"This extraordinary well-
written and exciting book
is a thorough and
systematic exploration of

the spread of early
Mesopotamian
Christianity and its
disputed theology
undertaken by a leader of
the Church of the East. It
is an important historical
and patristic study for the
self-understanding of the
Assyrian Church today.
Mar Bawai Soro's
scholarship is tightly
reasoned and marked by

the utmost clarity. Being
truthful to the tradition of
his Church, the research
of Mar Bawai significantly

In this and every age, the church desperately needs prophecy. It needs the bold proclamation of God's transforming vision to challenge its very human tendency toward expediency and self-interest to jolt it into new insight and energy. For Luke Timothy Johnson, the New Testament books Luke and Acts provide

that much-needed jolt to conventional norms. To read Luke-Acts as a literary unit, he says, is to uncover a startling prophetic vision of Jesus and the church and an ongoing call for today's church to embody and proclaim God's vision for the world.

The Creed quickly hits the four marks of the church that it is "one holy catholic and apostolic." What do we mean by professing each of these? Di Berardino helps us to give an answer with the help of the fathers of the church.

Songs of Social Protest is a comprehensive, cutting-edge companion guide to

music and social protest globally. Bringing together established and emerging scholars from a range of fields, it explores a wide range of examples of, and contexts for, songs and their performance that have been deployed as part of local, regional and global social protest movements.

Book of Common Prayer
 Liturgical Press
 Originally published in 1999, The Rites of Christian Initiation was hailed for its clarity and comprehensiveness.
 Kalian McDonnell, OSB,

called it the best overall treatment of Christian initiation available, and Paul Bradshaw predicted it would be the standard textbook on the subject for very many years to come." The current edition draws on new translations of early texts on baptism as well as recent scholarship on the early traditions in the East and West. It is sure to replace itself as the new standard reference on the rites of Christian initiation. Maxwell E. Johnson's expanded and revised text provides a more

complete view of the history and interpretation of the rites in the Eastern Church, including two chapters that explore the pre-Nicene Eastern and Western traditions in detail. Revisiting the theology of baptism, this edition also provides more nuanced positions on the Eastern and Western traditions. Finally, recent liturgical developments in American Protestant churches, particularly Lutheran, as well as the ongoing development of the RCIA and confirmation practices of Catholics,

made it necessary to revisit the place and meaning of these rites in the church today. Maxwell E. Johnson, PhD, is professor of liturgy at the University of Notre Dame and an ordained minister of the Evangelical Lutheran Church in America. He has published in *Worship* and is the editor of and contributor to *Living Water, Sealing Spirit: Readings on Christian Initiation* (Liturgical Press, 1995) and the revised and expanded edition of *E.C. Whitaker, Documents of*

the Baptismal Liturgy (Liturgical Press and S.P.C.K., 2003), to which this study serves as a companion volume. "Eastern Christianity and Politics in the Twenty-First Century Image Basil of Caesarea is considered one of the architects of the Pro-Nicene Trinitarian doctrine adopted at the Council of Constantinople in 381, which eastern and western Christians to this day profess as "orthodox." Nowhere is his Trinitarian theology more clearly expressed

than in his first major doctrinal work, *Against Eunomius*, finished in 364 or 365 CE. Responding to Eunomius, whose *Apology* gave renewed impetus to a tradition of starkly subordinationist Trinitarian theology that would survive for decades, Basil's *Against Eunomius* reflects the intense controversy raging at that time among Christians across the Mediterranean world over who God is. In this treatise, Basil attempts to articulate a theology both of God's unitary essence

and of the distinctive features that characterize the Father, Son, and Holy Spirit--a distinction that some hail as the cornerstone of "Cappadocian" theology. In *Against Eunomius*, we see the clash not simply of two dogmatic positions on the doctrine of the Trinity, but of two fundamentally opposed theological methods. Basil's treatise is as much about how theology ought to be done and what human beings can and cannot know about God as it is about the

exposition of Trinitarian doctrine. Thus *Against Eunomius* marks a turning point in the Trinitarian debates of the fourth century, for the first time addressing the methodological and epistemological differences that gave rise to theological differences. Amidst the polemical vitriol of *Against Eunomius* is a call to epistemological humility on the part of the theologian, a call to recognize the limitations of even the best theology. While Basil refined his

theology through the course of his career, *Against Eunomius* remains a testament to his early theological development and a privileged window into the Trinitarian controversies of the mid-fourth century. *Evangelii Gaudium* Rowman & Littlefield St. Symeon (942-1022), abbot, spiritual director, theologian and church reformer, was the great spiritual master of Eastern Christianity. His Discourses, the central work of his life, were preached to his monks

during their Matins ritual. *Journal of Education* Harvard University Press The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers'

passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Each book in the 30 Days with a Great Spiritual Teacher series provides a month of daily readings from one of Christianity's most beloved spiritual guides. For each day

there is a brief and accessible morning meditation drawn from the mystic's writings, a simple mantra for use throughout the day, and a night prayer to focus one's thoughts as the day ends. These easy-to-use books are the perfect prayer companion for busy people who want to root their spiritual practice in the solid ground of these great spiritual teachers. In *Let Nothing Disturb You* readers discover the timeless spiritual counsel of St. Teresa of Avila, first

woman Doctor of the Church, in an easily accessible format. Selections from Teresa's writings have been carefully chosen and arranged for morning and evening meditation. *Library of Congress Subject Headings* Hendrickson Publishers This study provides a general overview and a succinct analysis of the primary ways in which the Old Testament has been received, interpreted and conveyed within Eastern Orthodox tradition, filling a vacuum in scholarly

literature on the history of biblical interpretation. The book is divided into two parts: Reception and Interpretation. Under Reception issues such as unity and diversity of the Christian Bible, text, canon, and Tradition are considered. The second part, Interpretation, focuses on Eastern Orthodox modes of interpretation: discursive and intuitive. Among the discursive modes, the patristic exegesis is chosen as a case study. The intuitive modes representing the so-called

"liturgical exegesis" are subdivided into aural (hymns, psalmody, lectionaries) and visual (portable icons, frescoes, mosaics). A special emphasis is placed on the hallmarks of Eastern Orthodox reception and interpretation of the Old Testament, including: the centrality of Scripture within Tradition, a blend of flexibility and strictness at all levels of the faith community, integrative function and holistic use of the sacred text, a tensed unity of discursive and intuitive modes of

interpretation, and a dynamic synergy between formative and informative goals in the use of Scripture.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a

tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the

assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. *Holy Qurbana Kramam* Taylor & Francis The perfect gift! A specially priced, beautifully designed hardcover edition of The

Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important

for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis

demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Revisioning Christian Unity Holy Qurbana KramamMalankara Orthodox Church Revisioning Christian Unity: The Global Christian Forum puts on record the story of the Global Christian Forum gathering that took place on November 6-9, 2007, at the Jumua Conference and Country Home in Limuru, near Nairobi, Kenya. That gathering turned out to be an extraordinary and historic event, a new departure in the search for Christian unity and common

witness involving all the main traditions of the Christian church worldwide. It was a decisive moment in a process that began in 1998 and since then continues to gain momentum. The main purpose of this volume is to preserve the memory and provide access to the full collection of documents for contemporary and future church workers, theologians, students, and researchers.

Recent immigrant Christians from India are changing the face of American Christianity. They are establishing churches with Orthodox, Protestant and Catholic rites. This book is a comprehensive study of these Christians, their churches and their adaptation. Professor Williams describes migration patterns since 1965, and how the role of Indian Christian nurses in creating immigration opportunities for their families affects gender relations, transition of

generations, interpretations of migration, Indian Christian family values, and types of leadership. Contemporary mobility and rapid communication create new transnational religious groups, and Williams reveals some of the reverse effects on churches and institutions in India. He notes some successes and failures of mediating institutions in the United States in responding to new forms of Christianity brought by immigrants.
