*The Life and  
Death of Yukio  
Mishima*  
Vintage  
Half a century

after his  
shocking  
samurai-style  
suicide, Yukio  
Mishima  
(1925-1970)  
remains a  
deeply  
controversial  
figure. Though  
his writings  
and life-story

continue to  
fascinate  
readers  
around the  
world,  
Mishima has  
often been  
scorned by  
scholars, who  
view him as a  
frivolous  
figure whose

work expresses little more than his own morbid personality. In Mishima, Aesthetic Terrorist, Andrew Rankin sets out to challenge this perception by demonstrating the intelligence and seriousness of Mishima's work and thought. Each chapter of the book examines one of the central ideas that Mishima develops in his writings: life as art, beauty as evil,

culture as myth, eroticism as transgression, the artist as tragic hero, narcissism as the death drive. Along with fresh readings of major works of fiction such as The Temple of the Golden Pavilion and "Patriotism," the book introduces less familiar works in different genres. Special prominence is given to Mishima's essays, which contain some of his most brilliant writing.

Mishima is concerned with such problems as the loss of certainties and absolute values that characterizes modernity, and the decline of strong identities in a world of increasing uniformity and globalization. In his cultural criticism Mishima makes an impassioned defense of free speech, and he rails against all forms of authoritarianism and censorship. Rankin reads

Mishima's artistic project, up to and including his spectacular death, as a single, sustained lyric, an aggressive piece of performance art unfolding in multiple media. For all his rebellious energies, Mishima's work is suffused with a sense of ending—the end of art, the end of eroticism, the end of culture, the end of the world—and it is governed by a decadent aestheticism

which holds that beautiful things radiate their most intense beauty on the cusp of their destruction. Erudite and authoritative, yet written in clear, accessible prose, Mishima, *Aesthetic Terrorist* is essential reading for all those who seek a deeper understanding of this radical and provocative figure. *No Longer Human* New Directions Publishing Set in a remote fishing

village in Japan, *The Sound of Waves* is a timeless story of first love. A young fisherman is entranced at the sight of the beautiful daughter of the wealthiest man in the village. They fall in love, but must then endure the calumny and gossip of the villagers. *A Vision of the Void* Litres A beautiful, luxurious notebook from *Flame Tree*. Combining high-quality production with magnificent

fine art, the covers are printed on foil in five colours, embossed then foil stamped. And they're powerfully practical: a pocket at the back for receipts and scraps, two bookmarks and a solid magnetic side flap. Golden Pavilion in Japan design. The Sound of Waves Moon Travel 'Was it death he was now waiting for? Or a wild ecstasy of the senses?' For the young army officer of Yukio

Mishima's seminal story, 'Patriotism,' death and ecstasy become elementally intertwined. With his unique rigor and passion, Mishima hones in on the body as the great tragic stage for all we call social, ritual, political. *The Temple of the Golden Pavilion* Random House Novelist, playwright, film actor, martial artist, and political commentator, Yukio Mishima (1925-1970)

was arguably the most famous person in Japan at the time of his death. Henry Scott Stokes, one of Mishima's closest friends, was the only non-Japanese allowed to attend the trial of the men involved in Mishima's spectacular suicide. In this insightful and empathetic look at the writer, Stokes guides the reader through the milestones of Mishima's meteoric and eclectic career

and delves into the artist's major works and themes. This biography skillfully and compassionately illuminates the achievements and disquieting ideas of a brilliant and deeply troubled man, an artist of whom Nobel Laureate Yasunari Kawabata had said, "A writer of Mishima's caliber comes along only once every two or three hundred years." Lonely Planet The most

internationally acclaimed Japanese author of the twentieth century, Yukio Mishima (1925–70) was a prime candidate for the Nobel Prize. But the prolific author shocked the world in 1970 when he attempted a coup d'état that ended in his suicide by ritual disembowelment. In this radically new analysis of Mishima's extraordinary life, Damian Flanagan deviates from the stereotypical

depiction of a right-wing nationalist and aesthete, presenting the author instead as a man in thrall to the modern world while also plagued by hidden neuroses and childhood trauma that pushed him toward his explosive final act. Flanagan argues that Mishima was a man obsessed with the concepts of time and "emperor," and reveals how these were at the heart of his literature and life.

Untangling the distortions in the writer's memoirs, Flanagan traces the evolution of Mishima's attempts to master and transform his sexuality and artistic persona. While often perceived as a solitary protest figure, Mishima, Flanagan shows, was very much in tune with postwar culture—he took up bodybuilding and became a model and actor in the 1950s, adopted the themes of contemporary political scandals in his work, courted English translators, and became influenced by the student protests and hippie subculture of the late 1960s. A groundbreaking reevaluation of the author, this succinct biography paints a revealing portrait of Mishima's life and work. *29 Walks in Japan's Ancient Capital* Stone Bridge Press In commemorati on of the fiftieth anniversary of the death of Yukio Mishima, one of the leading figures in modern literature, *The Death of a Man* presents a sublime--and often shocking--visual record of the last few months prior to his sensational ritual suicide in November 1970. The author of masterworks such as *The Temple of the Golden Pavilion* and *Forbidden Colors*, Mishima, a

celebrated figure in postwar world literature, remains a controversial figure in Japan. His reactionary politics and the spectacular nature of his death had so profoundly impacted Japanese society that images associated with the event were never publicly shown. In the months prior to the November incident, he enlisted Kishin Shinoyama to create a photographic,

radical work of fiction, a photo essay on the death of the Japanese "everyman." In images often suffused with militarism and eroticism, a parade of men, including a sailor, a construction worker, a fisherman, and a soldier, are shown meeting grisly, dramatic ends. Published for the very first time, these stylized images of men dying alone serve as prologues to the real-world

culmination of Mishima's pursuit of total art. Locked in a performance with one inescapable end, Mishima offered his own body as its final act. With texts by Mishima and his closest intimates and first-person reminiscences of his final moments, this book promises to be an unprecedented interrogation on the nature of performance and the role of artist as actor, provocateur, and revolutionary.

glittering  
novella about  
stardom from  
"one of the  
greatest  
avant-garde  
Japanese  
writers of the  
twentieth  
century"  
(Judith  
Thurman, The  
New Yorker)  
All eyes are on  
Rikio. And he  
likes it,  
mostly. His  
fans cheer,  
screaming and  
yelling to  
attract his  
attention—the  
y would kill for  
a moment  
alone with  
him. Finally  
the director

sets up the  
shot, the  
camera begins  
to roll,  
someone yells  
"action";  
Rikio, for a  
moment,  
transforms  
into another  
being, a  
hardened  
young yakuza,  
but as soon as  
the shot is  
finished, he  
slumps back  
into his own  
anxieties and  
obsessions.  
Being a star,  
constantly  
performing,  
being watched  
and  
scrutinized as  
if under a  
microscope, is  
often a drag.  
But so is life.  
Written  
shortly after

Yukio Mishima himself had acted in the film "Afraid to Die," this novella is a rich and unflinching psychological portrait of a celebrity coming apart at the seams. With exquisite, vivid prose, Star begs the question: is there any escape from how we are seen by others?

**Mystical  
Ennui**

Random House Beautiful Star is a 1962 tale of family, love, nuclear war and UFOs, and

was the novel Mishima considered to be his masterpiece. Translated into English for the first time, this atmospheric black comedy tells the story of the Osugi family, who come to the sudden realization that each of them hails from a different planet: Father from Mars, mother from Jupiter, son from Mercury and daughter from Venus. This extra-terrestrial knowledge brings them

closer together, and convinces them that they have a mission: to find others of their kind, and save humanity from the imminent threat of the atomic bomb...

University of Chicago Press Because of the boyhood trauma of seeing his mother make

love to another man in the presence of his dying father, Mizoguchi becomes a hopeless stutterer. Taunted by his schoolmates, he feels utterly alone until he becomes an acolyte at a famous temple in Kyoto, where he develops an all-consuming obsession with the temple's beauty. This powerful story of dedication and sacrifice brings together Mishima's

preoccupation s with violence, desire, religion and national history to dazzling effect. **Drover's Wife, The** Kodansha USA Incorporated  
Перевод: Mary FoxNo Longer Human (1948, Ningen Shikkaku / A Shameful Life/ Confessions of a Faulty Man) was an attack on the traditions of Japan, capturing the postwar crisis of Japanese cultural identity. Framed by an epilogue and

prologue, the story is told in the form three notebooks left by Ōba Yōzō, whose calm exterior hides his tormented soul. Osamu DAZAI was a Japanese author who is considered one of the foremost fiction writers of 20th-century Japan. A number of his most popular works, such as Shayō (The Setting Sun) and Ningen Shikkaku (No Longer Human), are considered modern-day classics in Japan.

Japanese novelist and a master storyteller, who became at the end of World War II the literary voice and literary hero of his generation. Dazai's life ended in double-suicide with his married mistress. In many books Dazai used biographical material from his own family background, and made his self-destructive life the subject of his books. *The Temple of the Golden Pavilion* Rizzoli

Publications When Mishima committed ritual suicide in November 1970, he was only forty-five. He had written over thirty novels, eighteen plays, and twenty volumes of short stories. During his lifetime, he was nominated for the Nobel Prize three times and had seen almost all of his major novels appear in English. While the flamboyance of his life and the apparent fanaticism of his death have

dominated the public's perception of his achievement, Japanese and Western critics alike are in agreement that his literary gifts were prodigious. Mishima is arguably at his best in the shorter forms, and it is the flower of these that appears here for the first time in English. Each story has its own distinctive atmosphere and each is brilliantly organized,

yielding deeper layers of meaning with repeated readings. The psychological observation, particularly in what it reveals of the turmoil of adolescence, is meticulous. The style, with its skillful blending of colors and surfaces, shows Mishima in top form, and no further proof is needed to remind us that he was a consummate writer whose work is an irreplaceable part of world literature. The Temple of

the Golden Pavilion The Temple of the Golden Pavilion This Japan travel guide presents a journey into the true heart of the Kyoto experience—one which brings you deep into the world of Kyoto's ancient Zen Buddhist culture. This is the first comprehensive guide to Kyoto's most important Zen garden and temple sites. Kyoto's Zen heritage represents one of mankind's

greatest achievements—recognized by the large number which have been declared UNESCO World Heritage Sites. Millions of visitors travel to Kyoto yearly in search of their secrets, and here for the first time is a comprehensive overview of every major site. Over 50 Japanese temples and gardens—including all World Heritage Sites—are captured in sensitive photos by acclaimed

Kyoto-based photographer John Einarsen. A detailed introduction to each temple by local expert John Dougill includes information about special opportunities for visitors to the temples—such as early morning meditation sessions, temple food offerings and special green tea sets provided to enhance the contemplative experience—a long with other "insider" information that no other

guide provides. The foreword by Takafumi Kawakami, the deputy head priest of the respected Shunkoin Temple in Kyoto, serves to place the book in the context of eastern and western Buddhist thought and practice. His widely viewed TED Talk "How mindfulness can help you to live in the present" has been viewed by over 100,000 people. **Temple of the Golden Pavilion** New

Yukio Mishima's *The Decay of the Angel* is the

|  |  |   |
|--|--|---|
| final novel in his masterful tetralogy, <i>The Sea of Fertility</i> . It is the last installment of Shigekuni Honda's pursuit of the successive reincarnations of his childhood friend Kiyooki Matsugae. It is the late 1960s and Honda, now an aged and wealthy man, once more encounters a person he believes to be a reincarnation of his friend, Kiyooki — this time restored to life as a teenage | orphan, Tōru. Adopting the boy as his heir, Honda quickly finds that Tōru is a force to be reckoned with. The final novel of this celebrated tetralogy weaves together the dominant themes of the previous three novels in the series: the decay of Japan's courtly tradition; the essence and value of Buddhist philosophy and aesthetics; and, underlying all, Mishima's apocalyptic | vision of the modern era. <u>Lonely Planet Kyoto</u> Cooper Square Press Introduction by Donald Keene; Translation by Ivan Morris <u>Sun &amp; Steel</u> Random House Australia Because of the boyhood trauma of seeing his mother make love to another man in the presence of his dying father, Mizoguchi becomes a hopeless stutterer.
