ELLIANA HEATH

Grateful to Life and Death Harper Collins
"Kamala Markandaya, whose Nectar in a Sieve (1955) was a miniature epic about India's poor, returns to the earlier concerns of that book in A Handful of Rice. Ravi is a village son who has left his desolate, destitute home for the promise of the city. There he falls into the company of similarly rootless young men, presided over by the wily city boy,

Damodar, who appears fitfully through the book as a seducer to criminal and get-rich-quick schemes which Damodar is clever enough to survive and thrive by. By a chance misdeed, Ravi becomes acquainted with the tailor Apu and his family; Apu's daughter Nalini wins his heart and brings him from the streets into the already crowded household, first as Apu's apprentice, then his son-in-law. The author recreates the life of the respectable poor with moving fidelity as they face the problems of food, illness, unemployment. When Apu dies, the still

rebellious but worn Ravi, now a father of three and head of the household, cannot keep his customers. After the death of his son, he reverts to the street, but Damodar now discards him as unfit for dangerous enterprises, and he ends storming the rice supplies with the mob. A portrait in poverty, which is part of the history of our times. It is less compelling than the earlier book as a novel while managing the same concerned compassion."--Kirkus

'Thirteen-year-old Atiya will win the hearts of young readers. Although physically handicapped; her adventurous spirit takes her on lonely rambles into

the wildlife sanctuary. She knows the ways of the jungle and its creatures great and small. A charming story; full of incident and good feeling. Atiya's flute has a special magic of its own.'—Ruskin Bond
Atiya Sardare lives with her dad; a forest officer. An only child; afflicted by polio; she finds solace and peace in the jungle; exploring it on short; secret; often dangerous treks. On one occasion she hears the haunting notes of a flute. It gives her goose bumps. She vows to learn to play the instrument much against her father's wishes. Her music lessons bring her close to the grouchy old anthropologist; Ogre Uncle; and his Kurumba tribal daughter; Mishora. Atiya's gift transforms her father's view; it calms the rogue elephant; Rangappa and helps nurture a blossoming

friendship between a teenage boy and girl. A moving; tender; and mesmerizing tale; *Flute in the Forest* has wonderful incidents based on the real-life experiences of the author.

The Diary of a Young Girl Penguin

For Raman the sign painter, life is a familiar and satisfying routine. A man of simple, rational ways, he lives with his pious aunt and prides himself on his creative work. But all that changes when he meets Daisy, a thrillingly independent young woman who wishes to bring birth control to the area. Hired to create signs for her clinics, Raman finds himself smitten by a love he cannot understand, much less avoid-and soon realizes that life isn't so routine anymore. Set in R. K. Narayan's fictional city of Malgudi, *The Painter of Signs* is a wry, bittersweet

treasure. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

"I am inclined to call this the last chapter, but how can an autobiography have a final chapter? At best, it can only be a penultimate one; nor can it be

given a rounded-off conclusion, as is possible in a work of fiction." So begins the last chapter of *My Days*, the only memoir from R. K. Narayan, hailed as "India's most notable novelist and short-story writer" by the *New York Times Book Review*. In his usual winning, humorous style, R. K. Narayan shares his life story, beginning in his grandmother's garden in Madras with his ferocious pet peacock. As a young boy with no interest in school, he trains grasshoppers, scouts, and generally takes part in life's excitements. Against the advice of all, especially his commanding headmaster father, the dreaming Narayan takes to writing fiction, and one of his pieces is accepted by *Punch* magazine (his "first prestige publication"). Soon his life includes bumbling British diplomats,

curious movie moguls, evasive Indian officials, eccentric journalists, and "the blind urge" to fall in love. R. K. Narayan's larger-than-life perception of the human comedy is at once acute and forgiving, and always true to it.

No One Can Pronounce My Name

Penguin

Soon to be the major motion picture *The Operative*, starring Martin Freeman and Diane Kruger. For readers of John Le Carré and viewers of *Homeland*, a slow-burning psychological spy-thriller by a former brigadier general of intelligence in the Israeli army *One of The Washington Post's 10 Best mystery books and thrillers of 2016* After attending her father's funeral, former Mossad agent Rachel Goldschmitt empties her bank account and

disappears. But when she makes a cryptic phone call to her former handler, Ehud, the Mossad sends him to track her down. Finding no leads, he must retrace her career as a spy to figure out why she abandoned Mossad before she can do any damage to Israel. But he soon discovers that after living under cover for so long, an agent's assumed identity and her real one can blur, catching loyalty, love, and truth between them. In the midst of a high-risk, high-stakes investigation, Ehud begins to question whether he ever knew his agent at all. In *The English Teacher*, Yiftach R. Atir drew on his own experience in intelligence to weave a psychologically nuanced thriller that explores the pressures of living under an assumed identity for months at a time.

Brides are Not for Burning Penguin
The Mahabharata tells a story of such violence and tragedy that many people in India refuse to keep the full text in their homes, fearing that if they do, they will invite a disastrous fate upon their house. Covering everything from creation to destruction, this ancient

poem remains an indelible part of Hindu culture and a landmark in ancient literature. Centuries of listeners and readers have been drawn to The Mahabharata, which began as disparate oral ballads and grew into a sprawling epic. The modern version is famously long, and at more than 1.8 million words—seven times the combined lengths of the Iliad and Odyssey—it can be incredibly daunting. Contemporary readers have a much more accessible entry point to this important work, thanks to R. K. Narayan’s masterful translation and abridgement of the poem. Now with a new foreword by Wendy Doniger, as well as a concise character and place guide and a family tree, The Mahabharata is ready for a new generation of readers. As Wendy

Doniger explains in the foreword, “Narayan tells the stories so well because they’re all his stories.” He grew up hearing them, internalizing their mythology, which gave him an innate ability to choose the right passages and their best translations. In this elegant translation, Narayan ably distills a tale that is both traditional and constantly changing. He draws from both scholarly analysis and creative interpretation and vividly fuses the spiritual with the secular. Through this balance he has produced a translation that is not only clear, but graceful, one that stands as its own story as much as an adaptation of a larger work.

A venerable tiger, old and toothless now, looks back over his life from cubhood and early days roaming wild in the Indian jungle. Trapped into a miserable circus career as 'Raja the magnificent', he is then sold into films (co-starring with a beefy Tarzan in a leopard skin)

until, finding the human world too brutish and bewildering, he makes a dramatic bid for freedom. R.K. Narayan's story combines Hindu mysticism with ripe Malgudi comedy, viewing human absurdities through the eyes of a wild animal and revealing how, quite unexpectedly, Raja finds sweet companionship and peace.

Waiting for the Mahatma Penguin Politics and political literature studies have emerged as one of the most dynamic areas of scrutiny. Relying on ideological as well as socio-political theories, politics have contributed to cultural studies in many ways, especially within written texts such as literary works. As few critics have investigated the intersections of politics and literature, there is a tremendous need for material that does just this.

Language, Power, and Ideology in Political Writing: Emerging Research and Opportunities is an essential reference book that focuses on the use of narrative and writing to communicate political ideologies. This publication explores literature spurring from politics, the

disadvantages of political or highly ideological writing, writers' awareness of the outside world during the composition process, and how they take advantage of political writing. Featuring a wide range of topics such as gender politics, indigenous literature, and censorship, this book is ideal for academicians, librarians, researchers, and students, specifically those who study politics, international relations, cultural studies, women's studies, gender studies, and political and ideological studies.

The World of Nagaraj Penguin Books India

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The four novels collected here, all written

during British rule, bring colonial India into intimate focus through the narrative gifts of this master of literary realism. *Swami and Friends* introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. *The Bachelor of Arts* is a poignant coming-of-age novel about a young man flush with first love, but whose freedom to pursue it is hindered by the fixed ideas of his traditional Hindu family. In *The Dark Room*, Narayan's portrait of aggrieved domesticity, the docile and obedient Savitri, like many Malgudi women, is torn between submitting to her husband's humiliations and trying to

escape them. The title character in *The English Teacher*, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. These pioneering novels, luminous in their detail and refreshingly free of artifice, are a gift to twentieth-century literature.

Over a career spanning seven decades,

R.K. Narayan, easily one of the most influential and important writers of India, populated the fictional town of Malgudi with a host of unforgettable characters: Swami and his gang of friends, the Talkative Man, Raju the guide and Sampath the printer, among many others. These characters have carved out a place for themselves in popular imagination and live on, still fresh and endlessly entertaining, many decades after they first appeared. Timeless Malgudi brings together a selection of the best and the most enduring of R.K. Narayan's fiction and nonfiction. *The Guide* examines, with wit and irony, how a man becomes a godman. The story 'A Horse and Two Goats' describes an attempt at crosscultural communication which goes haywire, with hilarious

consequences. The excerpt from *My Days*, Narayan's autobiography, paints a poignant picture of the author's childhood while the 'Misguided Guide' is a cynical, sharply written chronicle of the making of the film *Guide*, based on his novel. Also included in this volume are excerpts from the travelogue *My Dateless Diary* and a brilliant retelling of the Tamil epic *Silappadikaram*.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction

by Nobel Prize-winner Nadia Murad “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving,

and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
