Contributions by Megan Brown, Jill Coste, Sara K. Day, Rachel Dean-Ruzicka, Rebekah Fitzsimmons, Amber Gray, Roxanne Harde, Tom Jesse, Heidi Jones, Kaylee Jangula Mootz, Leah Phillips, Rachel L. Rickard Rebellino, S. R. Toliver, Jason Vanfosson, Sarah E. Whitney, and Casey Alane Wilson While critical and popular attention afforded to twenty-first-century young adult literature has exponentially increased in recent years, classroom materials and scholarship have remained static in focus and slight in scope. Twilight, The Hunger Games, The Fault in Our Stars, and The Hate U Give overwhelm conversations among scholars and critics—but these are far from the only texts in need of analysis. Beyond the Blockbusters: Themes and Trends

in Contemporary Young Adult Fiction offers a necessary remedy to this limiting perspective, bringing together essays about the many subgenres, themes, and character types that have until now been overlooked. The collection tackles a diverse range of topics—modern updates to the marriage plot; fairy tale retellings in dystopian settings; stories of extrajudicial police killings and racial justice. The approaches are united, though, by a commitment to exploring the large-scale generic and theoretical structures at work in each set of texts. As a collection, *Beyond the Blockbusters* is an exciting entryway into a field that continues to grow and change even as its works captivate massive audiences. It will prove a crucial addition to the library of any scholar or instructor of young adult literature.

A hilarious and heartwrenching story about surviving middle school—and an unthinkable diagnosis—while embracing life's weirdness. Ross Maloy just wants to be a normal seventh grader. He doesn't want to lose his hair, or wear a weird hat, or deal with the disappearing friends who don't know what to say to "the cancer kid." But with his recent diagnosis of a rare eye cancer, blending in is off the table. Based on Rob Harrell's real life experience, and packed with comic panels and spot art, this incredibly personal and poignant novel is an unforgettable, heartbreaking, hilarious, and uplifting story of survival and finding the music, magic, and laughter in life's weirdness.

In *The Third Wheel*, love is in the air—but what does that mean for Greg Heffley? A Valentine's Day dance at Greg's middle school has turned his world upside down. As Greg scrambles to find a

date, he's worried he'll be left out in the cold on the big night. His best friend, Rowley, doesn't have any prospects either, but that's a small consolation. Then an unexpected twist gives Greg a partner for the dance and leaves Rowley the odd man out. But a lot can happen in one night, and in the end, you never know who's going to be lucky in love. 'Writing *The Third Wheel* has been a lot of fun because there's so much humor to be mined in the world of middle school romance. When the dust settles at the end of the seventh book, the Wimpy universe will be changed in a way that will surprise fans of the series.' says author, Jeff Kinney.

Reading Young Adult Literature: A Critical Introduction Abrams

Meet the youngest known child to be arrested for a civil rights protest in Birmingham, Alabama, 1963, in this moving picture book that proves you're never too little to make a difference.

Nine-year-old Audrey Faye Hendricks intended to go places and do things like anybody else. So when she heard grown-ups talk about wiping out Birmingham's segregation laws, she spoke up. As she listened to the preacher's words, smooth as glass, she sat up tall. And when she heard the plan—picket those white stores! March to protest those unfair laws! Fill the jails!—she stepped right up and said, I'll do it! She was going to j-a-a-ill! Audrey Faye Hendricks was confident and bold and brave as can be, and hers is the remarkable and inspiring story of one child's role in the Civil Rights Movement.

Rowley Jefferson's Awesome Friendly Adventure Abrams

Ginny has ten items on her big to-do list for seventh grade. None of them, however, include accidentally turning her hair pink. Or

getting sent to detention for throwing frogs in class. Or losing the lead role in the ballet recital to her ex-best friend. Or the thousand other things that can go wrong between September and June. But it looks like it's shaping up to be that kind of a year! As readers follow Ginny throughout the story of her year, told entirely through her stuff—notes from classmates, school reports, emails, poems, receipts, and cartoons from her perpetually-in-trouble older brother Harry—a portrait emerges of a funny, loveable, thoughtful girl struggling to be herself...whoever that person turns out to be.

Even as a kid, everyone thought Jeff Kinney was talented. People loved his drawings, and when he went to college, his comic strip Igdoof was so popular that it spread to other universities! Still, Jeff faced challenges. His cartoons were rejected by syndicates that claimed his art was unprofessional. Then, an idea struck: Jeff would write a journal from the perspective of a child, illustrated with doodles just like a kid might do. And so, the Diary of a Wimpy Kid series was born--and it was a hit! In this biography, Jeff's brother, Patrick Kinney, provides a knowledgeable look at the life of this best-selling author/illustrator. From Jeff's childhood pranks to his job developing online games, kids will love the chance to learn more about the creator of the popular Wimpy Kid books.

When Amelia's mom gives her a journal for her birthday, she finally has a place to share her truest feelings at last! Nine-year-old Amelia's mother gives her a blank notebook to write down her thoughts and tells her it will make her feel better. Why would a dumb notebook make me feel better, Amelia thinks. The only thing that will make Amelia feel better is going back to old house, her old school, and her old friends. Amelia does not—do you hear this!—want to move. But no one is listening to Amelia.

Amelia's Notebook Amulet Books

Caregiver involvement is key to a child's reading success story, and libraries are in the perfect position to provide the guidance needed for parents and caregivers to embrace their role as their

children's first and most enduring teachers. Libraries offer many programs and services for children, but sometimes caregivers are left out of the equation, especially once children start school. Nevertheless, parents and caregivers are an integral part of literacy development, and libraries are a great place for them to witness modeling practices and participate in engaging family programs that encourage early literacy. Mary Schreiber combines personal experience and professional research with the programming expertise of youth librarians from across the country in this guide for libraries looking to make an even greater impact on the level of literacy attained by the children they serve. In *Partnering with Parents*, readers will find a wealth of information on how to talk to caregivers about the different stages of a child's reading life, what books to recommend to excite both caregivers and children about reading, and ways to encourage parent and caregiver participation in library programming, with additional information on working with and providing programming for diverse families. Whether you are a

veteran in the profession or brand new to working with families, you will find something in this book that will help you to make your library a more integral part of the education community.
