I Need a New Bum! Simon and Schuster

The first book in the Beautifully Broken series. Twenty-four-year-old Pax Tate is not always a nice guy. He's a tattooed, rock-hard bad boy with a bad attitude to match. But he's got his reasons. His mother died when Pax was seven, leaving a hole in his heart filled with guilt. As Pax grew up, he tried to be the perfect golden boy but his dad couldn't overcome his grief long enough to notice. Pax couldn't keep up the impossible perfect façade, so he slipped far, far from it. Now, he uses drugs and women to cope with the ugly, black void in his heart. Until he meets sweet, beautiful Mila Hill. Mila is a carefree smile to his hardened frown, the beauty to his beast. When memories of his mother's death resurface, Mila is there to help him mend his broken heart . . . but only if he can stop being a jerk long enough to allow it. Pax says he's working on it. But is that enough to make her stay?

Someone is killing the Adrijssian royal family one by one. When the queen is pushed to her death, suspicion lands on 17-year-old Adrijana Mironacht, a village girl new to court. Determined to clear her name, Adrijana enlists the aid of the compelling and enigmatic Dragan Vulpe, one of the royal Mesmers—magicians with the ability to read and manipulate the thoughts and emotions of those around them. As the royal body count grows and the hostile Vruk army gathers at the border, ready to capitalize on Adrijssian instability, Adrijana homes in on the Vruk ambassadors as the most likely suspects. But when she uncovers evidence of Mesmer help, she begins to second-guess both her instincts and the loyalties of those around her. Tangled in a web of half-truths and pretty lies, it will take all of Adrijana's cunning to unmask the true killer. From the author of the Confectioner Chronicles comes a stand-alone young adult fantasy mystery set in a seductive new world of glittering magic, shadowed secrets, and deadly intrigue.

Learning from your mistakes makes you smart. Learning from other people's mistakes makes you a genius. There are two ways to share knowledge, you can push information out or you can pull them in with story. A good story well told, can change the world. After 25 years in the trenches working with thousands of individuals and small business owners, John MacGregor opens the vault on 10 incredible stories that have the power to transform your financial life forever. It is here, MacGreogor reveals for the first time "The B.E.A.R Trap", THE four underlying reasons why so many people go and stay broke. Using jaw dropping stories, this book answers and solves why:* 78% of people are living paycheck to paycheck* 65% of people could not come up with \$400 today for an emergency expense* Why money is the #1 source of stress in our society* AND, why this problem is getting worse - not better - despite the thousands of how-to-books, DVD, and online resources available. Unlike the thousands of traditional "how-to" personal finance books that use traditional methods that rarely elicit change in people, these stories elicit something deep within the reader that allows people to make meaningful transformations in their life. The BEAR Trap formula is not only effective in your financial decision making, you can use it anywhere in your life to avoid painful outcomes and pitfalls. Though this is about the rich going broke, the amount of money doesn't matter as everyone of these stories can pertain to you and your family
