At the beginning of senior year, Ann was a smiling, straight-A student with friends and a future. Then she met a haunted young man named Connor. Only she can heal his emotional scars; only he could make her feel so loved—and needed. Just

one mistake could trigger Connor's rage, a violent storm damaging everything—and everyone—in its path.

The Promise Harper
Collins

You'd think life couldn't get much worse than being arrested on prom night. But you'd be wrong. No friends. My two besties, Cassie and Lila, are now officially parentally banned. No summer of freedom. Instead, I'll be working at

a convenience store, earning money just so I can cover bail. No future. Just a series of humiliating "rehabilitation techniques" designed to teach me a lesson. The only silver lining is Aaron—a mystery wrapped in a leather jacket and wielding car keys—who just happens to show up right when I need him. Now I only feel alive when we're driving together, the wind in my hair. Maybe finally getting

a life only happens once you think your life is over. **Fearscape** Houghton Mifflin Harcourt The Willows own a decaying caravan park. When trusting Oliver befriends an outsider intent on uncovering the secrets of their family, the Willows' world is blown apart in a shocking climax. Published to much acclaim, *Sleeping Dogs* was the winner of both the 1996 Victorian Premier's Literary Award Sheaffer Pen Prize and the 1996 Miles Franklin Inaugural Kathleen

Mitchell Award. **Sleeping Dogs** Delacorte Press Gwyneth Shepherd's sophisticated, beautiful cousin Charlotte has been prepared her entire life for traveling through time. But unexpectedly, it is Gwyneth who in the middle of class takes a sudden spin to a different era! Gwyneth must now unearth the mystery of why her mother would lie about her birth date to ward off suspicion about her ability, brush up on her history, and work with Gideon—the time traveler

from a similarly gifted family that passes the gene through its male line, and whose presence becomes, in time, less insufferable and more essential. Together, Gwyneth and Gideon journey through time to discover who, in the 18th century and in contemporary London, they can trust. Kerstin Gier's *Ruby Red* is young adult novel full of fantasy and romance. [Goodbye, Perfect](#) Simon and Schuster "Someone's best quality is also their worst. It's the

most extreme parts of us that are extraordinary, but can also be very unrelatable." Alex has been secretly watching Penelope for years, controlling who she dates and what coffee she drinks. But when Penelope unexpectedly bumps into Nathan, Alex starts to lose control of his obsession. How far will he go to get rid of Nathan and protect the masterpiece he's created in Penelope?

SOME SIBLINGS ARE BETTER KEPT APART • NOW A FILM, DIRECTED BY SARAH LANCASTER Beautiful, brilliant, and inseparable, Josie and Jack Raeburn live a secluded, anarchic existence in their decaying western Pennsylvania home. The only adult in their lives is their rage-prone father, a physicist, whose erratic behavior finally drives them away. Without a moral compass to guide them, Jack leads Josie into a menacing world of wealth, eroticism, and betrayal. His sociopathic

tendencies emerge, and soon Josie must decide which is stronger: the love and devotion she feels for her brother or her will to survive. From its opening page to its shocking climax, this contemporary Hansel and Gretel story is compulsively readable and hugely entertaining. *Many Waters* Simon and Schuster Sarai was only fourteen when her mother uprooted her to live in Mexico with a notorious drug lord. Over time she forgot what it was like to live a normal life, but she

never let go of her hope to escape the compound where she has been held for the past nine years. Victor is a cold-blooded assassin who, like Sarai, has known only death and violence since he was a young boy. When Victor arrives at the compound to collect details and payment for a hit, Sarai sees him as her only opportunity for escape. But things don't go as planned and instead of finding transport back to Tucson, she finds herself free from one dangerous man and caught in the

clutches of another. While on the run, Victor strays from his primal nature as he succumbs to his conscience and resolves to help Sarai. As they grow closer, he finds himself willing to risk everything to keep her alive; even his relationship with his devoted brother and liaison, Niklas, who now like everyone else wants Sarai dead. As Victor and Sarai slowly build a trust, the differences between them seem to lessen, and an unlikely attraction intensifies. But Victor's

brutal skills and experience may not be enough in the end to save her, as the power she unknowingly holds over him may ultimately be what gets her killed.

While trying to save her brother from the witch three years ago, Greta was thrown into the fire herself, falling through a portal to a dangerous world where humans are the enemy, and every ogre, goblin, and ghoul has a dark side that

comes out with the full moon. To survive, 17-year-old Greta has hidden her humanity and taken the job of bounty hunter—and she's good at what she does. So good, she's caught the attention of Mylena's young Goblin King, the darkly enticing Isaac, who invades her dreams and undermines her determination to escape. But Greta's not the only one looking to get out of Mylena. The full moon is mere days away, and an ancient evil being knows she's the key to opening the portal. If

Greta fails, she and the boys she finds stranded in the woods will die. If she succeeds, no world will be safe from what follows her back . . .

Wasteland Harlequin
IT IS THE summer of 1938 when young Paul Moreaux discovers he can “fade.” First bewildered, then thrilled with the power of invisibility, Paul experiments. But his “gift” soon shows him shocking secrets and drives him toward a chilling act. “Imagine what might happen if Holden Caulfield stepped

into H. G. Wells’ *The Invisible Man*, and you’ll have an idea how good Fade is. . . . I was absolutely riveted.”—Stephen King

Delacorte Books for Young Readers
A riveting and powerful story of a runaway girl lured into prostitution in New York City, perfect for fans of Ellen Hopkins and Patricia McCormick. What do you do if you're in trouble? When Michelle runs away from her drug-addicted mother, she has just enough money to

make it to New York City, where she hopes to move in with a friend. But once she arrives at the bustling Port Authority, she is confronted with the terrifying truth: She is alone and out of options. Then she meets Devon, a good-looking, well-dressed guy who emerges from the crowd armed with a kind smile, a place for her to stay, and eyes that seem to understand exactly how she feels. But Devon is not who he seems to be, and soon Michelle finds herself engulfed in the world of

child prostitution, where he becomes her "Daddy" and she is his "Little Peach." It is a world of impossible choices, where the line between love and abuse, captor and savior, is blurred beyond recognition. This hauntingly vivid story illustrates the human spirit's indomitable search for home and one girl's struggle to survive. **Flawed** Flawed Sarah O'Brien is alive because of the pact she and her brother made twelve years ago — James will protect her from their

violent father if she promises to never leave him. For years, she's watched James destroy his life to save hers. If all he asks for in return is her affection, she'll give it freely. Until, with a tiny kiss and a broken mind, he asks for more than she can give. Sam Donavon has been James' best friend — and the boy Sarah's had a crush on — for as long as she can remember. As their forbidden relationship deepens, Sarah knows she's in trouble. Quiet, serious Sam has decided

he's going to save her. Neither of them realize James is far more unstable than her father ever was, or that he's not about to let Sarah forget her half of the pact . . .

But I Love Him Roxy Sloane Books

"Brownlee writes with all the breathless excitement and excruciating longing of a first love, further complicated by the forbidden nature of their romance. . . One of the most believable love triangles on the page in ages."--Entertainment Weekly An attraction

between foster siblings sets fire to forbidden love in this contemporary reimagining of *Wuthering Heights*. Emma's life has always gone according to her very careful plans. But things take a turn toward the unexpected when she falls in love for the first time with the one person in the world who's off-limits: her new foster brother, the gorgeous and tormented Dylan McAndrews. Meanwhile, Emma's AP English class is reading *Wuthering Heights*, and she's been assigned to echo Emily

Bronte's style in an epistolary format. With irrepressible feelings and no one to confide in, she's got a lot to write about. Distraught by the escalating intensity of their mutual attraction, Emma and Dylan try to constrain their romance to the page—for fear of threatening Dylan's chances at being adopted into a loving home. But the strength of first love is all-consuming, and they soon get enveloped in a passionate, secretive relationship with a very uncertain outcome.

 When you were a baby I sat very still to hold you. I could see the veins through your skin like a map to inside you. I stopped breathing so you wouldn't ... You were just a boy on a bed in a room, like a kaleidoscope is a tube full of bits of broken glass. But the way I saw you was pieces refracting

the light, shifting into an infinite universe of flowers and rainbows and insects and planets, magical dividing cells, pictures no one else knew ... Your whole life you can be told something is wrong and so you believe it.

 "Laura Wagner has managed to get a huge amount of Haiti into the pages of this book: the sun, the rain, the bottomless spiral of catastrophe, rage, despair and indomitable hope."
 —Madison Smartt Bell, author of *All Souls' Rising: A Novel of Haiti* "In Haiti they say 'Kreyòl pale, Kreyòl konprann.' Speak

plainly and honestly, and be understood. Laura Wagner does just that in this brave, beautiful book, bringing us the complex life of Magdalie, and a glimpse of a people's soul." —Jonathan M. Katz, author of *The Big Truck That Went By: How the World Came to Save Haiti and Left Behind a Disaster* "Haiti, already one of the poorest countries in the world, was devastated by the earthquake in 2010. This is a story of everything that comes after: from a candid depiction of the

international response to a young girl's account of what a life of desperation can do to an individual and to a society. Magdalie's journey shows the importance of connections, of family and friends, during difficult times and the anguish that comes when those bonds are broken. In her debut novel, Laura Rose Wagner has managed to capture the devastation of loss while providing determined hope for the individual and the nation. An important read for anyone who wishes to

better understand the reality of life in Haiti after the earthquake." —Ophelia Dahl, executive director of Partners in Health *Hold Tight, Don't Let Go* follows the vivid story of two teenage cousins, raised as sisters, who survive the devastating 2010 earthquake in Haiti. After losing the woman who raised them in the tragedy, Magdalie and Nadine must fend for themselves in the aftermath of the quake. The girls are inseparable, making the best of their

new circumstances in a refugee camp with an affectionate, lively camaraderie, until Nadine, whose father lives in Miami, sends for her but not Magdalie. As she leaves, Nadine makes a promise she cannot keep: to bring Magdalie to Miami, too. Resourceful Magdalie focuses her efforts on a reunion with Nadine until she realizes her life is in Haiti, and that she must embrace its possibilities for love, friendship, and a future. *A Novel!* Entangled: Teen The story chronicles Wu

Zhao's humble beginnings as the daughter of a provincial official and follows her path to the inner palace, where she improbably rose from a fifth-ranked concubine to emperor. Using Buddhist rhetoric, architecture, court rituals, and a network of "cruel officials" to cow her many opponents in court, Wu Zhao inaugurated a new dynasty in 690, the Zhou. She ruled as emperor for fifteen years, proving eminently competent in the art of governance, balancing factions in

court, staving off the encroachment of Turks and Tibetans, and fostering the state's economic growth. *Pretty Amy* Thomas Nelson

Friendship bonds are tested and the very nature of loyalty is questioned in this lyrical novel about a teen whose best friend runs away with her teacher after suffering the effects of too much academic pressure.

Perfect for fans of Morgan Matson and Jennifer

Niven. Eden McKinley knows she can't count on much in this world, but she can depend on Bonnie, her solid, steady, straight-A best friend. So it's a bit of a surprise when Bonnie runs away with the boyfriend Eden knows nothing about five days before the start of their final exams.

Especially when the police arrive on her doorstep and Eden finds out that Bonnie's boyfriend is actually their music teacher, Mr. Cohn. Sworn to secrecy and bound by loyalty, only Eden knows

Bonnie's location, and that's the way it has to stay. There's no way she's betraying her best friend. Not even when she's faced with police questioning, suspicious parents, and her own growing doubts. As the days pass and things begin to unravel, Eden is forced to question everything she thought she knew about the world, her best friend, and herself. In this touching and insightful novel, bestselling author Sara Barnard explores just

what can happen when the pressure one faces to be "perfect" leads to drastic fallout.
