Look for Unicorns are Real, too!

**Dragons Are Real!** Del Rey

Help Your Dragon Break His Tech Addiction. A Cute Children Story to Teach Kids to Balance Life and Technology.

**Dragonriders of Pern** Dg Books Publishing

NEW YORK TIMES BESTSELLER Even though Lorana cured the plague that was killing the dragons

of Pern, sacrificing her queen dragon in the process, the devastating disease has left too few dragons alive to fight the fall of deadly Thread. As morale at Telgar Weyr plunges in the wake of the widespread loss, and Weyrwoman Fiona and the harper Kindan struggle to keep hope from vanishing, a pregnant Lorana decides she must take drastic steps. Nothing short of manipulating time itself will undo the damage done by the plague. But attempting time travel could have devastating consequences—altering history, and destiny, forever. Now, somehow, Lorana must find a way to accomplish what seems impossible: bending the natural laws of the universe without wreaking havoc on existence itself. To ensure the future of Pern, she's willing to take the fateful chance—even if it demands yet another, far greater, sacrifice. BONUS: This edition contains an excerpt from Anne McCaffrey and Todd McCaffrey's *Sky Dragons*.

**House of Dragons** Tor Teen

An all-new anthology of fantasy tales from popular Dragonlance authors focuses on the lives and behavior of dragons of every kind, both good and evil, in works by Richard A. Knaak, Jean Rabe, Paul B. Thompson, and other writers. Original.

*The Dragon's Legacy* Ann Gimpel Books, LLC

The bestselling dragon romance series of the year finally released in box set format. Now you can read each book in the series back to back from beginning to end. Perfect for those who are new to this amazing series or those fans who want to relive the magic one more time... My name is Anna Greely and I am a human girl living in a dystopian world controlled by the WereDragons. A world where humanity has been destroyed by technology and the dragons have all the power. Now, Prince Eli has become the latest dragon to take the throne as king and he has already made his first request. Me. I have no idea what a handsome dragon king would want with a shy orphan girl but when a dragon makes a demand you have no choice. You have to submit to him and do whatever he says... This is the COMPLETE series featuring all 4 books. Start reading now and enjoy it all the way through to the stunning finale!

**A Dragon's Guide to Making Perfect Wishes** Speak

Winnie and her pet dragon Miss Drake are back to their lessons as they head to the 1915 San Francisco World's Fair and wish-granting souvenirs follow them home.

**In the Time of Dragon Moon** Penguin

"You must go to the dragon. You must leave tonight." Before she even hears the words, Kaeldra

already knows what she must do. She must search out the mother dragon whose draclings have just hatched and somehow get some of her precious milk. It's the only way to save her foster-sister's life. Kaeldra would rather not go. It's much too terrifying, much too dangerous. But Kaeldra knows that she's the only one who can do it. For she is the only one who can actually communicate with dragons. But little does Kaeldra know what she's getting into. She's about to begin a journey that will entwine her fate with that of three little draclings and one would-be dragonslayer. A journey the will become a struggle for life.

*Love in the Time of Dragons* Dragon's TimeDragonriders of Pern

One cold rainy day when my father was a little boy, he met an old alley cat on his street. The cat was very drippy and uncomfortable so my father said, "Wouldn't you like to come home with me?" This surprised the cat—she had never before met anyone who cared about old alley cats—but she said, "I'd be very much obliged if I could sit by a warm furnace, and perhaps have a saucer of milk."

*The Dragon's Throne - Complete 4 Book Series* Tundra Books

Co-author of the Dune sequels, Kevin J. Anderson's Gods and Dragons marks his triumphant return to epic fantasy, featuring a politically charged adventure of swords, sorcery, vengeance, and the awakening of sleeping giants. Two continents at war: the Three Kingdoms and Ishara have been in conflict for a thousand years. But when an outside threat arises—the reawakening of a powerful ancient race that wants to remake the world—the two warring nations must somehow set aside generations of hatred to form an alliance against a far more deadly enemy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Highland Secrets* Scholastic Inc.

Weyrwoman Fiona struggles to keep her surviving Weyr in fighting shape while Lorana plans a complicated time-travel journey to save their world.

*Dragon's Milk* Del Rey

The year is 1917. Following the sudden death of his Professor, a young man and his two companions are approached by a strange man who gives them a book to safeguard. This book, the Imaginarium Geographica, is the reason the Professor was killed, and now, they too are in mortal danger. Chased by the ferocious Wendigo, half-man half-werewolf creatures, the three companions seek refuge on a ship - a ship that leads them to the extraordinary lands of myth and legend mapped in the precious book they carry. As their adventure unfolds we learn that the friends are in fact C.S Lewis, J.R.R Tolkien and Charles Williams - and as they discover that events in the known world mirror those in the imaginary realm, they come to realise the importance of the Imaginarium Geographica , and if not protected, there will be no peace from the war that rages in our world.

*Dragon's Time* Tor Books

An exploration of how the image and idea of the dragon has evolved through history How did the dragon get its wings? Everyone in the modern West has a clear idea of what a dragon looks like and of the sorts of stories it inhabits, not least devotees of the fantasies of J. R. R. Tolkien, J. K. Rowling, and George R. R. Martin. A cross between a snake and some fearsome mammal, often sporting colossal wings, they live in caves, lie on treasure, maraud, and breathe fire. They are extraordinarily powerful, but even so, ultimately defeated in their battles with humans. What is the

origin of this creature? The Dragon in the West is the first serious and substantial account in any language of the evolution of the modern dragon from its ancient forebears. Daniel Ogden's detailed exploration begins with the drakōn of Greek myth and the draco of the dragon-loving Romans, and a look at the ancient world's female dragons. It brings the story forwards though Christian writings, medieval illustrated manuscripts, and the lives of dragon-duelling saints, before concluding with a study of dragons found in the medieval Germanic world, including those of the Anglo-Saxon Beowulf and the Norse sagas.

*Future of the Time Dragon: A Branches Book (Dragon Masters #15)* Del Rey

NEW YORK TIMES BESTSELLER • "A richly detailed story on a par with the rest of the Pern canon . . . another successful McCaffrey mother-and-son collaboration."—Booklist At Natalon's mining camp, Pellar embarks on a secret mission to discover whether the condemned criminals known as the Shunned are stealing coal. But the gifted tracker discovers that a far more treacherous plot is unfolding. A heartless thief named Tenim has realized there is profit to be made from firestone, the volatile mineral that enables the dragons of Pern to burn the lethal Thread out of the sky. When the last remaining firestone mine explodes, a desperate race begins to find a new deposit of the deadly but essential mineral. Sure enough, Tenim has a murderous plan to turn tragedy to his own advantage. Now Pellar and his new friends—the kind and gentle Halla, a child of the Shunned, and Cristov, the son of a corrupt miner—must stop Tenim. If they fail, it will mean the end for Pern and its dragonriders. "Grittier than the early parts of the series; Todd's apparently brought a wider, more current worldview to Pern."—The San Diego Union-Tribune "These fabled dragons still cast a spell."—Publishers Weekly

*My Father's Dragon* Yearling Books

On their way home, Elmer and a flying dragon land on an unusual island and help some canaries uncover a buried treasure in this second installment of the My Father's Dragon's trilogy.

Illustrations.

*Dragon Orb* Titan Books (US, CA)

NEW YORK TIMES BESTSELLER Scores of dragons are dead after plague swept across the world of Pern, and now the Weyrs are struggling to rebuild before Threadfall destroys everything—and everyone—left alive. Their best hope lies with a group of new dragonriders who have volunteered to brave the dangers of an unexplored island populated by vicious wild felines and voracious tunnel-snakes to create a safe home for their young dragons, whose offspring will hopefully replenish Pern's decimated population. But their leader, Xhinna, the first female rider of a blue dragon, faces an uphill battle to win the respect of her peers, especially after tragedy leaves the new colony reeling. The way forward seems to lie with the awesome ability of the dragons to travel through time. But that power comes with risks: By venturing into the past, Xhinna may jeopardize the very future she has sworn to save. "Memorable characters and a good balance of individual dramas and large-scale action make this a strong addition to the Pern saga."—Library Journal "Longtime fans will enjoy the latest adventures of the cheerful dragonriders and their colorful mounts."—Publishers Weekly "McCaffrey will be remembered, rightly, as one of science fiction's grand masters."—Tor.com

**Dragon of the Lost Sea** Random House Digital, Inc.

Describes what man has thought about dragons since earliest times and includes tales illustrating these beliefs.

**Here, There Be Dragons** Tyndale House Publishers, Inc.

Five royal houses will hear the call to compete in the Trial for the dragon throne. A liar, a soldier, a servant, a thief, and a murderer will answer it. Who will win? Three Dark Crowns meets The Breakfast Club with DRAGONS. When the Emperor dies, the five royal houses of Etrusia attend the Call, where one of their own will be selected to compete for the throne. It is always the oldest child, the one who has been preparing for years to compete in the Trial. But this year is different. This year these five outcasts will answer the call... THE LIAR: Emilia must hide her dark magic or be put to death. THE SOLDIER: Lucian is a warrior who has sworn to never lift a sword again. THE SERVANT: Vespis is a dragon trainer whose skills alone will keep her in the game. THE THIEF: Ajax knows that nothing is free—he must take what he wants. THE MURDERER: Hyperia was born to rule and will stop at nothing to take her throne.

Drake travels back in time to save a Dragon Master!

Random House Books for Young Readers

Marie Brennan begins a thrilling new fantasy series in A Natural History of Dragons, combining adventure with the inquisitive spirit of the Victorian Age. You, dear reader, continue at your own risk. It is not for the faint of heart—no more so than the study of dragons itself. But such study offers rewards beyond compare: to stand in a dragon's presence, even for the briefest of moments—even at the risk of one's life—is a delight that, once experienced, can never be forgotten. . . . All the world, from Scirland to the farthest reaches of Eriga, know Isabella, Lady Trent, to be the world's preeminent dragon naturalist. She is the remarkable woman who brought the study of dragons out of the misty shadows of myth and misunderstanding into the clear light of modern science. But before she became the illustrious figure we know today, there was a bookish young woman whose passion for learning, natural history, and, yes, dragons defied the stifling conventions of her day. Here at last, in her own words, is the true story of a pioneering spirit who risked her reputation, her prospects, and her fragile flesh and bone to satisfy her scientific curiosity; of how she sought true love and happiness despite her lamentable eccentricities; and of her thrilling expedition to the perilous mountains of Vystrana, where she made the first of many historic discoveries that would change the world forever. "Saturated with the joy and urgency of discovery and scientific curiosity."—Publishers Weekly (starred review) on A Natural History of Dragons An NPR Best Book of 2013 The Lady Trent Memoirs 1.
