The Center of the World Penguin

In this delightfully charming teen spin on You've Got Mail, the one guy Bailey Rydell can't stand is actually the boy of her dreams—she just doesn't know it yet. Classic movie buff Bailey "Mink" Rydell has spent months crushing on a witty film geek she only knows online by "Alex." Two coasts separate the teens until Bailey moves in with her dad, who lives in the same California surfing town as her online crush. Faced with doubts (what if he's a creep in real life—or worse?), Bailey doesn't tell Alex she's moved to his hometown. Or that she's landed a job at the local tourist-trap museum. Or that she's being heckled daily by the irritatingly hot museum security guard, Porter Roth—a.k.a. her new arch-nemesis. But life is whole lot messier than the movies, especially when Bailey discovers that tricky fine line between hate, love, and whatever-it-is she's starting to feel for Porter. And as the summer months go by, Bailey must choose whether to cling to a dreamy online fantasy in Alex or take a risk on an imperfect reality with Porter. The choice is both simpler and more complicated than she realizes, because Porter Roth is hiding a secret of his own: Porter is Alex...Approximately.

A Novel Little, Brown Books for Young Readers

The first book in a new trilogy from L. J. Smith! Elena Gilbert is alive—again. When Elena sacrificed herself to save the two vampire brothers who love her—the handsome, brooding Stefan and the sleek and dangerous Damon—she was consigned to a fate beyond death. Until a powerful supernatural force pulled her back. Now Elena is not just human. She has powers and gifts that were bestowed on her in the afterlife. What's more, her blood pulses with an overwhelming and unique force that makes her irresistible to any vampire. Stefan wants to find a way to keep Elena safe so that they can make a life together. Damon, however, is driven by an insatiable desire for power, and wants Elena to rule as his princess. When Stefan is lured away from Fell's Church, Damon seizes his chance to convince her that he is the brother she is meant to be with. . . . But a darkness is infiltrating the town, and Damon, always the hunter, is now the hunted; he becomes the prey of a malevolent creature that can possess him at will, and who desires not just Elena's blood but her death.

Disgrace Abrams

The first book in the New York Times bestselling series that inspired the hit CW television show. No one has set foot on Earth in centuries -- until now. Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life...or it could be a suicide mission. CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth. Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope.
