No More Mr. Nice Guy!  
Shortcut Edition  
"You can become  
irresistibly attractive to  
women without  
changing who you are."  
So says Mark Manson,  
superstar blogger and  
author of the

international  
bestseller, *The Subtle  
Art of Not Giving A  
F\*ck*, a self help book  
that packs a punch.  
Mark brings the same  
approach to teaching  
men what they need to  
know about attracting  
women. In *Models* he  
shows us how much it  
sucks trying to attract  
women using the tricks  
and tactics

recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh\*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald* "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f\*ck

. . . He's as painfully honest as he is outrageously funny" *Huffington Post* *Difficult Men* SAF Publishing Mitchell Stone has had it! No more Mr. Nice Guy. Sick and tired of dates that end with a pat on the back, he's decided it's time to even his odds with the ladies and become the type of man they really seem to want: a mysterious, mischievous, deceitful Dog! With the help of his "Player" instructors, Tony and Trey, he's dipping his toe into a stream of booty calls, baby-mamas, and sexual spin, winning over every woman who crosses his path! Nikki Coleman has had it, too! The men in her life have been good for one thing:

disappointment. There's her high school sweetheart, Barry, a successful attorney who got someone else pregnant and derailed Nikki's early hopes of marriage. Then there's Jomo, a guitarist who's great in bed—except Nikki's not the only one he's great in bed with. There's Mitchell Stone, an old friend and fellow executive at her record company, who's handsome but just a little too nice. Last but not least, there's her father, Gene Coleman, who took a few years to acknowledge that, yeah, she's his. Now that a case of sexual harassment has Nikki on the verge of losing her job and with it her entire career in the music industry, the lack of a strong man in her life is even more painful. She can

survive on her own, but in her heart she wants a Mr. Right to stand by her side and help her ride out the storm. Meanwhile, Mitchell is well on his way to becoming a real Player. With his handbook of “Dog rules” and a new, swaggering style, he's attracting women left and right. He's even got Nikki reconsidering their just-friends status. But has this Dog bitten off more than he can chew? And will Mitchell's newfound womanizing ways come back to bite him before he and Nikki find true love? From the Trade Paperback edition.

Named one of Cosmopolitan's Best Books of 2018 From the husband and wife writing duo Jennifer

Miller and Jason Feifer comes Mr. Nice Guy, a funny and all too real comedy about the pursuit of success in life--and love--in today's working world. Lucas Callahan, a man who gave up his law degree, fiancée and small-town future for a shot at making it in the Big Apple. He snags an entry-level job at Empire magazine, believing it's only a matter of time before he becomes a famous writer. And then late one night in a downtown bar he meets a gorgeous brunette who takes him home... Carmen Kelly wanted to be a hard-hitting journalist, only to find herself cast in the role of Empire's sex columnist thanks to the boys' club mentality of Manhattan magazines. Her latest

piece is about an unfortunate—and unsatisfying—encounter with an awkward and nerdy guy, who was nice enough to look at but horribly inexperienced in bed. Lucas only discovers that he's slept with the infamous Carmen Kelly—that is, his own magazine's sex columnist!—when he reads her printed take-down. Humiliated and furious, he pens a rebuttal and signs it, "Nice Guy." Empire publishes it, and the pair of columns go viral. Readers demand more. So the magazine makes an arrangement: Each week, Carmen and Lucas will sleep together... and write dueling accounts of their sexual exploits. It's the most provocative sexual

relationship any couple has had, but the columnist-lovers are soon engaging in more than a war of words: They become seduced by the city's rich and powerful, tempted by fame, and more attracted to each other than they're willing to admit. In the end, they will have to choose between ambition, love, and the consequences of total honesty. "The Devil Wears Prada meets Sex and the City—a page-turner that's part sex diary, part coming-of-age story."

—Carolyn Kylstra, editor in chief, SELF "I COULD NOT PUT THIS BOOK DOWN!!! It totally messed up my week, it messed up my deadlines, but I absolutely loved it."

—Kevin Kwan, author of Crazy Rich Asians

REMOVE YOURSELF FROM A BAD SITUATION INSTEAD OF WAITING FOR THE SITUATION TO CHANGE. 18. DON'T TOLERATE THE INTOLERABLE -- EVER. 19. STOP BLAMING. VICTIMS NEVER SUCCEED. 20. LIVE WITH INTEGRITY. Who will you listen to to help you out of being in the friend zone - a guy who has ended in that same zone thrice and later figured out what's wrong and have never been thrown into that zone again or will you learn by trial and error as I did at first while also wasting a lot of time with women who you have no chance with after you have been thrown in the friendzone by them. And what if this is another lengthy book that just full of BS? The book was written to consider how busy your daily life can be and also factor in you getting value for your money. If you have

does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who

criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and

human nature, while transforming and ennobling the mind and spirit of its readers.

Have you always been the guy that all the girls you want to date or sleep with have always tag and treat you as a friend? Are you stuck in the friend zone's vicious cycle when all you want is to date the woman you are interested in and not become her friend? Or maybe you've thought why been so nice to women you are interested in is a bad idea, and you don't know how to stop being a nice guy who always gets the "I only see you as a friend" vibe from women? If you have always wanted to get the girl and not be her friend

or close buddy, this book answers what you have been looking for. This short but value-packed book is for men who want to stop being a nice guy who always doesn't get the girl he wants and wants to turn to the man who women she likes and love want to date and even be so much in love with. Let face the truth, being a nice guy sucks! And yes, I have been there before many years ago when I am the chief resident officer of the nice guy villa while thinking I am so nice, agreeable, affectionate, gentle on the women I want, subtle and many more good words that I think women should love me for. But the harsh reality I faced then showed me I was doing everything wrong, which makes the girls I

want to date only want to be my friend and nothing more. It's cool to be nice, but you know that being nice and even ultimately being a nice guy isn't working for you. If you have always been that nice guy, this book tells you everything you need to stop being Mr. Nice Guy who doesn't get the girl he wants to the one who is still nice and gets all the girls he wants to date and have a relationship with. In this book, you will learn: My journey as a nice guy for years and how a nice guy screwed me up many times and what you should learn from my nice guy experience will cause you to get any girl you want from now on. Why being nice is a bad idea when you meet a girl you love to date. The qualities you

need to start developing as a man to make sure you stop getting the results you are getting now from women like a nice guy. Insanity, they say, is doing the same thing all the time and expecting different results. In this book, you will learn all the new things you should be doing and the mindset you should develop to win as a nice guy. What women need that you don't know. These things are what have helped you get friend-zoned as a nice guy many times. In this book, you will learn what women need, and in giving them that, you increase your chance of dating them and even sleeping with them (if you want to). I have been the poster boy for a nice guy for

years, and after been tired of getting the same "let's be friends" vibe from many women I love to date, I started digging to learn what I was doing wrong and what I should be doing to get the girls I want. The result of my many months of digging helped me for years to start dating hot women I would have never been able to date before I started fixing my nice guy problem. If I can overcome my nice guy problem, then why not share all I know with other nice guys out there who are seriously looking for a solution to stop being a Mr. Nice Guy. The result of that, though, is this book. You will learn a lot about how not to be a nice guy again in this book, and I guarantee there will be a shift in result for

good if you read this book and implement everything you will learn in the book. Would you love to stop being Mr. Nice Guy and start getting the girls you want to date from now on? Scroll to the top of this page and click on the buy button **No More Mr Nice Guy** Random House Canada
