legend, has become one of the most well-rounded and professionally accomplished humans in the history of sport. As a whole, the sporting world watches closely as talented athletes vie for victory on a public platform and engage in competitive battle for all to admire.

Federer embodied the spirit of the "alpha-dog," just as fellow "alphas" like Tiger Woods and Michael Jordan similarly have. Not a single part of Federer's career is underwhelming or anticlimactic. From the tumultuous rivalries to utter domination of his sport, Federer lives up to the designation so many professional athletes chase but never quite achieve: Legend.

Quest for Perfection

Farrar, Straus and Giroux Roger Federer could live anywhere in the world, but he always returns to the place he loves most:

Switzerland.

Dave

Seminara is a mad traveler and tennis lifer who has written about Federer for The New York Times and other publications. A pair of autoimmune diseases and a knee surgery kept Dave from playing tennis for years, but

as he inched toward recovery, he had a bright idea: why not start his tennis comeback on hallowed ground—courts that his hero Roger Federer graced in Switzerland. Footsteps of Federer is a funny, novella-length account of Seminara's travels across seven Swiss cantons in search of insights into Federer's character, which is inextricably linked to his deep roots in, and love for,

his country.

Seminara timed his unique pilgrimage to the 2019 Swiss Indoors, where he had a chance to ask Roger a number of offbeat questions before and after Federer hoisted his record tenth title there. Seminara's Federer pilgrimage took him to Switzerland's most important abbey, where he prayed with Abbot Urban Federer; to the vineyard of Jakob

Federer from Berneck, where the Federer clan originated from; to the stunning villa where Roger and Mirka were married; and to many of the neighborhood s and tennis clubs where Roger has lived and trained at over the years.

American Minute Twelve #1 NATIONAL BESTSELLER Far more than a superb memoir about the highest levels of professional tennis, *Open* is the

engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors. But as he reveals in this searching autobiography , off the court he was often

unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point detail—the highs and lows of his celebrated career. *A Fan's Pilgrimage*

 Novak Djokovic is not just one the world's greatest tennis players - he is a de facto ambassador for his country, Serbia.
Roger Federer A Short Unauthorized Biography
 John Blake
 Roger Federer is an icon. One of the greatest tennis players of all time, he is also one of the most highly regarded and best-loved figures in the

sporting world. Veteran tennis writer René Stauffer has been closely covering Federer's career for nearly twenty-five years. In this comprehensive biography, Stauffer talks at length to the man himself as well as family, friends, coaches and rivals to paint an unrivalled picture of this extraordinary athlete, family man, philanthropist, businessman and sporting ambassador. From

Federer's early life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his twentieth Grand Slam victory and all points in between, Stauffer explores the secrets of Federer's success, the hardships and doubts that he has faced and examines Federer's legacy in the modern game. Insightful, touching and revealing, this is the most definitive biography on

Roger Federer ever written. A Champion's Mind Fame Life Bios INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom." —Wim Hof

Wim Hof has a message for each of us: "You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation." With The Wim Hof Method, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge

their capacity for strength, vitality, and happiness. Wim has become known as "The Iceman" for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to

transform their lives. In his gripping and passionate style, Wim shares his method and his story, including: •
 Breath—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind •
 Cold—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped

strength •
 Mindset—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living •
 Science—How users of this method have redefined what is medically possible in study after study •
 Health—True stories and testimonials from people using the method to overcome disease and chronic illness •
 Performance—Increase your

endurance, improve recovery time, up your mental game, and more •
 Wim’s Story—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph •
 Spiritual Awakening—How breath, cold, and mindset can reveal the beauty of your soul Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will

change the world, one soul at a time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, The Wim Hof Method is waiting for you.

 Roger Federer's astounding all-around ability has led to him being referred to as one of the most complete players the game has ever seen and with 17 Grand Slam wins and an Olympic Gold Medal under his belt, the Swiss star has already achieved legendary status in the game. This authoritative and affectionate biography traces Federer's rise, from his first

tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland, as well as how he handled the sudden death of his first real coach and mentor. It also examines how Roger has bounced back from arguably one of the most challenging periods of his career following a

serious illness and a dip in form, he broke his run of successive Wimbledon championship wins and was toppled from the number one spot by rival Rafael Nadal—but in characteristic style, silenced his critics by once again returning to winning form. This biography explains how Roger's professionalism and charm, as well as the time he devotes to his charitable foundation, have won him huge amounts of respect

from both his fellow athletes and tennis professionals alike.

Roger Federer and Rafael

Nadal Carlton Books

Roger Federer is undoubtedly the brightest star in tennis.

His astounding all-round ability has led to him being labelled as one of the most complete players the game has ever seen.

This biography traces the rise of Federer, from his first tentative strokes with a tennis racket to how he

handled the sudden death of his first real coach and mentor.

A Story of Obsession

Houghton Mifflin

Harcourt

The executive editor of Sports Illustrated

offers an in-depth analysis and behind-the-scenes look at the historic 2008 match between tennis titans.

In the 2008 Wimbledon men's final, Centre Court was a stage set worthy of Shakespearean drama. Five-time

champion Roger Federer was on track to take his rightful place as the most dominant player in the history of the game. He just needed to cling to his trajectory. So, in the last few moments of daylight, Centre Court witnessed a coronation. Only it wasn't a crowning for the Swiss heir apparent but for a swashbuckling Spaniard. Twenty-two-year-old Rafael Nadal prevailed, in five sets, in what was,

according to the author, "essentially a four-hour, forty-eight-minute infomercial for everything that is right about tennis—a festival of skill, accuracy, grace, strength, speed, endurance, determination, and sportsmanship ." It was also the encapsulation of a fascinating rivalry, hard fought and of historic proportions. In the tradition of John McPhee's

classic *Levels of the Game, Strokes of Genius* deconstructs this defining moment in sport, using that match as the backbone of a provocative, thoughtful, and entertaining look at the science, art, psychology, technology, strategy, and personality that go into a single tennis match. With vivid, intimate detail, Wertheim re-creates this epic battle in a book that is both a study of the

mechanics and art of the game and the portrait of a rivalry as dramatic as that of Ali-Frazier, Palmer-Nicklaus, and McEnroe-Borg. "Deftly touches on all the defining factors of contemporary tennis." —San Francisco Chronicle "Illuminates a kingdom changing hands. An engrossing book." —Bud Collins [Open](#) CreateSpace Roger Federer: A Short Unauthorized
