The beloved classic that has awakened generations to the power within. One of Ernest Holmes's cornerstone works, *This Thing Called You* is an intimate guide through which readers learn the important lesson of how they are an immutable part of the flow of life, and how they may fulfill the longing, within all of us, to live more fully. The book details methods of meditation used for healing, improving mind and body, and reaching one's divine self. Included are numerous inspirations, meditations, and prayers that individuals can apply to their lives, which reveal the unlimited potential of the spiritual psychology that Holmes founded.

Jesus clarified the requirements of every believer. He simply said, "If any man will come after me, let him deny himself, take up his cross, and follow me" (Matt. 16:24). Sounds simple enough...until you begin to break it down. In today's affluent society, most are not accustomed to denying themselves anything, even if they don't have the means to pay for it. Personal responsibility is at an all-time low. When tragedy strikes, we look for someone or something to blame. Certainly not my fault. Jesus requires us to take up a cross. Well, that's easy enough...gold, silver, or platinum? But don't forget the cross is not jewelry to be worn; on the contrary, it is an instrument of death. Our death. Have an addiction that you are struggling with? Perhaps you have concluded that God made you to live as a homosexual. God's fault there. And that alcohol or drug addiction, well, it's a disease. Not my fault there either. So open the pages and take a look. Dare you. The hard truth for all is that the Bible, God's Word, is a mirror. You and I must see ourselves, in light of His Scriptures, as He sees us. But read on. The Bible contains all the power and tools you and I need to obey Jesus' command. So take up your cross and follow Him!

The Surprisingly Simple Truth Behind Extraordinary Results Butterworth-Heinemann

****Now a USA Today Bestseller**** If your ex arrives in your hometown eighteen months after you walked out on him while you were eight months pregnant, follow this short list of rules before you give him a second chance. Rule #1 - Don't stand in the way of your brothers who want to rough him up. Rule #2 - Don't meet him for coffee and agree to allow him to meet your daughter. Rule #3 - Don't drool when your daughter falls asleep on his chest for the first time. It's just your ovaries talking. Rule #4 - Don't let him hold your hand. While we're at it, no hugs, no kisses on the cheek...

just no physical contact in general. That only leads to remembering better times. The last one is the most important... Rule #5 - When you find yourself needing someone's help and you're tired of always asking your family, don't let him be the one who's there for you. Because all those good qualities of his will suck you right back in and you'll have no chance of fighting your feelings, especially now that he's ready to be a father to your daughter.
